Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To,
Board of Directors
Priya Limited

Adverse Opinion

We have reviewed the accompanying statement of unaudited standalone financial results ('the Statement') of Priya Limited ("the Company") for the month ended September 30, 2025 and the year-to-date results for the period from April 01, 2025 to September 30, 2025, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulation 2015, as amended ('Listing Regulations').

The Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ('the Act'), SEBI Circular CIR/CFD/FAC/62/2016 dated 5 July 2016, (Hereinafter referred to as 'the SEBI Circular'), and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the statement in accordance with the Standard on Review Engagement (SRE) 2410, 'Review of Interim Financial Information performed by Independent Auditor of the Entity' issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and an analytical procedure applied to financial data and thus provides less assurance than an audit.

In our opinion and to the best of our information and according to the explanations given to us except for effects/possible effects of matter described in the Basis for Adverse Opinion, these financial results:

a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

b. gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards and other accounting principles generally accepted in India of the net loss and other comprehensive income and other financial information of the Company for the quarter ended September 30, 2025.

Basis for Adverse Opinion

1. We draw your attention to note no. 3 of Financial Results regarding the Company's account being declared as Non-Performing Asset (NPA) and received a notice under Section 13(4) of Securitization and Reconstruction of Financial assets and Enforcement of Security Interest Act, 2002 ('the Act') for symbolic attachment of properties. The Company has incurred net losses in the current period as well as in the past years. The Company has accumulated losses which exceed its net worth at the balance sheet date resulting in negative net worth and due to blockage of bank accounts, revenue from operation during the current year is nil. During the FY 2020- 21, the Company has also closed down all its branches except Mumbai branch, had written off/ sold fixed assets located at such branches and has also laid off maximum employees across all branches since the business operations are nil. Further, the Company has also received summons from Debts Recovery Tribunal (DRT) Mumbai applied by all the three lender banks.

2. As informed by the Management, properties situated in Mumbai, Kolkata, and Chennai were auctioned by the Bank following non-payment of dues, despite issuance of demand notices. The possession of these properties had been voluntarily handed over to the Bank. However, as of 30th September 2025, information regarding the auction proceeds through banks remains unavailable. Accordingly, the accounting adjustment between the outstanding borrowings and the value of assets sold is still pending. In the absence of this data, the impact on the loss and net worth of the entity cannot be commented upon. Furthermore, properties belonging to Brent Properties Investment Pvt. Ltd. and Cheshire Properties Investment Pvt. Ltd., which were invoked under corporate guarantees, auctioned by Indian Bank for Rs.4.56 crore each. These transactions were identified through the respective Form 26AS statements.

3. Bank of Maharashtra and Union Bank have declared the company, promoters, directors and corporate guarantors as willful defaulters, the management of the company has represented against the same.

4. During the previous year, the Company has deposited Rs.175 lacs in “Non-lien account” with Indian Bank as a onetime settlement out of proposed amount of Rs. 22.81 crores including realization from auction of the above-mentioned properties.

5. Considering such factors and based on the evidence obtained during the audit, we have reassessed the Company’s assessment of going concern. The audit evidence supports management’s use of the going concern basis of accounting in the financial statements, and therefore, we find it appropriate. The financial statements reflect a reasonable and fair assessment in line with the available documentation.

6. The Company had made aggregate provision of Rs. 3,269.64 lakhs for doubtful debts (expected credit loss) as at September 30 ,2025 relating to export sales. The Management has not approached RBI & FEMA for approval of writing off the said amount from books of accounts. In the absence of any information regarding penal consequences, we are unable to comment on the impact of the same on the Loss / net worth of the Company.

7. During FY 22-23, there was a casual vacancy for Chief Financial Officer w.e.f. November 30, 2022. The Company is in process of appointing new Chief Financial Officer but couldn't appoint the same within the prescribed time limits of six months from the date of resignation and we are unable to comment on the impact of the penal consequences on the loss / net worth of the Company.

8. As of September 30, 2025, the Company has rent income receivable amounting to Rs.74.86 lakhs from its group company. In the current quarter, we have observed that the transaction of rent income was not conducted at arms' length price. We are unable to comment on the consequences for not complying with the arm’s length prices.

9. We draw attention to the financial statements, which disclose that VXL Instruments Limited (CIRP commencement date: 26.11.2024) and VXL Software Solutions Pvt. Ltd. (CIRP commencement date: 26.02.2025), both related parties, have initiated the Corporate Insolvency Resolution Process under the Insolvency and Bankruptcy Code, 2016. This development may potentially affect the Company’s financial position and its future transactions with these entities.

Emphasis of Matter:

- a) The Company has provided interest amounting to Rs. 90 Lakhs for the quarter. The total outstanding interest payable as of September 30, 2025, amounts to Rs 2585.78. In the absence of Bank statements in respect of these NPA accounts and confirmation from bank regarding rate of penal interest, we are unable to comment upon the booking of provision of such interest and closing account balances.
- b) As of September 30, 2025, the Company has Advance tax refund receivable amounting to Rs. 38.55 Lakhs pertaining to nine assessment years. As per Income tax records the same has been refunded to the company. In the absence of Bank statements in respect of NPA accounts, the Company is unable to record the amount of refunds actually received. Therefore, we are unable to comment upon the closing balances of advance taxes and loans appearing in the books of accounts.
- c) Due to unavailability of funds, the Company is unable to pay gratuity (statutory liability) amounting to Rs.67.67 Lakhs to the employees which is outstanding as of September 30, 2025.

The Board of Directors is responsible for overseeing the Company's financial reporting process.
