Notes to the Unaudited financial results for the quarter ended 30th June 2022:

1. The Hon'ble National Company Law Tribunal ("NCLT"), Chennai Bench, admitted the Corporate Insolvency Resolution Process ("CIRP") application filed by a financial creditor of the Company and appointed an Interim Resolution Professional ("IRP"), in terms of the Insolvency and Bankruptcy Code, 2016 ("the Code") to manage the affairs of the Company vide order dated July 29, 2021 received by the Company on July 31, 2021. On an appeal filed by a director of the company, the Hon'ble National Company Law Appellate Tribunal ("NCLAT") has directed the RP to carry out the CIRP Proceedings and the next hearing has been listed for June 5, 2023.

In view of pendency of the CIRP, and in view of suspension of the powers of the board of directors, RP is taking on record the unaudited financial results. The RP has relied upon the assistance provided by the management in the review of the audited financial results and the representations, clarifications and explanations provided by the Managing Director, Chief Financial Officer, other directors, key management personnel of the Company in reviewing the unaudited financial results.

2. The Company's net worth is negative and the borrowings from banks and other financial institutions have been classified by the lenders as non-performing assets. All the banks and other financial institutions have also issued notice calling back the loans. Considering the above facts and since the promoters' Settlement proposal is also under negotiation, as in the previous periods, the Company stopped providing interest on the outstanding borrowings from banks and financial institutions and has not restated the foreign currency loans after the NPA date.

In the opinion of the management, in view of the OTS sought by the Company and the also due to the present developments at Hon'ble NCLT/ NCLAT, there will be no further interest liability on the Company from the NPA date.

Pending resolution of the above uncertainties, which depends upon the future events, the Company has prepared the financial statements on a going concern basis and has not considered any adjustment in the carrying value of non-financial and financial assets/ liabilities. This is a matter of qualification by the auditors.

3. A corporate insolvency resolution process (CIRP) and the appointment of resolution professional were admitted in the case of one of the major investees (Investment in Appu Hotels Limited) of the Company by the Hon'ble NCLT, Chennai Bench vide its order dated May 5, 2020. The carrying amount of the investments as at June 30, 2022 is Rs. 1,455.53 Lakhs.

The Hon'ble NCLT has passed an order approving the resolution plan submitted by one of the resolution applicants. Aggrieved by this Order, the investee has filed an application before the Hon'ble National Company Law Appellate Tribunal ("NCLAT") praying for quashing the order of the Hon'ble NCLT. The Hon'ble NCLAT has set aside the resolution plan approved and ordered to recommence the CIRP process, including the consideration of 12A application filed by the promoters of the investee company. On an appeal against the order of the Hon'ble NCLAT, the Hon'ble Supreme Court has heard the arguments of both the sides and reserved the case for judgement as on date.

The Promoter (of Appu Hotels Limited) has recently (on October 11, 2022) also given a proposal for settling the entire dues of the CoC members U/S 12A of the IBC code and the required funding has been arranged by way of deposits and Bank Guarantee. The proposal has been approved by the CoC with 100% voting in favour of the proposal and this fact has been submitted to the Hon'ble Supreme Court. The judgement is awaited.

Accordingly, in the opinion of the management, the Company will still be able to recover the entire carrying amount of the investments, even in the aforesaid CIRP conditions. Based on the above estimate made by the management, no adjustment has been made in the fair value of the investments in the aforesaid investee. This is a matter of qualification by the auditors.

4. Sugar Industry being seasonal in nature, the Quarterly results cannot be taken as an indicator of the full year's working results

5. Status of the CIRP Proceedings:

Corporate Insolvency Resolution Process (CIRP) of Dharani Sugars and Chemicals Limited (DSCL) was ordered by Hon'ble NCLT, Chennai vide orders in IA/976/2019 on 29th July 2019, and Mr. S. Rajendran was appointed as the Interim Resolution Professional ("IRP").

Upon appointment, IRP took control and management of DSCL and has taken efforts to keep it as a going concern. The word "management" used elsewhere in general refers to the previous management i.e., promoters whereas after commencement of CIRP the management of the corporate debtor vests with the IRP as per section 17 of IBC. IRP made a public announcement on 1st August 2021, intimating commencement of CIRP and calling upon creditors to submit their claims against DSCL. IRP collated all claims received and filed a report constituting Committee of Creditors (CoC) on 21st August 2021 and List of Creditors was published in the website, IBBI and reported to Stock Exchanges.

Further as per the e-voting results dated 22nd September 2022 CoC approved the appointment of Mr. Mahalingam Suresh Kumar, Insolvency Professional as Resolution Professional. The appointment was confirmed by Hon'ble NCLT, Chennai vide orders IA/1248(CHE)/2022 in IA/976/2019 dated 18th November 2022.

In light of the lenders intent of resolving the Corporate Debtor as a going concern basis, NARCL has offered to take assignment of debts of Consortium lenders and decide on the resolution of the corporate debtor suitably. The consortium lenders have already ran a swiss challenge process and are in the process of finalizing the assignment to NARCL, by which the NARCL will step into the shoes of majority of the COC and decide on the plans suitably. As the decision making on the plan is very crucial taking into consideration various factors, the lenders are seeking 60 days additional timeline to decide on the options either by themselves or through NARCL suitably.

