Dear Tarun

I joined Ather at a time when the organisation was young and finding its identity amongst the titans of automotive; we had a dream to make a difference, and the courage to go where the path was not laid. My 8 years at Ather have been about building the team, the leadership, the culture, and the spaces needed to bring that dream to life; it has been fulfilling to build a product company with Swapnil and you.

I'm now at a stage where I would like to take a step back, get a fresh perspective as I decide next steps, and then pursue other interests. It's been an enriching and fulfilling journey, and as I leave, I feel immensely proud to see what we have achieved together.

I feel post-IPO is a good time for this change: so I am resigning from my position as CHRO & Head of Admin and Infrastructure effective 11th Jun 2025 and would like to be relieved by 4th Aug 2025, which will be my last working day;

Thank you for all the trust you have placed in me and the space you and Swapnil have given me; not much would have been achieved without this. Here is to that team that will continue to chase moonshots, develop great products, and define India's electric journey;

Regards Sunitha
