, “We were able to deliver a healthy growth in revenue and our profitability despite challenging environment owing to second wave of Covid and resultant lockdown coupled with labour migration. We are excited that we have been able to reach to the pre-Covid levels of Q1 FY20.

Our robust execution capabilities coupled with strong repository of asset base enabling efficient execution reflected in strong revenue growth. Our well diversified & strong order book of ensures sustainable growth momentum.

We are witnessing gradual improvement in labour situation. The ground level activities points towards further improvement in execution starting Q2 FY22. We believe that the momentum should continue.

Our focussed approach on maintaining profitability and cash flow will help us to achieve our goal of further reduction in debt levels in coming years.

The strong impetus from the Government on pushing infrastructure development projects in the recent budget announcement to kick start the economy is very positive for the sector and overall economy. Companies with credible balance sheet and execution track record would be benefitting most from the same. With our expertise and track record, we are hopeful of being awarded more such Urban Infra Projects across the country. With a comfortable debt equity ratio, we have sufficient headroom to capitalise on opportunities of huge Infrastructure development in country. We expect the tendering activities to intensify further in coming quarters. With the sustained order inflow and our expertise in executing and delivering projects on time we are optimistic that we shall witness a healthy and sustainable growth. The Company has sufficient cash as well as unutilised working capital facilities to undertake large projects and also to ramp up execution of existing projects.”
