Sirs,

**Sub: Clarification regarding Corrigendum to Annual Report for FY 2024–25**

This is with reference to the Annual Report for the financial year 2024–25 submitted to the Exchange pursuant to the Annual General Meeting held on 29 September 2025.

The Company has noted that, due to an inadvertent error at the time of scanning and uploading, certain observations as contained in the Secretarial Audit Report (Form MR-3), which forms part of the Annual Report, were not clearly reflected in the uploaded document.

The Company hereby submits this **Corrigendum to reproduce** the relevant portion of the Secretarial Audit Report for the information of the Exchange and stakeholders. ***This Corrigendum does not revise, amend, or supersede the Annual Report as adopted by the shareholders.***

***This clarification is being submitted in the interest of transparency and good governance.***

Kindly take the above on record.

Yours faithfully,  
For VISION CINEMAS LIMITED

The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1** : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in

demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

## **INDEPENDENT AUDITORS' REPORT**

**To  
THE MEMBERS OF  
Vision Cinemas Limited**

### **Report on the Audit of the Annual Standalone Financial Statements and Quarterly Standalone Financial Statements**

#### **Opinion**

We have audited the accompanying standalone Ind AS financial results of **Vision Cinemas Limited** ("the company") for the quarter ended March 31, 2025 and the year to date results for the period from April 1, 2024 to March 31, 2025, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us these standalone financial results

- i. are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended; and
- ii. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and other comprehensive income and other financial information for the quarter ended March 31, 2025 as well as the year to date results for the period from April 1, 2024 to March 31, 2025.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial results under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

- Company has advanced interest free loan to its subsidiary company Pyramid Entertainment of Rs. 6,74,73,664.
- Company has advanced interest free loan to its related party Vasanth Color Laboratories Ltd Pyramid Entertainment of Rs. 8,29,11,537.
- The payable and receivable balances as reported are subjected to confirmation and reconciliation from the parties.

Auditor"s opinion is not modified in respect of the matter emphasized.

### **Management's Responsibilities for the Standalone Financial Results**

These quarterly financial results as well as the year to date standalone Ind AS financial results have been prepared on the basis of the Standalone Financial Statements. The Company"s Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, „Interim Financial Reporting" prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial results, the Board of Directors are responsible for assessing the Company"s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company"s financial reporting process.

### **Auditor"s Responsibilities for the Audit of the Standalone Ind AS Financial Results**

## **Audit of the Standalone Financial Results for the year ended March 31, 2025**

Our objectives are to obtain reasonable assurance about whether the standalone financial results for the year ended March 31, 2025 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the Annual Standalone Ind AS Financial Results of the Company to express an opinion on the Annual Standalone Financial Results.

Materiality is the magnitude of misstatements in the standalone financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**(a) Review of the Standalone Ind AS Financial Results for the quarter ended March 31, 2025.**

We conduct our review of Standalone Financial Results for the quarter ended March 31, 2025 in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Other Matters**

The Statement includes the Standalone Financial Results for the quarter ended March 31, 2025 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our opinion on the Statement is not modified in respect of this matter.

The Auditors have relied upon the assumptions, information and explanations provided by the management in this regard and our opinion is not modified in respect of these matters.

## **INDEPENDENT AUDITORS' REPORT**

**To  
THE MEMBERS OF Vision  
Cinemas Limited**

**Report on the Audit of the Annual Consolidated Financial Statements and Quarterly Standalone Financial Statements**

### **Opinion**

We have audited the accompanying Consolidated Annual Financial Results of Vision Cinemas Limited ("Holding company") and its subsidiaries (holding company and its subsidiaries together referred to as "the Group"), for the quarter ended March 31, 2025 and year to date results for the period from April 1, 2024 to March 31, 2025, attached herewith, being submitted by the holding company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate financial statements of subsidiaries:-

- a) includes the results of the following entities: o Pyramid Entertainment (India) Private Limited
- b) are presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended; and
- c) gives a true and fair view, in conformity with the applicable accounting standards, and other accounting principles generally accepted in India, of consolidated total comprehensive income (comprising of net profit and other comprehensive income) and other financial information of the Group for the quarter ended March 31, 2025 and for the period from April 1, 2024 to March 31, 2025

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Results section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the

audit evidence obtained by us referred to in “Other Matter” paragraph below, is sufficient and appropriate to provide a basis for our opinion.

