INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT

Auditor's Report On Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To Board of Directors of

Samtex Fashions Limited

We have reviewed the accompanying statement of unaudited Standalone Financial Results of SAMTEX FASHIONS LIMITED ("the company") for the quarter ended on September 30th, 2025 ('the Statement') attached herewith, being submitted by the Company pursuant to the requirement of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended ("Listing Regulations"). This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Basis of Qualified Conclusion:

- i. Originally the plant of the company was setup at NSEZ, Noida which was later on shifted outside NSEZ during the FY 2017-18 and in march 2019 the company further changed its business premises from time to time and since then no manufacturing activity has been carried on. The Company is required to determine impairment in respect of fixed assets, However the Company has not done impairment testing. In the absence of any working for impairment of the fixed assets as per Ind AS 36, the impact of impairment, if any on the financial statements is not ascertainable. The depreciation has not been charged on its property, plant and equipment during the quarter ending 30th September, 2025.

- ii. Balance of debtors are outstanding from long period and are subject to confirmation and consequential effect if any on the financial statements remains uncertain. The trade receivables of the company could not be verified as the confirmation of balances have not been provided and made available to us. Trade receivables outstanding as on 30.09.2025 which are long overdue and not provided for. Allowance for expected credit loss have not been recognized on these financial assets. The company has neither carried out impairment exercises of Trade Receivables nor provided for the same and recognized the same as non-current assets since long outstanding. In the absence of recovery and confirmation from the party, we are unable to comment on the recoverability and consequential impact of reconciliation and adjustment arising there from in the results, if any, is not ascertainable.
- iii. The company has not followed the treatment for recognition and re measurement of employee benefit costs as detailed in the Ind As 19.

Material Uncertainty Related to Going Concern

The company has accumulated losses and net worth of the company is continuously eroding. The company has incurred a net loss during the current and previous year(s) and the current liabilities exceeds its current assets. Moreover, no business activity has been undertaken throughout the year and earlier years. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a going concern. However, the financial statements of the company have been prepared on a going concern basis.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern and therefore the company may be unable to realize its assets and discharge its liabilities in the normal course of business. As a result of ongoing matters, we are unable to determine as to whether any adjustment that would have been necessary and required to be made in respect of trade receivable, trade payables, borrowings, current liabilities, loans and advances and contingent liabilities as at 30th September, 2025 and in respect of the corresponding possible impact of such items and associated elements on the statement for the year ended on that date, should the group be unable to continue as a going concern. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying consolidated financial statements. However, the financial statements of the group have been prepared on a going concern basis.

INDEPENDENT AUDITOR'S LIMITED REVIEW REPORT

Auditor's Report On consolidated unaudited quarterly and year to date financial results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of
Samtex Fashions limited

We have reviewed the accompanying Statement of Consolidated Unaudited Financial Results of **M/s Samtex Fashions Ltd** ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group"), and its share of the net profit/(loss) after tax and total comprehensive income / loss of its associates and joint ventures for the quarter ended 30th September 2025 ("the Statement"), being submitted by the Parent pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

This Statement, which is the responsibility of the Parent's Management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

The Statement includes the results of the following entities:

- i. M/s SSA International Ltd (along with its wholly owned subsidiary M/s Lina Global INC).
- ii. M/s Arlin Foods Ltd

Based on our review conducted and procedures performed as stated in paragraph 3 above nothing has come to our attention (other than basis of qualified conclusion and emphasis of matter mentioned below) that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty to Going Concern:

The Group has made losses during the current year and the preceding year. As a result of the losses, the liquidity position of the group has been substantially affected, the net worth of group has fully eroded and group's current liabilities exceeded its current assets as at the balance sheet date, adversely affecting the operations of the group. Moreover, no business activity has been undertaken throughout the year, indicating the existence of uncertainty about the ability of the group to continue as a going concern.

These conditions indicate the existence of a material uncertainty that may cast significant doubt on the group's ability to continue as going concern and therefore the group may be unable to realize its assets and discharge its liabilities in the normal course of business. As a result of ongoing matters, we are unable to determine as to whether any adjustment that would have been necessary and required to be made in respect of trade receivable, trade payables, borrowings, current liabilities, loans and advances and contingent liabilities as at 30th September, 2025 and in respect of the corresponding possible impact of such items and associated elements on the statement for the year ended on that date, should the group be unable to continue as a going concern. The ultimate outcome of these matters is at present not ascertainable. Accordingly, we are unable to comment on the consequential impact, if any, on the accompanying consolidated financial statements. However, the financial statements of the group have been prepared on a going concern basis.

Basis of Qualified Conclusion

- i. The wholly owned subsidiary M/s SSA International Ltd has defaulted in repayment obligations towards banking institutions.. As per the explanation and information furnished to us, the management was not in position to estimate or calculate the interest payable on debts due to bankers as since past many years they have not received any account statement or other relevant documentation from the bankers. Moreover the subsidiary company (M/s SSA International Ltd is of the opinion as per the Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, The policy of income recognition has to be objective and based on the record of recovery. Internationally income from non-performing assets (NPA) is not recognized on accrual basis but is booked as income only when it is actually received. Therefore, the banks should not charge and take to income account interest on any NPA. On an account turning NPA, banks should reverse the interest already charged and not collected by debiting Profit and Loss account, and stop further application of interest. Correspondingly the company has not recognized the interest expenses. However the non-recognition of interest expenses is not in accordance with Ind AS on borrowing costs requirement. In absence of information, we are not able to comment upon impact, if any. However, following the RBI Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances, the company has not made provision for interest on debts due to bankers after adjudication by DRT.
- ii. The wholly owned subsidiary M/s SSA international Ltd had received notice of sale of assets situated at Samalkha, District, Panipat Haryana from IDBI Bank and further the company has informed that it has come to their knowledge through newspaper advertisement that the consortium member banks have executed auction of its assets at Samalkha plant and further notice of sale of asset situated at industrial Plot No. 11, Mandideep Industrial Area, Phase-II, Village Mandideep, Tehsil-Goharganj, District Raisen Madhya Pradesh has also been received from various consortium member banks and National Asset Reconstruction Company Ltd (NARCL). However, in absence of any information regarding the sale of assets i.e. detail of assets sold by bank, value at which the said sale transaction has been undertaken, bank wise utilization of amount received against said sale, the company has not taken into consideration the said transaction while preparing its financial results as on 30.09.2025 and had the company recorded the said transaction the value of property plant and equipment along with depreciation charged would not have been charged and instead profit and loss on disposal of fixed asset need to provide for and the amount owed to the financial institutes would also reduced with the amount received on account of said auction sale. Further there would arise profit or loss on sale of assets and taxation implication on said transaction which will ultimately results in increase or decrease in current year profit/ loss as well as accumulated losses. Further it has come to our knowledge that similarly the consortium bankers have executed sale of assets of directors/ guarantors mortgaged with them during the year as well as earlier years and adjusted the amount received on said auction sale with amount owed by the company to the financial institutions, however the company has not recorded the effect of such transaction in its financial results.
