NIIT Announces 2nd edition of 'EdTech Growth Summit' to Build Next Gen Leaders of India

Building on the success of the inaugural edition in October 2022, the summit will support founders of EdTech start-ups in their quest towards accelerating their businesses

The summit will lead into the Founder Growthcamp where EdTech founders will get to pitch their business ideas to investors, mentors and industry leaders and secure funding for their ventures

New Delhi, March 10, 2023:

NIIT Group, a leading education technology company, has announced the 2nd edition of the EdTech Growth Summit, which will be held on March 14, 2023, from 5th to 7th April 2023. The summit will be a two-day event, with the first day focusing on the EdTech ecosystem and the second day focusing on the Founder Growthcamp. The summit will be held in New Delhi, India, and will be a virtual event, allowing participants from across the country to attend. The summit will be a platform for EdTech founders to pitch their business ideas to investors, mentors and industry leaders and secure funding for their ventures. The summit will also provide a platform for EdTech founders to share their insights and exchange ideas on the challenges and opportunities in the sector. The summit will be a key event in the EdTech ecosystem and will help to build the next generation of leaders in the industry.

Rajendra S Pawar, Chairman & Co-founder NIIT Group, said, "Driven by our commitment to bridge the skills demand gap and foster a future-ready workforce, we are pleased to announce the second edition of the EdTech Growth Summit. The summit will bring together the brightest minds in the industry and provide a platform to ideate on the role of technology in shaping the future of education and skills. With decades of experience in the learning and skilling space, the NIIT Group is excited to host this event, enabling Edtech leaders, investors, and industry experts to share their insights and exchange ideas on the challenges and opportunities in the sector. We remain dedicated to supporting the education and upskilling ecosystem in the country and are confident that this summit will contribute towards creating a more innovative and entrepreneurial environment in the space."