### **Emphasis of Matter**

- Company has advanced interest free loan to its subsidiary company Pyramid Entertainment of Rs. 6,74,73,664.
- Company has advanced interest free loan to its related party Vasanth Color Laboratories Ltd Pyramid Entertainment of Rs. 8,29,11,537.
- The payable and receivable balances as reported are subjected to confirmation and reconciliation from the parties.

Auditor’s opinion is not modified in respect of the matter emphasized.

### **Management’s Responsibilities for the Consolidated Financial Results**

These quarterly financial results as well as the year to date consolidated financial results have been prepared on the basis of the interim Financial Statements. The Company’s Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group in accordance with Indian Accounting Standard prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Directors of the Company, as aforesaid.

In preparing the consolidated financial results, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

## **Auditor's Responsibilities for the Audit of the Consolidated Financial Results**

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Consolidated Financial Results of the Company to express an opinion on the Consolidated Financial Results.

Materiality is the magnitude of misstatements in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial results.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**(a) Review of the Consolidated Ind AS Financial Results for the quarter ended March 31, 2025.**

We conduct our review of Consolidated Financial Results for the quarter ended March 31, 2025 in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**Other Matters**

The Statement includes the Consolidated Financial Results for the quarter ended March 31, 2025 being the balancing figure between audited figures in respect of the full financial year and the published year to date figures up to the third quarter of the current financial year which were subject to limited review by us. Our opinion on the Statement is not modified in respect of this matter.

The Auditors have relied upon the assumptions, information and explanations provided by the management in this regard and our opinion is not modified in respect of these matters.

### **Notes to Financial Statement for the year ended 31 March 2025**

---

#### **1. Company Information**

Vision Cinemas Limited is a public limited company incorporated in India and the Company has its primary listing on Bombay Stock Exchange.

The Company is engaged in the business of movie exhibition and commenced production of Advertisement Films during the year. The company primarily earned revenue from Advertisement Film Production.

#### **2. Basis of Preparation and Presentation of Standalone Financial Statements**

##### **2.1. Statement of Compliance**

The standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

##### **2.2. Basis of measurement**

The standalone financial statements have been prepared on a historical cost convention and on an accrual basis, except for certain financial instruments which are measured at fair value at end of each reporting period, as explained in the accounting policies below.

##### **2.2. Use of judgement, estimates and assumptions**

The preparation of the standalone financial statements requires the management to make judgements, estimates and assumptions considered in the reported amounts of assets and liabilities and disclosure relating to contingent liabilities as at the date of standalone financial statement and the reported amounts of income and expenditure during the reported year. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the standalone financial statements is included in the following notes:

#### **a. Income Taxes**

The Company's major tax jurisdictions is India. Significant judgments are involved in determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions. In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

#### **b. Impairment testing**

Investments in subsidiaries, goodwill and intangible assets are tested for impairment annually and when events occur or changes in circumstances indicate that the recoverable amount of the asset or cash generating units to which these pertain is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to dispose. The calculation of value in use of a cash generating unit involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

#### **c. Depreciation and amortisation**

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets. Estimates may change due to technological developments, competition, changes in market conditions and other factors and may result in changes in the estimated useful life and in the depreciation and amortization charges.

#### **d. Other Estimates**

The preparation of these standalone financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of standalone financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analysing historical payment patterns, customer concentrations, customer credit worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required. The stock compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

Fair valuation of derivative hedging instruments designated as cash flow hedges involves significant estimates relating to the occurrence of forecast transaction.