Limited Review Report

On the Unaudited Financial Results for the quarter ended and three months ended June 2022 of M/s. Dharani Sugars and Chemicals Limited pursuant to the Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

The Interim Resolution Professional
M/s. Dharani Sugars and Chemicals Limited
Chennai

1. The Hon'ble National Company Law Tribunal ("NCLT"), Chennai Branch, admitted the Corporate Insolvency Resolution Process ("CIRP") application filed by a financial creditor of Dharani Sugars and Chemicals Limited ("the Company") and appointed an Interim Resolution Professional ("IRP") in terms of the Insolvency and Bankruptcy Code, 2016 ("the Code") to manage the affairs of the Company vide order dated July 29, 2021, received by the Company on July 31, 2021.

We were informed that the powers of adoption of this unaudited financial results vest with the RP, in view of pendency of the CIRP and suspension of the powers of board of directors.

2. We have reviewed the unaudited financial results of the Company for the quarter and three months ended June 30, 2022 which are included in the accompanying 'Statement of Unaudited Financial Results for the quarter and three months ended June 30, 2022' together with the notes thereon (the "Statement"). The Statement has been prepared by the Company's management pursuant to Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015"), as amended, which has been initialed by us for identification purposes. The Statement is the responsibility of the Company's management and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (IND AS) 34, "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India.

Our responsibility is to express a conclusion on the Statement based on our review.

3. We have conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain limited assurance that the unaudited financial information

4. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

5. We draw attention to the following matters:

- a) Note 2 to the Statement regarding the fact that all the banks and financial institutions have classified the borrowings of the Company as non-performing assets. All the banks and financial institutions have also issued notice calling back the loans. Considering the above, as in the previous periods, the Company has not (a) provided interest on the outstanding borrowings from banks and financial institutions and (b) not restated the foreign currency loans. In the opinion of the management, in view of the One Time Settlement ("OTS") of the loans sought by the Company, there will be no further interest liability on the Company from the NPA date.

We were also informed that on an appeal filed by a director of the company, the Hon'ble National Company Law Appellate Tribunal ("NCLAT") has directed the CIRP applicant and IRP to file return submission/ status report respectively and the next hearing has been listed for June 5, 2023.

Several uncertainties exist due to non-confirmation from the banks/ financial institutions for the outstanding borrowings as on June 30, 2022, present developments in CIRP and the expected timing of withdrawal of CIRP by the financial creditors/final approval of OTS proposal by the consortium banks. Due to the aforesaid uncertainties, we are unable to comment on (a) the appropriateness of the aforesaid reversal of interest, (b) the impact of the in certain inoperative bank accounts, and (c) adjustments, that may be required, in the carrying amount of the financial and non-financial assets/ liabilities of the Company.

- b) Note 3 to the Statement which explains that during June, 2020 quarter a CIRP was admitted and a resolution professional was appointed in the case of one of the major investees (Appu Hotels Limited) of the Company by the Hon'ble NCLT, Chennai Bench vide its order dated May 5, 2020. The carrying amount of the investments as at June 30, 2022 is Rs.1,455.53 Lakhs.

The Hon'ble NCLT on July 15, 2021 has passed an order approving the resolution plan submitted by one of the resolution applicants. In accordance with the approved resolution plan, no payment will be made towards any amount due to the promoters and their related group companies by the successful resolution applicant. In our opinion, considering the present developments, the entire investments held by the Company in the aforesaid investee is considered to be not recoverable as per the approved resolution plan.

Branch Office:

However, we were informed by the management that a major part of the assets of the investee comprises of land and commercial buildings (including a well-known brand name in the hotel industry), whose liquidation value is much higher than the total dues to its financial and operating creditors (including that of the Company) and the resolution plan approved is not in line with the actual value of the assets. The management has also confirmed that the resolution professional has not followed the due process of CIRP and accordingly, the resolution plan approved is not proper as per law. It was also informed to us that the investee has filed an application before the Hon'ble National Company Law Appellate Tribunal (NCLAT) praying for quashing the order of the Hon'ble NCLT and the resolution plan was stayed by the Hon'ble NCLAT and the judgement is reserved.

Accordingly, in the opinion of the management, the Company will still be able to recover the entire carrying amount of the investments, even in the aforesaid CIRP conditions. Based on the above estimate made by the management, no adjustment has been made in the fair value of such investments.

Due to uncertainties involved in the CIRP process as detailed above, the impact, if any, on the Statement are not presently determinable in respect of the above matter.

- c) As more fully described about the Material Uncertainty Relating to Going Concern in paragraph 6 below, there is a significant doubt on the Company's ability to continue as a going concern. We are unable to comment on the appropriateness of preparing the Statement on a going concern assumption and the impact, if any, arising out of the above matter is not presently determinable.
- d) Our opinion is modified in respect of matters referred in clauses 5 (a) to 5 (d) above. The matters referred in clause 5 (a) to 5 (d) have been qualified in limited review reports of earlier quarters as well as the independent audit opinion issued by previous auditors for the earlier years.

Material uncertainty relating to Going Concern

The Company has very minimal operations during the quarter ended June 30, 2022. The Company has incurred huge losses during the period under consideration and also during the earlier periods/ years, due to which the Company's net worth is negative. The Company's ability to continue as a going concern depends on the possible decisions that may be taken on CIRP/ CIRP and further inflow of funds for the working capital requirements of the Company. All the above matters materially depend on future events. The above factors cast a significant doubt on the Company's ability to continue as a going concern. Pending resolution of the above matters, the Company has prepared the aforesaid Statement on a going concern basis.
