Emphasis of Matters

- 1. Closing Balances of Debtors, Creditors and Advances are subject to Confirmation and Inventories are as Certified by the Management.
- 2. Financial Statements of the Company have been prepared on 'Going Concern' basis despite the current liabilities exceeds the current assets and erosion of Net worth as on 31.03.2017. These conditions indicate the existence of Material uncertainty that casts significant doubt above the Company's ability to continue as a Going concern.

Our opinion is not modified in respect of these matters.

Basis for Qualified Opinion

The company has not provided the interest on Working Capital Loans and Term Loans with SBI, IDBI and IOB to the extent of Rs.13.39 Crores for the Quarter with respect to the period post the bank accounts became NPA. Consequent to the above, the loss for the Quarter is understated to that extent.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with the recognition and measurement principles laid down in the applicable Indian Accounting Standards ('Ind AS') specified under section 133 of the Companies Act, 2013 read with relevant rules issued there under and other recognized Accounting principles and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circulars No.CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.
