Limited Review Report

The Board of Directors of
Orient Green Power Company Limited

1. We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of Orient Green Power Company Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), for the quarter ended June 30, 2020 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

2. This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review

[redacted]

Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

6. We did not review the financial results of certain subsidiaries included in the consolidated unaudited financial results, whose interim financial results reflect total revenues of Rs.1084 lakhs, total profit after tax of Rs.226 lakhs, and total comprehensive income of Rs.350 lakhs, for the quarter ended June 30, 2020. These interim financial results have been reviewed by other auditors whose reports have been furnished to us by the Management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of the subsidiaries is based solely on the reports of the other auditors and the procedures performed by us as stated in paragraph 3 above.

7. The Statement includes financial results of one subsidiary which has not been subjected to review, whose financial results reflect total revenue of NIL, total net loss of Rs.0.04 lakhs and total comprehensive loss of Rs.0.04 lakhs for the quarter ended 30 June 2020, as considered in the Statement. According to the information and explanations given to us by the management, these financial results are not material to the Group.

8. We draw attention to the following matters as stated in the Notes to the Financial Results:-

   (i) Considering the stay granted by the Supreme Court of India on the order issued by Central Electricity Regulatory Commission ('CERC') on reduction of floor price, and based on the legal opinion obtained, the Group is confident of favourable decision on the appeal with Hon'ble Supreme Court against the APTEL (Appellate Tribunal for Electricity at New Delhi) order and realization of difference of Rs.500 per REC aggregating to Rs.2,071 Lakhs in respect of the receivables as on 31st March 2017.

   (ii) Due to recent regulatory developments in Andhra Pradesh, the Group could not proceed with Phase III power project. However, the Group is confident of recovering substantial portion of capital advances given in this regard. Accordingly, no provision

Orient Green Power Company Limited
Notes to the Consolidated Unaudited Financial Results for the Quarter ended June 30, 2020

1. The above consolidated unaudited financial results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at their respective meetings held on August 11, 2020. The statutory auditors of the company carried out 'Limited Review' on these consolidated results for the quarter ended June 30,2020.

2. The Group operates under a single segment which is "Generation of power through renewable sources "which is consistent with reporting to the Chief Operating Decision Maker. The operations of the group are seasonal in nature and the performance of any quarter may not be representative of the annual performance.

3. Due to recent regulatory developments in Andhra Pradesh, the company (through M/s. Beta Wind Farm Private Limited, One of the subsidiaries) could not proceed with Phase III power project. However, the Group is confident of recovering substantial portion of capital advances given in this regard. Considering the above facts and the comfort letter issued by SVL Ltd guaranteeing repayment, in case of non-recovery, no provision is required for the capital advance amounting to Rs. 6,511 Lakhs. Nevertheless, for the delay in recovering the said advances, the Group made appropriate provisioning for expected credit losses.

   The above item has been highlighted as an Emphasis of matter in the Limited Review Report on the consolidated unaudited financial results.

4. Considering the stay granted by the Supreme Court of India on the order issued by Central Electricity Regulatory Commission ('CERC') on reduction of floor price, and based on the legal opinion obtained, the Group is confident of favourable decision on the appeal with Hon'ble Supreme Court against the APTEL (Appellate Tribunal for Electricity at New Delhi) order and realization of difference of Rs. 500/ REC aggregating to Rs. 2,071 lakhs in respect of the receivables as on 31st March 2017.

   The above item has been highlighted as an Emphasis of matter in the Limited Review Report on the consolidated unaudited financial results.

   The Central Energy Regulatory Commission (CERC) in its order dated June 17, 2020 determining forbearance and floor price for the Renewable Energy Certificates(RECs), revised the floor price and forbearance prices of Non Solar RECs as Nil and Rs.1,000/- respectively. The prices shall be effective from July 01, 2020 and shall remain in force till June 30, 2021. The Indian Wind Power Association moved the Appellate Tribunal for Electricity (APTEL) challenging the said order and the proceedings are underway. The group has the practice of accruing the revenue from RECs at its floor price and any differential amount on realization will be taken to the statement of profit and loss as and when the sale happens. Due to revision of floor price as nil vide above notification and the demand for REC certificates being low due to current market conditions, the group has conservatively accrued the RECs at Rs 1/certificate and the differential would be recognized as revenue upon sales of REC. Accordingly, the revenue for the quarter is lower by Rs.577 lakhs.

5. The Financial results includes total income of Rs.Nil, total loss after tax of Rs.101 lakhs and total comprehensive loss of Rs.101 lakhs for the quarter ended June 30, 2020, after elimination, in respect of one subsidiary viz. Amrit Environmental Technologies Pvt. Ltd(AETPL), whose financial statements were prepared by the Management on the basis other than that of going concern. The company holds 74% of equity shares in AETPL.