### **3. Summary of significant accounting policies**

#### **3.1. Functional and presentation currency**

Items included in these standalone financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (i.e. the "functional currency"). The standalone financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

#### **3.2. Investment In Subsidiary**

Investment in subsidiary company is carried at cost less accumulated impairment losses, if any. Where an indication of Impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary companies, associate and joint venture companies, the difference between net disposal of proceeds and the carrying amounts are recognised in the statement of Profit and Loss.

#### **3.3. Property, plant and equipment**

Property, plant and equipment are measured at historical cost or its deemed cost less accumulated depreciation and impairment losses, if any. Historical Cost includes expenditures directly attributable to the acquisition of the asset.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the statement of profit and loss when incurred.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

The residual values, useful lives and methods of depreciation of PPE are reviewed at each financial year end and adjusted prospectively, if appropriate.

Subsequent expenditure on additions and betterment of operational properties are capitalized, only if, it is probable that the future economic benefits associated with the expenditure will flow to the Company and expenditures for maintenance and repairs are charged to statement of Profit & Loss as incurred.

### **3.4. Depreciation/ Amortisation**

Depreciable amount for assets is the cost of asset less its estimated residual value.

Depreciation has been provided on assets on the straight-line method, as per the useful life prescribed in Schedule II of the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. The Company assesses at each Balance Sheet date whether there is objective evidence that a asset or a group of assets is impaired. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

All the assets except building are at residual value as on 1st April, 2020 and hence depreciation is provided only on building value amount.

The residual values are not more than 5% of the original cost of assets.

### **3.5. Leases**

From April 1, 2019, Ind AS 116 'Leases' is applicable to all the listed companies. Ind AS 116 has certain exemptions from the application of Ind AS – 116:

As per explanation and books of accounts provided to us, there are no lease payments done by the company and as per the explanation provided to us, no lease agreements are entered into by the company.

### **3.6. Financial Instruments**

All financial instruments are recognised initially at fair value. Transaction costs that are attributable to the acquisition of the financial asset (other than financial assets recorded at fair value through profit or loss) are included in the fair value of the financial assets. Purchase or sale of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trade) are recognised on trade date. While loans and borrowings and payables are recognised net of directly attributable transaction costs. For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: non-derivative financial assets comprising amortised cost, debt instruments at fair value through other comprehensive income (FVTOCI), equity instruments at FVTOCI or fair value through profit and loss account (FVTPL), non-derivative financial liabilities at amortised cost or FVTPL and derivative financial instruments (under the category of financial assets or financial liabilities) at FVTPL. The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition.

## **Non-derivative financial assets**

### **i. Financial assets at amortised cost**

A financial asset shall be measured at amortised cost if both of the following conditions are met:

(a) the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows; and

(b) the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest rate method, less any impairment loss.

Financial assets at amortised cost are represented by trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.

Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks which can be withdrawn at any time without prior notice or penalty on the principal.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

### **ii. Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI)**

For assets, if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and where the company has exercised the option to classify the equity investment as at FVTOCI, all fair value changes on the investment are recognised in OCI. The accumulated gains or losses on such investments are not recycled to the Statement of Profit and Loss even on sale of such investment.

### **iii. Financial assets at Fair Value through Profit and loss (FVTPL)**

Financial assets which is not classified in any of the above category is measured at FVTPL. These include surplus funds invested in mutual funds etc.

Financial assets included within the FVTPL category are measured at fair values with all changes recorded in the statement of profit and loss.

**Non-derivative financial liabilities at amortised cost** Financial liabilities at amortised cost represented by borrowings, trade and other payables are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest rate method. For trade and other payable maturing within one year from the Balance Sheet date, the carrying value approximates fair value due to short maturity.

**Financial liabilities at Fair Value through Profit and loss (FVTPL)** Financial liabilities at FVTPL represented by contingent consideration are measured at fair value with all changes recognized in the statement of profit and loss.

