**Independent Auditor's Review Report on Unaudited Financial Results of the Company for
the quarter and half year ended September 30, 2025**

To,
The Board of Directors,
Thakral Services (India) Limited.

Introduction

1. We have reviewed the accompanying Statement of Unaudited Financial Results of M/s. **Thakral Services (India) Limited ("the Company" / "TSIL")** for the quarter and half year ended September 30, 2025 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).
2. The Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ("Ind AS 34"), prescribed under section 133 of Companies Act, 2013 ("the Act") read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

Scope of Review

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", Issued by the Institute of Chartered Accountants of India (ICAI). A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Qualified Conclusion

4. The Company has been served with a recovery order from EPFO amounting to Rs. 60.36 Lakhs against which the Company has obtained an Interim Stay from the High Court of Karnataka by depositing Rs. 10.00 Lakhs in October 2023. Pending management evaluation of legal positions and possible cash outflow, we are unable to comment on the adjustment if any required and its consequential impact on the Unaudited Financial Results.
5. The Company has obtained interest-free loans and have an outstanding amount of Rs. 807.41 lakhs as on September 30, 2025. As per Ind AS 109 'Financial Instruments', the Company must

2nd Floor, 'Khivraj Mansion', No.10/2, Kasturba Road, Bengaluru - 560001

email: hitesh@ksrao.in

Head Office: Hyderabad | Branches: New Delhi, Chennai and Vijayawada

recognize interest free loan at amortized cost by discounting the interest free loan and amortize the interest expense over the loan period by applying the effective interest rate. However, the Company has not been accounted for any Ind AS adjustment as per Ind AS 109 in the statement. Accordingly, we are unable to comment on the same.

Notwithstanding the above, the Company has prepared its Unaudited Financial Results on Going concern basis.

Qualified Conclusion

6. Based on our review conducted above, except for the possible effects of the matters described in the **Basis for Qualified conclusion** paragraph above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under Section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Going Concern

7. We draw attention to Note 4 of the financial results, that the Company has accumulated losses of Rs. 1286.76 Lakhs as on September 30, 2025, and its net worth has been fully eroded which indicates that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. The Company's current business operation has been transferred to Thakral Innovation Private Limited effective from October 01, 2023; however, the management is of the view that with the future new business prospectus, the operations of the Company will improve. Further, the management has obtained support letters from the shareholders and the lenders to support the operations and meet the liabilities of the Company as and when needed. Accordingly, management has prepared the Unaudited Financial Results on going concern basis.

Our Conclusion is not modified in respect of this matter.
