Punjab: 5 arrested after another explosion near Golden Temple

AMRITSAR, MAY 11 /--/ Five persons were arrested on Thursday in connection with the low-intensity blast incidents near the Golden Temple here, hours after another explosion took place in the area, police said.

In less than a week, three explosions have taken place in the city. The third explosion occurred on Wednesday midnight in Galiara, the pathway and park around the Golden Temple, behind Guru Ramdas Ji Niwas (inn) building, police said. A low-intensity explosion had taken place on a heritage street near the shrine on May 6. The second one occurred in the area in less than 30 hours after the first blast. A special investigation team will be formed to further investigate the matter, said Punjab Director General of Police (DGP) Gauarv Yadav while addressing the media here.

The motive behind the explosions is yet to be ascertained, Yadav said, adding whether the arrested five persons were a self-radicalized module or worked at the direction of some other persons will also be investigated. Police identified the accused as Azadvir Singh, Amrik Singh, Sahib Singh, Harjit Singh and Dharminder Singh. Azadvir, resident of Amritsar and Amrik, resident of Gurdaspur, were the main perpetrators while Sahib, Harjit and Dharminder, residents of Amritsar, were the persons who sourced and supplied the explosives, the DGP said. Yadav further said police also recovered 1.10 kg low-intensity explosive, which is normally used in firecrackers.

"We will investigate the entire deep-rooted conspiracy behind this and examine all the associates of the arrested people, in India and abroad. We will get to the bottom of it," said the DGP who was accompanied by special DGP R N Dhoke and other officers. Amrik's wife was also being questioned and her role was being examined, said the DGP. A case has been registered under relevant sections of the Explosives Act, the Unlawful Activities (Prevention) Act (UAPA) and under section 120B of the Indian Penal Code. The DGP also appreciated and thanked the Shiromani Gurdwara Parbandhak Committee (SGPC) for their cooperation in nabbing the accused.

SGPC chief Harjinder Singh Dhami earlier in the day had said that it was the SGPC employees who first noticed the blast in the 'Galiara' and also pinpointed the place from where the explosive material was thrown. Dhami said the SGPC employees traced a suspect through CCTV footage installed in the Guru Ramdas Ji Niwas (inn) building and later they handed him over to police. The explosive material was thrown from the washroom located on the second floor of the building. Sharing more details, DGP Yadav said the first IED (improvised explosive device) was assembled in the bathroom of the 'sarai' (inn) on May 6 and it constituted 200 grams of explosive in two energy drink cans. A metallic tiffin box was also filled with the same explosive material. (PTI)

Haryana CM announces monthly assistance for patients suffering from rare diseases

CHANDIGARH, MAY 11 / --/ Haryana chief minister Manohar Lal Khattar on Thursday announced a monthly assistance of Rs 2,750 for patients suffering from 55 rare diseases, benefitting close to 8,000 people.

Khattar was taking part in a state-level programme in Yamunanagar during which he inaugurated 46 health institutions in 17 districts. During the programme, he announced the monthly assistance of Rs 2,750 for patients suffering from 55 rare illnesses such as Pompe disease, Duchenne muscular dystrophy and spinal muscular atrophy, according to a statement issued here. The state government already provides pension benefits to patients suffering from thalassemia, hemophilia, and Stage-III and Stage-IV cancer. The latest announcement adds 55 rare diseases to the list with the government making a budget provision of Rs 25 crore for the puroise, according to the statement. Around 8,000 patients will be able to get the financial benefit, the statement added.

Sharing government data on such patients, Khattar said 3,000 people are suffering from thalassemia and hemophilia, 4,000 have Stage-III and Stage-IV cancer and about 1,000 suffer from 55 other rare diseases, who will now receive the pension. "These inaugurations and the financial assistance announced for the patients will certainly play a pivotal role in further strengthening the health infrastructure along with providing the best health care facilities to every citizen," Khattar said. During the programme, the chief minister inaugurated the 275-bed Mukand Lal District Civil Hospital in Yamunanagar, constructed at a cost of Rs 100 crore. The chief minister also inaugurated health institutions in Bhiwani, Karnal, Fatehabad, Rohtak, Kaithal, Faridabad, Palwal, Sirsa, Panchkula, Nuh, Charkhi Dadri, Jind, Yamunanagar, Hisar, Gurugram, Narnaul and Kurukshetra.

