BCPL Railway Infra bags Rs. 86.64 million 25 KV OHE work under Sealdah Division of Eastern Railway

Kolkata, January 9, 2026: BCPL Railway Infrastructure Limited is delighted to update its esteemed stakeholders that the Company bagged an order for 25KV Overhead Electrification work at Sealdah Division of Eastern Railway.

The letter of acceptance has been received for the work of "25KV OHE and allied electrical works in connection with "Removal of In between Track OHE Masts over Sealdah Division" of Eastern Railway. The total project cost comprises of Rs. 86.64 million and it is expected to be executed over a period of 12 months.

Commenting on the same, Mr. Aparesh Nandi, Chairman said, "We at BCPL Railway Infrastructure Limited are pleased to inform our stakeholders on our recent order intake of 25KV OHE and allied electrical works in connection with "Removal of In between Track OHE Masts over Sealdah Division of Eastern Railway. The value of this order is Rs.86.64 million and we are quite optimistic about the pipeline of orders in the coming months, in near future also."

"We, at BCPL, have offered our unparalleled services contributing towards connecting the different parts of the country especially connecting the North East and rural parts of the country and are confident to continue serving the Indian Railway sector in future. We are quite optimistic about similar projects to come on PAN India basis. There is a constant flow of railway work including EPC orders, modification work, laying of new lines, addition of 3rd and 4th lines in the existing railway tracks, increase in the speed of existing railway lines and we are optimistic that there will be no paucity of work flow in the near future."
