

Wonderla launches Bangalore's Newest Boutique Premium Aqua-Retreat, 'The Isle by Wonderla'

Redefining experiential stays, The Isle by Wonderla offers tropical-style cottages, immersive wellness, waterside serenity, and pet-friendly amenities.

Bengaluru, June 13, 2025: Wonderla Holidays Ltd. today announced the launch of ***The Isle by Wonderla***, a serene boutique retreat amidst water, located adjacent to the Wonderla Bengaluru campus. Spread across 4.5 acres, the 39-key resort features a mix of private pool cottages, glamping tents, hammock suites, and nature-led amenities like a treehouse, luxury spa, and pet-friendly access. Developed with an investment of about ₹39 crores, The Isle is positioned as a premium experiential offering designed for urban families, long-stay guests, weddings, and corporate retreats. Seamlessly combining entertainment, stay, and nature under one brand ecosystem, The Isle reflects Wonderla's strategic intent to enhance its park experience through integrated hospitality, as a thoughtfully curated extension aligned with global leisure benchmarks and evolving Indian travel behaviour.

At a Glance: The Isle by Wonderla

- Spread across **4.5 acres**, The Isle by Wonderla is a boutique nature retreat offering **39 themed stays** priced at 10,000 onwards. Guests can choose from **private pool or hammock cottages, lagoon-view decks, glamping tents, and starlight rooms**; each designed with sustainable materials and a design language that invites relaxation and discovery.

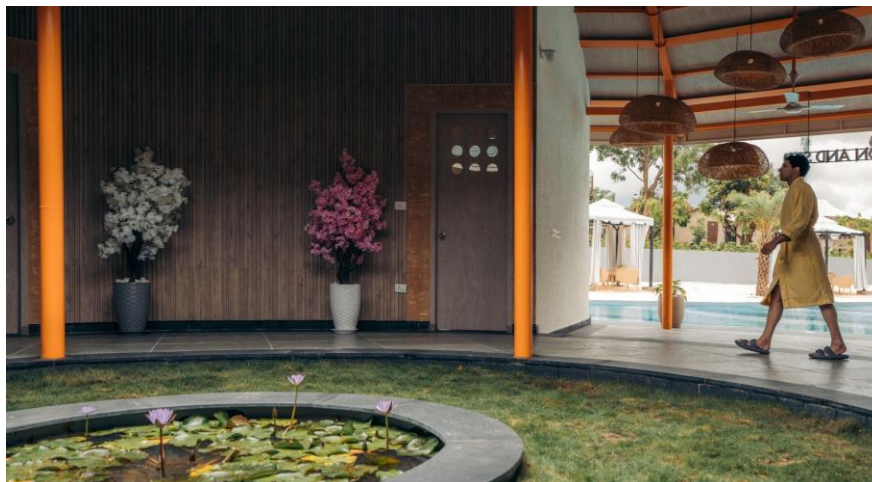

- Culinary highlights include **Spice Cove**, a 62-seater open multi-cuisine restaurant with a focus on pan-asian specialities, built for communal dining, and 24x7 in-room dining service.

- The property also features **Oasis**, a tranquil poolside bar where guests can dip their feet in the water while enjoying handcrafted wine cocktails and light bites—blending relaxation with indulgence.

- Wellness seekers can unwind at the **Therapy Tree Spa**, with dedicated treatment rooms for men, women, and couples. Signature therapies inspired by local ingredients and traditions.

- Signature amenities include a **pet-friendly park**, a **romantic tree house**, a **lively campfire courtyard**, **temperature-controlled pools**, and **flowing-water all around**.
- The resort's immersive environment was conceptualized by **Reshma Karmarkar**, CEO and Chief Architect and her team at **Design Matters**—a celebrated architect known for award-winning hospitality spaces across India. Rooted in harmony with nature, the **property's master plan** was designed to preserve the land's natural character while enhancing guest comfort.
- Sustainability is woven into every detail**—from reducing the original lagoon pool's water requirement by 31% (down to 10 lakh litres) to installing **closed-loop water reuse systems** and transplanting mature trees from the site to frame a naturalistic artificial beach.

Speaking on the launch, **Arun K. Chittilappilly, Executive Chairman & Managing Director, Wonderla Holidays Ltd.**, said, *"The Isle by Wonderla represents both a strategic evolution and a personal milestone as we mark 25 years of Wonderla. Our parks have become synonymous with high-energy entertainment and shared joy, but we've also recognised a rising demand for more personal, nature-rooted experiences. Located just outside Bengaluru, The Isle addresses this gap by offering an immersive, serene escape within reach of the city. Around the world, leading leisure destinations offer*

stay experiences that extend the magic beyond the gates. We're proud to pioneer such a model in a uniquely Indian context- designed for our guests, rooted in our values, and built for today's lifestyle. It's not just a new offering; it marks the beginning of a new chapter for Wonderla; one where leisure meets mindfulness, and where joy slows down."

Adding further, **Dheeran Choudhary, Chief Operating Officer at Wonderla Holidays Ltd.**, said, *"With The Isle by Wonderla, we set out to create a stay experience that is immersive, intentional, and truly reflective of changing guest expectations. This 4.5-acre retreat offers something rare: the proximity of Bangalore with the atmosphere of a faraway sanctuary. Whether it's lounging in a private plunge pool, stargazing through starlight rooms, catching the sunset at the treehouse, or dining in our open restaurant—every element is designed to evoke calm, curiosity, and comfort. Glamping tents, hammock cottages, curated campfire evenings, and pet-friendly spaces, makes The Isle by Wonderla a complete experience and not just an accommodation."*

Set beside the established Wonderla Resort, one of TripAdvisor's top-rated properties in Bengaluru, *The Isle by Wonderla* adds a new dimension to Wonderla's hospitality ecosystem. With over 43 million guests served, Wonderla is synonymous with innovation, guest safety, and unforgettable experiences. *The Isle by Wonderla* marks a new chapter in this journey—blending nature, luxury, and imagination like never before.
