2. As detailed in Note 2 to the Standalone and Consolidated financial results, the Company has reported an amount of ₹4,033 Lakhs as trade receivables from its wholly owned subsidiary, Inspirisys Solutions North America, Inc., USA as at 31 March 2023 which are significantly over-due. Further, due to non-realization of aforesaid trade receivables within the prescribed time limit, the Company is in non-compliance with Clause C.20 of the Master Direction – Export of Goods and Services (Updated as on November 22, 2022) ("Master Direction") and is liable to pay Goods and Service Tax (GST) liability along with interest and penalty on such export sales in accordance with sub rule 1 of 96A of CGST rules. The management is confident of recovering the aforesaid receivables from the subsidiary based on the business plans as detailed out in the management note and accordingly, no expected credit loss provision has been made against such long outstanding receivables under Ind AS 109, Financial Instruments and no provision is recognized towards aforesaid GST liability including interest and penalty. However, in the absence of sufficient appropriate audit evidence regarding the timing and extent of cash flows that will be available with the subsidiary to settle these dues, we are unable to comment upon the recoverability of the carrying value of the said trade receivables as at 31 March 2023 and impact on Goods and Service Tax liability, including penalty and interest that may be levied, and the consequential impact thereof, if any, on the accompanying standalone financial results
