Sr.	Particulars	Details
i.	Name(s) of the opposing party	BSE Ltd.
ii.	Court/tribunal/agency where litigation is filed	Securities Appellate Tribunal
iii.	Brief details of dispute/litigation	The Appeal impugns the action of the Respondent in returning the Listing Application of the Appellant for preferential allotment vide the communication dated September 23, 2025 on the ground that investments in VDAs are speculative in nature and the policy regarding the same is under consideration. The genesis of the matter lies in the fact that the Respondent itself despite being well aware of the object for which such proceeds were to be raised, granted an in-principle approval on May 9, 2025. However, retracted from its position pursuant to the Appellant raising funds and investing in VDAs.
iv.	Expected financial implications, if any, due to compensation, penalty etc.	Not Applicable
v.	Quantum of claims, if any	Not Applicable
