The IDC has perused the Open Offer Documents and the certificate dated June 29, 2025, issued by G. K. Choksi & Co., Chartered Accountants, certifying the computation of the Offer Price and has considered the following reasons for making the recommendation in paragraph 11 above:

(a) The Offer Price is higher than the negotiated price for acquisition of Equity Shares by the Acquirer under the share purchase agreements, i.e., INR 1,600 (Indian Rupees one thousand six hundred only) per Equity Share;

(b) The Offer Price is equal to the volume-weighted average market price of the Equity Shares during the period of 60 (sixty) trading days immediately preceding the date of the PA (i.e., from April 1, 2025 to June 27, 2025), as traded on the National Stock Exchange of India Limited (the stock exchange with maximum volume of trading during such period), i.e., INR 1,639.18 (Indian Rupees one thousand six hundred thirty nine and eighteen paise only) per Equity Share; and

(c) The Offer Price (being the highest price prescribed amongst the selective criteria) has been determined in accordance with Regulation 8(2) of the SEBI (SAST) Regulations.

However, the members of the IDC draw attention of the Eligible Shareholders to the closing market price of the Equity Shares on the National Stock Exchange of India Limited and BSE Limited as on November 10, 2025, being INR 1,813.30 (Indian Rupees one thousand eight hundred thirteen and thirty paise only) per Equity Share and INR 1,813.40 (Indian Rupees one thousand eight hundred thirteen and forty paise only) per Equity Share, respectively, which is higher than

the Offer Price. The Eligible Shareholders of the Target Company are advised to independently evaluate the Open Offer and the market performance of the Target Company's scrip and take an informed decision about tendering the Equity Shares held by

them in the Open Offer. This statement of recommendation will be available on the website of the Target Company at www.jbpharma.com
