Sub: Clarification on price movement in the equity shares of IEC Education Limited

Dear Sir / Madam,

With reference to your email bearing reference no. L/SURV/ONL/PV/AJ/2025-2026/3283 dated 09.01.2026 regarding the movement in the price of the equity shares of IEC Education Limited (“the Company”), we wish to submit the following clarification.

The Company confirms that it has been regularly complying with the requirements of Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and has promptly disclosed all material events and information which may have a bearing on the operation or performance of the Company.

At present, the Company is not in possession of any unpublished price sensitive information, including any impending announcement, corporate action, or material development, which in our opinion could have resulted in the movement in the price of the Company’s equity shares.

The movement in the share price appears to be driven by market conditions and factors beyond the control of the Company.

The Company shall continue to comply with the applicable disclosure requirements and will promptly inform the Exchange of any material information, if and when such events occur.

We trust the above clarification is sufficient.

Thanking you.

Yours faithfully,
For IEC Education Limited