Orient Green Power Company Limited

6. During the previous year, the company decided to dispose one of its subsidiaries viz., Statt Orient Energy Private Limited domiciled in Srilanka. Accordingly, the impairment of Rs.944 lakhs was recognized in previous year under discontinued operations.

7. The board of directors gave in-principle approval for merger of its wholly owned subsidiaries namely, Orient Green Power (Maharashtra) Private Limited and Bharath Wind Farm Limited with the company. The draft schemes shall be subject to approval from shareholders and regulatory authorities.

8. The Board of Directors of the Company, at their meeting held on January 30, 2020, gave in- principle approval for a scheme of arrangement wherein 50% of the share capital and certain portion of securities premium account shall be utilized towards adjustment of identified business losses of the Company. The draft scheme shall be subject to approval from shareholders and regulatory authorities. Subsequent to the approval of scheme, the par value of the equity share will be Rs.5.

9. The Group considered possible effects that may result from COVID -19 pandemic in preparation of these results including the recoverability of carrying amounts of financial and non-financial assets. Nevertheless, the uncertainty prevailing in the external environment might have an impact on the future operations of the company. The Group is also closely monitoring developments, and is taking necessary steps to minimize the impact of this unprecedented situation.

   The above item has been highlighted as an Emphasis of matter in the Limited Review Report on the consolidated unaudited financial results.

Limited Review Report

The Board of Directors of
Orient Green Power Company Limited

1. We have reviewed the accompanying statement of unaudited financial results("the Statement") of Orient Green Power Company Limited ("the Company"), for the quarter ended June 30, 2020. This statement is the responsibility of the Company's Management and approved by the Board of Directors. The statement has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Based on our review conducted as above, and read with our comments in paragraph 4 below, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. We further draw attention to following matters as stated in the Note to Financial Results:

[redacted]

Nevertheless, the uncertainty prevailing in the external environment might have an impact on the future operations of the company. The Company is also closely monitoring developments, and is taking necessary steps to minimize the impact of this unprecedented situation.

Our conclusion is not modified in respect of these matters.

Orient Green Power Company Limited
Notes to the Statement of Standalone Unaudited Financial Results for the Quarter ended June 30, 2020

1. The above standalone unaudited financial results were reviewed by the Audit Committee and approved by the Board of Directors of the Company at their meetings held on August 11, 2020. The statutory auditors of the company carried out 'Limited Review' on these results for the quarter ended June 30,2020.

2. The Company operates under a single segment which is "Generation of power through renewable sources and related services" which is consistent with reporting to the Chief Operating Decision Maker.

3. The Company invested Rs. 86,423 lakhs in the preference shares of one of its subsidiaries, M/s. Beta wind farm private limited (Beta). In addition, Beta received Rs. 123,600 lakhs of Loan from a consortium of banks (lenders) to develop 300 MW of Wind Energy generators. The Consortium loan agreement imposes several restrictions on Beta and the Company, which includes restriction on declaration of dividend on preference shares during the loan tenure. Considering the restrictive covenants, the company has, on a prudent basis, not recognized finance income of Rs. 1,063 lakhs for the current quarter, consequent to fair valuation of this financial instrument.

   The above matter has been highlighted as an Emphasis of matter in the Limited Review Report on the Standalone Unaudited Financial Results.

4. The Board of Directors of the Company, at their meeting held on January 30, 2020, gave its in-principle approval for merger of its wholly owned subsidiaries namely, Orient Green Power (Maharashtra) Private Limited and Bharath Wind Farm Limited with the company. The draft schemes shall be subject to approval from shareholders and regulatory authorities.

5. The Board of Directors of the Company , at their meeting held on January 30, 2020, gave in- principle approval for a scheme of arrangement wherein 50% of the share capital and certain portion of securities premium account shall be utilized towards adjustment of identified business losses of the Company. The draft scheme shall be subject to approval from shareholders and regulatory authorities. Subsequent to the approval of scheme, the par value of the equity share will be Rs.5.

6. During the previous year the company decided to dispose one of its subsidiaries viz., Statt Orient Energy Private Limited domiciled in Srilanka. Considering the estimated realizable proceeds from the disposal, an impairment of Rs.793 lakhs is recognized in previous year results under discontinued operations.

7. The Company considered possible effects that may result from COVID -19 pandemic in preparation of these results including the recoverability of carrying amounts of financial and non-financial assets. Nevertheless, the uncertainty prevailing in the external environment might have an impact on the future operations of the company. The Company is also closely monitoring developments, and is taking necessary steps to minimize the impact of this unprecedented situation.

   The above matter has been highlighted as an Emphasis of matter in the Limited Review Report on the Standalone Unaudited Financial Results.

8. The figures for previous year/ period have been regrouped wherever necessary to conform to the classification of the current year/period.
