**PRINCIPLE 2 Businesses should provide goods and services in a manner that is sustainable and safe**  
**Essential Indicators**

- 1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.**

	<b>FY 2024-25 Current Financial Year</b>	<b>FY 2023-24 Previous Financial Year</b>	<b>Details of improvements in environmental and social impacts</b>
R&D	Environmental and Social impact assessment is one of the key inputs for the new product development/ process changes. Capital expenditure and R&D spends incurred by the Company embeds cost incurred to mitigate environmental & social hazards. These are inseparable cost of the projects and hence separately identifying such cost is not feasible. Increasing share of renewable energy in overall energy portfolio is a flagship initiative which demonstrated our commitment towards sourcing clean energy and transition to low carbon operation having a direct impact on the environment.		
Capex			

- a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)**

Yes, the Company has procedures in place for sustainable sourcing.

- b. If yes, what percentage of inputs were sourced sustainably?**

The Company is committed towards sustainably sourcing its raw material. We constantly work towards nurturing sustainable relationships with our supply chain partners by building trust, fair treatment and transparency in all procurement related decisions. However, the company is in the process of further strengthening sustainable sourcing and maintaining data around the same.

- 3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.**

The majority of the plastic waste that is generated internally is recycled and reused. Company is into Business to business (B2B) business and the products manufactured by it are not supplied to ultimate consumer directly, therefore, once the Company's products are sold to customers such as converters, brands, etc, the post-consumer waste is untraceable.

- 4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.**

Yes, Extended Producer Responsibility (EPR) is applicable to the entity. The Company has taken required registration under EPR and is in the process to ensure applicable compliances.

- Compliance with Labor Laws: We regularly review and ensure adherence to all applicable labour laws across our locations. This includes minimum wage, working hours, overtime regulations, and leave entitlements as per ILO (International Labour Organizations) standards.
- Non-discrimination in Hiring: CFL prohibits any bias based on gender, physical disability, or any other protected characteristic during the recruitment process. We strive to create a diverse and inclusive workforce.
- Elimination of Child Labor: CFL has a zero-tolerance policy towards child labour. We verify employee ages through proper documentation and actively participate in initiatives to combat child labour practices.

**2. Workplace Environment:**

- Prevention of Sexual Harassment: CFL has a robust Internal Complaints Committee (ICC) established under the POSH Act, providing a safe space for employees to report sexual harassment. We offer training programs to raise awareness and foster a culture of respect.
- Grievance Redressal Mechanism: We have a well-defined grievance redressal process to address employee concerns effectively. This ensures all voices are heard, and issues are resolved promptly and fairly.
- Health & Safety at Work: CFL prioritizes employee well-being with a comprehensive health and safety program. We conduct risk assessments, implement safety protocols, and provide training to minimize workplace hazards and injuries.
- Whistleblower Protection: CFL has a clear whistleblower policy that encourages employees to report any suspected wrongdoing or unethical behaviour without fear of retaliation. We provide anonymous reporting channels to protect whistleblowers.
