The acknowledgement places Rampur firmly among the world's most influential and in-demand whisky brands, highlighting its growing presence and acceptance across key international markets.

Widely regarded as a key industry benchmark, the Drinks International Report is closely followed by producers, distributors, and the global on-trade. The rankings are driven by insights from some of the world's most influential bars and serve as a reflection of which brands are shaping conversations, menus, and consumer choices across markets. Rampur's #4 position in the Top Trending World Whisky 2026 list marks an important moment, not just for the brand, but for Indian single malts gaining acceptance on the global stage.

Rampur's rise in the rankings reflects its strong momentum in the global premium and luxury whisky space. Crafted in India and shaped by a distinctive terroir, the whisky has steadily built a reputation for quality, character, and authenticity. Its growing popularity among leading bars, retailers, and whisky enthusiasts worldwide has played a key role in its upward movement on the list.

**Mr. Sanjeev Banga, President - International Business at Radico Khaitan**, added, *"Rampur's continued rise in global rankings mirrors the growing interest in Indian single malts across international markets. As we expand our footprint globally, our focus remains on preserving the brand's artisanal character while introducing it to new audiences. Recognition from Drinks International is a strong endorsement of that approach."*

Rampur's #4 ranking places it alongside some of the world's most recognised whisky names, highlighting the brand's growing stature and competitive strength in the international whisky landscape. Radico Khaitan continues to strengthen its position as a leading player in the global spirits industry, driven by a clear focus on premiumisation, innovation, and international expansion.