**Derivative financial instruments and hedging activities** A derivative is a financial instrument which changes value in response to changes in an underlying asset and is settled at a future date. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. The method of recognizing the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The Company enters into derivative contracts to hedge the risks asserted with currency fluctuations relating to firm commitments and highly probable transactions. The Company does not use derivative instruments for speculative purposes. The Company documents, at the inception of the transaction, the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The Company also documents its assessment, both at hedge inception and on an on-going basis, of whether the derivatives that are used in hedging transactions are effective in offsetting changes in cash flows of hedged items. The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in Other Comprehensive Income. The ineffective portion of changes in the fair value of the derivative is recognised in the Statement of Profit and Loss. Amounts accumulated in hedging reserve are reclassified to the Statement of Profit and Loss in the periods when the hedged item affects the Statement of Profit and Loss. The full fair value of a hedging derivative is classified as a current/ non-current, asset or liability based on the remaining maturity of the hedged item. When a hedging instrument expires, swapped, or unwound, or when a hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss existing in Statement of Changes in Equity is recognised in the Statement of Profit and Loss.

### **Offsetting financial instruments**

Financial assets and liabilities are offset, and the net amount reported in the Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously.

### **Fair value measurement**

The Company classifies the fair value of its financial instruments in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the Balance Sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs). When the fair value of unquoted instruments cannot be measured with sufficient reliability, the Company carries such instruments at cost less impairment, if applicable.

### **3.7. Employee Benefits**

Salaries and wages paid to employees is recognized as an expense at the undiscounted amounts in the Statement of Profit and Loss of the year in which the related service is rendered.

The Company does not have any policy for deduction of professional Tax, Provident Fund, ESIC and/or any other employee benefit plans.

### **3.8. Provisions**

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset, if it is virtually certain that reimbursement will be received, and the amount of the receivable can be measured reliably. Provisions for onerous contracts are recognized when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. Provisions for onerous contracts are measured at the present value of lower of the expected net cost of fulfilling the contract and the expected cost of terminating the contract.

### **3.9. Income Tax**

Income tax comprises current and deferred tax. Income tax expense is recognized in the Statement of Profit and Loss except to the extent it relates to items directly recognized in equity or in other comprehensive income

#### **Current Tax**

Current income tax liability/ (asset) for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the year. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the year. The Company off sets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

#### **Deferred Tax**

Deferred income tax is recognized using the Balance Sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in Standalone financial statements, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax asset is recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred income tax liabilities are recognized for all taxable temporary differences.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

### **3.10. Cash flow Statement**

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and items of income or expense associated with investing or financing cashflows. The cash flow from operating, investing and financing activities of the Company are segregated.

### **3.11. Revenue Recognition**

The Company derives revenue primarily from production of Advertisement Motion Films. Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company, and the revenue can be reliably measured regardless of when the payment is being made. Revenue excludes goods and service tax, sales tax and entertainment tax which are collected by the Company on behalf of the Government and deposited to the credit of respective Governments.

### **3.12. Dividend and dividend distribution tax**

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors. The Company declares and pays dividends in Indian rupees and are subject to applicable distribution taxes. The applicable distribution taxes are treated as an appropriation of profits.

### **3.13. Foreign Currency transactions and translations**

Transactions in foreign currency are translated into the respective functional currencies using the exchange rates prevailing at the dates of the respective transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at the exchange rates prevailing at reporting date of monetary assets and liabilities denominated in foreign currencies are recognized in the Statement of Profit and Loss and reported within foreign exchange gains/ (losses).

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

Foreign currency gains and losses are reported on a net basis. This includes changes in the fair value of foreign exchange derivative instruments, which are accounted at fair value through profit or loss.

### **3.14. Finance Income and Expense**

Finance income consists of interest income on funds invested, dividend income and fair value gains on the FVTPL financial assets. Interest income is recognized as it accrues in the statement of profit and loss, using the effective interest method.

Dividend income is recognized in the statement of profit and loss on the date that the Company's right to receive payment is established.

Finance expenses consist of interest expense on loans and borrowings. Borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method.

### **3.15. Earning Per Share**

In determining Earnings per Share the entity considers the net earnings after tax.

