5 Basis for Qualified Opinion

a) **Non provision in respect of the items / matters as indicated below, total amount not ascertainable for the quarter ended 30.06.2023**

1. *lease period for plot at Mallet Bunder, Mumbai Port Trust has already expired and the land has been handed over to Mumbai Port Trust. Surrender certificate has been executed on 12.11.2021. But this still continues to be shown as non-current assets held for sale. Thus, non- current assets held for sale has been overstated by Rs. 11.67 lacs. It will also have consequential impact on the Statement of Profit and Loss account resulting into **overstatement of profit by Rs. 11.67 lacs.***
2. *All trade receivables amounting to 1,69,686.58 lacs as per Note No. 9 have been outstanding for more than 3 years. The Company has made provision for bad and doubtful debts amounting to Rs. 62,727.62 lacs and another sum of Rs. 68,042.12 lacs have been shown as "Having Significant increase in credit risk" since the same is under litigation. As per Note No.9, it is explained that no provision has been made for the same since the relevant creditors will be paid only after recovery of these trade receivables, though in most of the cases agreements are not tripartite.*

Further there has been no recovery during the three months ended 30.06.2023 and there is no major update of legal cases which are pending at various forums. Thus trade receivable do not seems to be stated at realisable value less cost to be incurred to recover these trade receivables. There is also no balance confirmation available for these trade receivables as on 30.06.2023 and hence we are unable to comment upon the genuineness and effect of the same on the financial statements, if any.

We are of the view that all trade receivables amounting to 1,69,686.58 lacs are considered doubtful of recovery resulting into short provision for doubtful debts amounting to Rs. 1,06,958.96 lacs. Thus the provision for bad and doubtful debts has been understated by Rs. 1,06,958.96 lacs and consequential impact on the statement of profit and loss account resulting into overstatement of profit by Rs. 1,06,958.18 lacs.

Further in case of M/s Rajat Pharmaceuticals Ltd (RPL), under note no.39, who drew bills of exchange on STC which were accepted upon receipt of overseas buyer's pre-acceptance to STC's bills of exchange. However, the foreign buyers defaulted in making payments against the export bills and have gone into liquidation. A sum of Rs.527.86 crores has been admitted by the liquidator of one of the foreign buyer's i.e. Loben Trading Co. Pte. Ltd, Singapore. A Decree of Rs 62.47 crores approx. has been passed by Hon'ble Bombay High Court in favour of STC against the dues from another foreign buyer i.e Sweetland Trading Pte Ltd., Singapore. As of current date, RPL has gone into liquidation and official liquidator is appointed by Hon'ble High Court of Bombay. The matter is also under investigation by CBI. Banks & Financial institutions have filed

legal suit against RPL before DRT making STC also a party to the case claiming Rs. 476.47 Crore. Also refer to Note No. 39, for matters other than RPL, as all these matters are sub-judice and/or under investigation of CBI and we are unable to comment upon the genuineness and effect of the same on the Financial Statements.

3. *Refer to Note No. 20 , the view of the default by the company in paying dues and interest amount to the banks, STC was declared NPA. The lender banks have initiated DRT proceedings against the company. The memorandum of the OTS (MOTS) proposal with lender banks is still in progress and is in line with the minutes of the high-level meeting held in 29.08.2019 and the further clarificatory letter dated 13.10.2020 of the Administrative Ministry. The liability towards banks is proposed to be settled by the way of transfer of title of identified property worth Rs.300 crore on "as is where is basis" as a full and final settlement.*
4. *Refer Note No. 11- Other Financial Assets -Claims Recoverable for non-provisioning in respect of Claims Recoverable o/s since last many financial years amounting to 2,452.72 lacs where no present status could be ascertained by the management of the Company and still not written off.*

This is non-compliance of IND AS -36 as no provision has been made for impaired assets.

All these current assets are being reflected at their carrying amounts instead of on

by Rs 7,745 lacs and understatement of liabilities. However, it has been shown as contingent liability. Also company has not provided for interest accrued on the said assets and hence the calculation of the net asset value appears. The management under management has not provided sufficient information to justify the carrying amounts of Rs. 16,000 crores.

b) The impact of the following is not ascertainable:

***Statutory Dues** - The GST input receivable and payable balances are not reconciled by the Company as on June 30th, 2023. GST input Rs 371.80 lacs - seems non claimable but no provision has been made. Profit of the company is overstated by the same amount.*

***Other Observations-** Refer Note No. 24, customer at credit includes amount payable to U.P. Government amounting to Rs 603 lacs. As informed by the management, Branch has made various other claims on U.P Government and accordingly dues of Rs. 3911 lacs is recoverable from U.P. Government for which debit note dated March 10, 2014 was raised. However, the said claim was not recognized in the standalone financial statements of the branch till date, as its ultimate collection was not certain. In absence of information on acceptability of the said claim by the UP Government, we are unable to ascertain its possible impact, if any, on the standalone financial statements of the Company.*

Refer to Cases and Disputes and matters under Litigation and amounts covered under Contingent Assets and Contingent Liabilities, since majority of the matters are subjudice, it is not possible to quantify the liabilities and the interest obligation if any on these cases.

Refer to Claims recoverable from HHEC, co-owner to the property at Jawahar Vyapar Bhawan, who have not paid their share of expenses to STC since last many years amounting to Rs. 1,030.73 lacs as on June 30th, 2023. The matter is said to be under correspondence with HHEC.

6 Qualified Opinion

Based on our review conducted as above, except for the facts or possible effects of our observation stated in Para 5 above, nothing has come to our attention that causes us to believe that the accompanying statement has not been prepared in all material aspects in accordance with the applicable Indian Accounting standards prescribed u/s 133 of Companies Act, 2013 read with relevant rules issued there under and other recognized accounting practices and policies generally accepted in India has not disclosed information required to be disclosed in terms of regulation 33 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 including the manner in which is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

Refer to litigation matters, their present status and provisioning, if any, required and on-going investigations into the alleged irregularities; further, the Company's past operations have exposed it to the risk of extensive litigation and contractual claims from third parties with increased litigation costs not fully provided for. Due to the range of potential outcomes, voluntary retirement of employees dealing with these cases and the significant uncertainty around the resolution of various claims, the amount of ultimate liabilities, if any, to be recorded in the statements as provision is not ascertainable.

Our conclusion is qualified in respect of these matters.
