We refer to the following notes in the accompanying standalone financial results:

- a. Note 15(a) of the statement, in respect of the preparation of standalone financial results of the Company has incurred a Net Loss of Rs.9,0260.62 for the quarter and Rs. 1,75,458.90 lakhs for the six month ended September 30 2025 respectively resulting into accumulated losses of Rs. 22,29,367.76 lakhs and erosion of its Net worth as at September 30, 2025. As the company is a going concern by order of the NCLT dated 26th July 2019 with corrigendum order issued on July 31, 2019 and started receiving the bid amount under Third E-auction process for sale of the company as a going concern, in the opinion of the management, the company will continue its operations and the above results have been prepared on the basis that the Company is Going Concern. As the company is a going concern by order of the NCLT dated 26th July 2019 with corrigendum order issued on July 31, 2019 and started receiving the bid amount under Third E-auction process for sale of the company as a going concern the management of the company is confident that sufficient future taxable income will be available against which such deferred tax asset will be realized. However, in our opinion, in absence of convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized, such recognition is not in accordance with Indian Accounting Standard 12 "Income Taxes" (Ind AS 12). Had the aforesaid deferred tax assets not been recognized, loss after tax for the quarter ended September 30, 2025 would have been higher by Rs. 95,705.88 lakhs and other equity would have been lower by Rs. 95,705.88 lakhs.

24	The GST orders and demands received from various tax authorities, totalling Rs. 25436 lakhs for the tax period 2017-18 to 2020-21. The demands comprise: - Rs. 168.73 crores for the pre-CIRP period (2017-18) - Rs. 85.63 crores for the CIRP period Due to insufficient funds for pre-deposit, we have not yet filed appeals against these orders. Notably, the GST demands for the CIRP period primarily arise from provisions made during 2020-21 against unbilled revenue pertaining to the Pre-CIRP period. Consequently, the total GST demands of Rs. 254.36 crores are considered as contingent liability as of 31.03.2025. We are exploring the option of approaching the court to condone the delay in filing appeals and seeking directions to allow appeals without pre-deposit, considering the company's ongoing liquidation process. The management believes that no material adjustment would be arising.