#### Basic Earnings per Share

Basic earnings per share is computed by dividing the net profit or loss attributable to equity share holders by the weighted average number of equity shares outstanding during the period, after giving effect for events including bonus issue, share split, buy back of shares and rights issue to the share holders.

#### Diluted Earnings per Share

For computing diluted earnings per share, the net profit or loss attributable to equity share holders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

### 3.16. Contingent Liabilities

A Contingent Liability is a possible obligation that arise from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognisable because it is not probable that an outflow of resources will be required to settle the obligation. The company does not recognise a contingent liability but discloses its existence in the financial statements.

The company has not made provision for above referred contingent liabilities in its financial statements. In view of the Management, the company is not liable to pay the penalty and has made representations to the Stock Exchange in this regards

### 3.17. Contingent Assets

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity. The Company does not recognize a contingent asset.

### 3.18. Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The standalone financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

### 3.19. Borrowing Costs

Borrowing costs include interest and amortization of ancillary costs incurred to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction /development of the qualifying asset up to the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

During the year company has not incurred any borrowing expenses

### 3.20. Rounding of amounts

All amounts disclosed in the standalone financial statements and notes have been rounded off to the nearest rupees as per the requirement of Schedule III, unless otherwise stated.

### 3.21. Goods & Service Tax

GST credit on materials purchased for production / service availed for production/ input service are taken into account at the time of purchase and GST credit on purchase of capital items wherever applicable are taken into account as and when the assets are acquired.

On periodical basis and as and when required, the Company reviews the carrying amounts of its assets and found that there is no indication that those assets have suffered any impairment loss. Hence, no such impairment loss have been provided in the Financial Year 2024-25(Previous Year Rs. Nil)

#### **27. Financial Instruments and Risk Management**

**Risk Management Framework** The Company's risk management is governed by policies and approved by the board of directors. Company's identifies, evaluates and hedges financial risks in close co- operation with the Company's operating units. The company has policies for overall risk management, as well as policies covering specific areas, such as - exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments.

The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee

27.1	Credit	Risk
<p>Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The Company maintains its cash and cash equivalents and bank deposits with banks having good reputation, good past track record and high-quality credit rating and also reviews their creditworthiness on an on-going basis. The maximum exposure to credit risk at the reporting date is primarily from trade receivables. Credit risk has always been managed by the company through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the company grants credit terms in the normal course of business. On account of the adoption of Ind AS 109, the company uses ECL model to assess the impairment loss or gain. The company uses a provision matrix to compute the ECL allowance for trade receivables and unbilled revenues. The provision matrix takes into account available external and internal credit risk factors and the company's experience for customers.</p>		

The Company reviews trade receivables on periodic basis and charges to profit and loss account when management feels the amount will not be receivable in future. The Company also calculates the expected credit loss (ECL) for non-collection of receivables.

27.2	Liquid	Risk
<p>Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. Management regularly monitors the position of cash and cash equivalents vis-à-vis projections. Assessment of maturity profiles of financial assets and liabilities including debt financing plans and maintenance of balance sheet liquidity ratios are considered while reviewing the liquidity position.</p>		

Exposure	to	Liquid	Risk
<p>The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.</p>			

**Market Risk**  
Market risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market factors. Market risk comprises two types of risks:

**Currency Risk**  
The functional currency of the Company is Indian Rupee. The Company is exposed to currency risk on account of receivables in foreign currency. Company is exposed to currency risk on account of receivables in foreign currency. The company does not have any unhedged foreign currency exposure as on 31/03/2025.

**Price Risk**  
As of 31st March 2025, the company has nil exposure on security price risks.

**Fair value measurement**  
Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed in their measurement which are described as follows:

- (a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.
- (c) Level 3 inputs are unobservable inputs for the asset or liability reflecting significant modifications to observable related market data or Company's assumptions about pricing by market participants.

The carrying amount of cash and cash equivalents, trade receivables, trade payables considered to be the same as their values due to their short term nature.