A district civil hospital, two sub-divisional civil hospitals, three community health centres, an urban health centre, a mother and child hospital, eight primary health centres, 15 health and welfare centres and 15 sub-health centres were also thrown open to the public. "Time and again the present state government has given a lot of emphasis on strengthening the health care system. Along with increasing the budget for the health sector every year, with several patient-friendly and people-friendly initiatives to fortify the health care sector, we have ensured that everyone should get state-of-the-art facilities at affordable prices. "Not only this, special attention is being paid towards increasing the number of doctors," he said.

Khattar added that according to World Health Organisation norms, the strength of doctors in Haryana should be 28,000 but the figure is at 13,000, including government and private ones, at present. "When our government was formed in 2014, the number of MBBS seats in Haryana was only 750. With the opening of new medical colleges, now these seats have become 1,900. Also, now seven medical colleges are either under construction or have been announced. "After their construction (is completed), the number of MBBS (seats) will increase to more than 3,000. Besides this, the strength of paramedical staff and nursing staff is also being increased," he said. The chief minister said a new medical college and an Ayurvedic college will be constructed in Panchkula shortly. (PTI)

Chhattisgarh CM says ED trying to implicate him in alleged liquor scam

RAIPUR, MAY 11 /--/ Chhattisgarh chief minister Bhupesh Baghel on Thursday accused the Enforcement Directorate (ED) of trying to implicate him in the alleged liquor scam in the state.

The ED has been acting as an agent of the Bharatiya Janata Party, Baghel claimed while talking to reporters at the Police Lines helipad in Raipur. "Our claim that the ED has been acting as an agent of the BJP has proved right. The way it has been threatening people to implicate them in false cases, they are now trying to implicate me in the alleged excise scam. Their main aim is to defame the Congress government," he said. The BJP has failed to take on the Congress government, so it is misusing the ED as its "subordinate organisation," the chief minister claimed. The chief minister asked why the ED was not taking action against distillers if they had accepted that they were selling liquor without paying the excise duty. "The ED has continuously released press statements stating that distillers were selling liquor without paying the excise duty in the state. Now the question arises that if they were doing so, then will they become offenders or witnesses? Why action was not taken against distillers as they (illegally) got the benefit and have accepted it," he said. The way things have surfaced in the media trial, action should have been taken against them (distillers) but instead of them, others are being arrested, Baghel said. "It clearly shows there is a nexus between the ED and distillers or between the BJP and distillers..it seems the BJP is trying to save distillers. The state's Anti-Corruption Bureau will take cognisance of it and act accordingly," he said.

The chief minister further said his government has been discussing the issue with legal experts as "scheduled" offences like extortion and corruption in the state do not come under the ED's jurisdiction. "The ED has been acting like local police in the state which is against the spirit of federal structure. Our legal experts have informed us that the investigation into scheduled offences like extortion and corruption does not come under the ED's jurisdiction. We have been discussing with legal experts all illegal actions taken by the ED officials and will soon take action against it," Baghel stated. The ED had in a statement said a "massive scam" happened in liquor trade in Chhattisgarh by a syndicate, comprising high-level state government officials, private persons and political executives, that generated corruption money of more than Rs 2,000 crore. Two persons, including Congress leader and Raipur Mayor Aijaz Dhebar's brother Anwar Dhebar, were arrested in the alleged liquor scam case recently.

The ED has made two fresh arrests of a hotel trader and liquor businessman in the Rs 2,000 crore alleged liquor syndicate scam, official sources said Thursday. Nitesh Purohit, promoter of Giriraj hotel located in state capital Raipur, was arrested on Wednesday noon while Pappu Dhillon was arrested on Thursday, they said. The agency told the court on Wednesday that Purohit was allegedly "aware of the illegal operations of Anwar Dhebar and willingly assisted him in movement of proceeds of crime to Anil Tuteja (an IAS officer of Chhattisgarh cadre)" and another person. Dhebar was also produced by the agency before a special Prevention of Money Laundering Act (PMLA) court in Raipur on Wednesday at the end of his four-day remand period, and the court later extended his custody by five more days, the sources said.
