Sanofi India Limited to sell Ankleshwar site to Zentiva

Board of Directors approve slump sale and transfer of the manufacturing facility

Mumbai – September 11th, 2019 - The Board of Directors of Sanofi India Limited (SIL) has approved a transaction for the slump sale and transfer of its manufacturing facility at Ankleshwar, Gujarat to Zentiva and its legal entity in India, Zentiva Private Limited for a consideration of Rs. 2,617 million, subject to customary working capital adjustments. This transaction is subject to Transfer Agreement.

was sold to Advent International.

*“Sanofi’s long-term strategy is to focus on manufacturing Sanofi branded products. Given that the two companies share similar values and commitment towards serving patients and their employees, the Board of Directors of Sanofi India Limited approved this transaction in the long-term interest of all stakeholders.” said **Rajaram NARAYANAN, Managing Director Sanofi India Limited.***

Allegra® and Amaryl® are made. The production of these iconic brands will now be moved to the well.

About the Ankleshwar site: Established in 1987, the site has a chemistry & biotechnology development centre, and manufactures both intermediates and pharmaceutical formulations. A than 6 billion tablets annually.
