**Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 – Receipt of Letter of Intent for 2.4 MWp Solar Power Supply under Group Captive Open Access for our Solar Park.**

Dear Sir/Madam,

Reference to the captioned subject and pursuant to Regulation 30 of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, we are pleased to announce that Epic Energy Limited (Epic) has received a Letter of Intent from a prestigious 275 bed NABH accredited Oncology and Cancer Care Center based in Nashik, Maharashtra, for the purchase of 2.4 MWp Solar Power to be generated from Epic's proposed Solar Park in Solapur, Maharashtra, under the Group Captive Open Access Scheme.

Commenting on the development, Bharat Mehta, Group Director, said, "This marks a significant step for Epic as we secure our first major client for the upcoming Solar Park in Solapur. We anticipate completing the project by FY 26 and are actively pursuing additional clients for the remaining capacity of the solar park."

Nikhil Morsawala, Group CFO, commented, "Given the long-term nature of Solar Power Purchase Agreements, it is crucial to onboard financially stable clients with strong credit ratings. We are delighted to partner with such a reputable institution as our first customer for this venture. The facility will be developed under a Special Purpose Vehicle (SPV) at an estimated cost of approximately ₹8.50 crores, funded through a balanced mix of debt and equity."

Please acknowledge and take the same on your records.

Thanking you,

Yours faithfully,  
For Epic Energy Limited
