Limited Review report to the Board of Directors of Aplab Limited

We have reviewed the accompanying statement of unaudited financial results of Aplab Limited for the period ended 31st December 2021. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Based on our review performed as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other accounting provisions and practices has not disclosed the information required to be disclosed in terms of Paragraph 29 of the SRE (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

We express our observations in the following manner:

- The Company has incurred a Loss of Rs.2088.56 Lakhs during the nine months period ending December 2021. To the extent of the Company's total paid-up capital the maximum amount negative can be carried forward from its earlier years. The position reflects Company's difficulty, due to lockdown measures, to generate adequate funds to repay all overdue debts with interest, retain timely liquidity payments, which it expects and provides adequate funds for the operations.
- The company has outstanding the statutory dues of TDS, PF, ESI and reported employees Provident fund due at the period end. Some of the reported employees have filed court cases against the company for recovery of their dues.

- c. We invite attention to Note No. 7 & 8 to the Standalone Financial Results regarding the uncertainties arising out of the outbreak of COVID-19 pandemic and assessment made by the Management on its business and financials, including valuation of assets, Contractual and Contingent Liabilities for the period ended 31st December, 2021. This assessment and the outcome of the pandemic is as made by the Management and is highly dependent on the circumstances as they evolve in the subsequent periods and also they are highly uncertain. Uncertainties about severity and duration of the pandemic may impact reduction in carrying value of these financial assets, the financial position and going concern ability of the Company.

Our conclusion is not modified in respect of this matter.
