Sub: Clarification on Price movement.

Dear Sir / Madam,

This is with reference to your e-mail dated June 13, 2025 seeking clarification regarding movement in price of the Company's shares in recent past.

In this regard, we wish to inform you that the Company is prompt in making all the material disclosures as specified in Part A of Schedule III of Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and we confirm that there is no undisclosed information or development that may have a bearing on the share price.

Recently, the Company undergone a Rights Issue in compliance with SEBI (ICDR) Regulations, 2018 and all other applicable laws. All relevant disclosures—including Board approvals, filing of the Letter of Offer, record date, issue period, allotment, and post-issue filings (in process)—have been duly made to BSE.

The observed price movement appears to be driven by positive investor sentiment, particularly from shareholders who missed participating in the Rights Issue and are now purchasing shares in the open market.

We remain committed to full regulatory compliance and transparent disclosure. Should you require any further information, we are happy to assist.

Therefore, we feel that the price movement in the scrip of the Company is purely due to the market conditions.

This is for your information and record.

Thanking you,

Yours sincerely,
For **Zodiac JRD-MKJ Limited**,
