The above un-audited standalone financial results have been prepared as per format prescribed in Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended. 4. The Company carries on its business in four reportable segments viz Financial Services (recovery of loans and advances), trading, rent on premises and others. Others include marketing of the insurance products of life and general insurance companies. The segment reporting of the Company has been prepared in accordance with Ind AS 108 'Operating Segments' prescribed under section 133 of the Companies Act, 2013, read with relevant rules thereunder. The Company has presented the operating segments information on the basis of un-audited Consolidated Financial Results. 5. Other income includes dividend income, interest income, unwinding interest income on financial assets and Fair value gain/(loss) on financial assets, Profit on sale of property, plant and equipment. 6. The Company during the Financial year 1991-92 had paid an advance to Mr Hiten P Dalal, Stock Broker, amounting to Rs. 280.56 Lakhs towards purchase of securities for its investment purposes, which was required for maintaining SLR required to be maintained against Public Deposits. The stock broker, however, failed to give the delivery of those securities and in the interim had delivered MTNL bonds having face value of Rs.100 Lakhs in part satisfaction of the amount paid. The stock broker got involved in the security scam during that period. MTNL bonds were sold by the Company and it realized Rs. 84 lakhs along with interest of Rs.5 lakhs. The Company had followed up for the delivery of the securities for the balance amount and approached the Special Court (Tribunal of offences relating to Transaction in Securities) Act, 1992 of Mumbai, for getting justice and recovery of the dues. The Special Court in the interim held that, the company had to make good the investment sold by depositing of equal amount of securities, in respect of which the Company had deposited the ITI Bonds (tax free) of the face value of Rs.100 lakhs with the Special Court. The company in view of lengthy proceedings without much progress and continuing litigation, had written off the balances due in the earlier years, including the amount advanced with interest up-to certain date which included the value of the Bonds deposited with the Special Court. During the Year 2021-22, the Company had received Order dated 4th December, 2021 from the Special Court upholding company's claim. The Company thereafter filed execution petition for recovery of amounts as aforesaid and has received an amount of Rs. 652.18 Lakhs on May 18, 2022 towards amount deposited with Special Court. The Company in the financial year 2021-22, had recognized the above amount recovered as income of exceptional nature under prudence. The Company is pursuing the recovery of the balance amount due as per the Order of the Special Court. The Company will recognize the revenue arising out of remaining part of the Order in the year in which the amount will be recovered as it cannot be quantified now. The Stock Broker had also filed miscellaneous petition in the interim requesting the Special Court to recall the money already paid to the Company, which has been rejected by the Special court vide its order dated March 17, 2023. The stock broker has filed appeal in the Hon'ble Supreme Court against the said order along with the interim stay of the said final order. The Hon'ble Supreme Court vide its order dated January 03, 2023 admitted the matter and dismissed the interim application for stay. The matter is yet to be listed for further hearing. The management is of the opinion that the said Order has attained logical conclusion on completion of legal proceedings with the special court and the amount received in respect of which income has already been recognised, has achieved finality and expects that the Hon'ble Supreme Court will follow the Order of Special Court and does not expect any outflow in this regard. 7. The actuarial gains/losses and disclosure of re-measurement gains (losses) on defined benefit plans are arrived at the year end on actuarial valuation of the obligation by the gratuity fund. 8. The Company does not foresee any diminution in the value of investments and the provisions made in the books are adequate and the management is hopeful of recovery of the same at the stated values. 9. The Company has not recognised Deferred Tax Assets arising on provision for doubtful debts (net of deferred tax Liabilities) as a matter of prudence. 10. The Company has prepared its accounts on 'going concern basis', in view of networth being positive with positive cashflows following the successful implementation of the scheme of arrangement sanctioned by the Hon'ble High Court of Karnataka and the Company's foray into fee based activities, rentals from investment properties, gains from dealing in trading of shares and securities. 11. The company had opted for Direct Tax Vivad Se Vishwas (DTSV) Scheme 2024 in order to resolve the tax dispute pertaining to the additions done while arriving at book profit under Section 115JA of the Income Tax Act for the Assessment year 1998-99. In this regard, the company had filed application on December 28, 2024, under the DTSV Act, 2024, regarding income tax demand for the assessment year 1998-99. In response, the authorities have determined the tax liability and demanded tax of Rs.113.53 lakhs in Form 2, which has already been deposited by the Company on 18.01.2025. Accordingly, the company in the financial year 2024-25 had accounted for the provision for the aforementioned tax amount in the books of accounts on prudence. 12. There are numerous interpretative issues till now relating to the provision for the aforementioned tax amount in the books of accounts on prudence. 13. The Indian Parliament has approved the Code on Social Security, 2020 (Code) which may impact the contribution by the Company towards Provident Fund and Gratuity. The effective date from which the Code and its provisions would be applicable is yet to be notified and the rules which would provide the details based on which financial impact can be determined are yet to be framed. The Company will complete its evaluation and will give appropriate impact, if any, in the financial results following the Code becoming effective and the related rules being framed and notified. 14.
