II. Audit qualification (each audit qualification separately)

Details of Audit Qualification:

- i. According to the SA 505 "External Confirmation" and SA 501 "Audit Evidence" issued by the ICAI, balances with respect to trade receivables, trade payables, Inter-corporate deposits for validating outstanding balances during the quarter are subject to confirmation. Accordingly, we have not received sufficient and appropriate confirmation from all parties for confirming balances and transactions. Hence, we are unable to comment on the completeness and valuation of these balances in respect of the quarter ended December 31, 2024.
- ii. According to the SA 505 "External Confirmation" and SA 501 "Audit Evidence" issued by the ICAI, balances with respect to banks for validating outstanding balances during the year are subject to confirmation. Accordingly, we have sent a total of 5 bank confirmations for confirming closing balances amounting to INR 88,675.76/- as on December 31, 2024. However, we have not received sufficient and appropriate confirmation from 5 banks for confirming balances amounting to INR 88,675.76/-. Hence, we are unable to comment on the completeness of these balances in respect of the quarter ended December 31, 2024.

- iii. According to the SA 501 "Audit Evidence" issued by the ICAI, balances with respect to banks for validating outstanding balances during the year are subject to confirmation. Accordingly, we have not received bank statements of 4 bank accounts to validate the transactions conducted in the same and having closing balances amounting to INR 88,675.76/- as on December 31, 2024 as per Books of accounts. Hence, we are unable to comment on the completeness and valuation of these transactions and balances in respect of the quarter ended December 31, 2024.
- iv. The company did not have an effective interface and systems in places related to various functional software of Sales/Revenue, Inventory Management, accounting software and other key areas of the organization resulting in accounting entries and inventory registers being made manually on for the quarter ended December 31, 2024, which might lead to risk of misstatement.
- v. The Company has not taken into consideration the implication of additions on account of Section 43B(h) of the Income Tax Act specifically covers any sum payable by the assesses to micro or small enterprises (MSEs). This section ensures that MSEs receive timely payments within the stipulated time as determined by the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006 hence we are unable to comment on the impact of the same on the income tax provision.
- vi. During the Q1FY25 quarter, the company created a provision of INR 67.66 crores against its outstanding financial assets, including INR 57.04 crores against loans and advances and INR 10.62 crores against trade receivables. In the Q2FY25 quarter, the company reassessed the recoverability of these financial assets and determined that a significant portion was not payable against creditors and borrowings. Based on this assessment, management considered the nonpayment to these creditors and borrowings and consequently reversed an Expected Credit Loss (ECL) provision of INR 53.15 crores. However, we have not received sufficient and appropriate audit evidence to substantiate the basis of the provision reversal, the recoverability assessment for the non-payment to creditors and borrowings. In the absence of adequate supporting documentation for future non payment of these liabilities, we are unable to determine the appropriateness of the reported financial position and its impact on the company's profit and loss for the period under audit.
- vii. The company has unpaid income tax liability to the tune of INR 4.15 crores including interest outstanding since last 2 years which the Company has not been able to service and also has a negative net worth. The Company has not developed any business during the current quarter which gives any new sign of payment of such previous outstanding liabilities. The above factors indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern

 - The Company has taken Board approval to send notices to all debtors creditors against whom a provision has been taken to identify those balances that need to be finally written back or written off in the quarter ended March 2025 and identify those relevant to the MSME sector.

Limited review report on unaudited quarterly consolidated financial result of **White Organic Retail Limited** pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To
The Board of Directors
White Organic Retail Limited.

1. We have reviewed the accompanying statement of unaudited consolidated financial results of **White Organic Retail Limited** (“the Company”) for the quarter ended **December 31, 2024** and attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as modified by circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.
2. This statement, which is the responsibility of the Company’s Management and approved by the Company’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “**Interim Financial Reporting**” (“**IND AS 34**”), prescribed under Section 133 of the Companies Act, 2013 (the “Act”) as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, “**Review of Interim Financial Information Performed by the Independent Auditor of the Entity**” issued by the Institute of Chartered Accountants of India (ICAI). This standard requires that we plan and perform the review to obtain a moderate assurance as to whether the Statement is free of material misstatement. A review of the interim financial information consists of making inquiries, primarily of company personnel responsible for the financial and accounting matters and applying analytical and other review procedure. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143 (10) of the Companies Act, 2013 and consequently does not enable us to obtain assurances that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. The Statement includes the results of the following entities :-
 - White organic snacks Limited
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principal laid down in the aforesaid Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 as amended, read with the relevant rules issued thereunder and other recognized accounting practices and policies generally accepted in India,

has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Basis for Qualified Opinion–

1. According to the SA 505 “External Confirmation” and SA 501 “Audit Evidence” issued by the ICAI, balances with respect to trade receivables, trade payables, Inter-corporate deposits for validating outstanding balances during the **quarter** are subject to confirmation. Accordingly, we have not received sufficient and appropriate confirmation from the company for confirming balances and transactions. Hence, we are unable to comment on the completeness and valuation of these balances in respect of the quarter ended December 31, 2024.
2. According to the SA 505 "External Confirmation" and SA 501 "Audit Evidence" issued by the ICAI, balances with respect to banks for validating outstanding balances during the year are subject to confirmation. Accordingly, we have sent a total of 5 bank confirmations for confirming closing balances amounting to INR 0.43 crore as on December 31, 2024. However, we have not received sufficient and appropriate confirmation from 5 banks for confirming balances amounting to INR 0.43 crore. Hence, we are unable to comment on the completeness of these balances in respect of the quarter ended December 31, 2024.
3. According to the SA 501 "Audit Evidence" issued by the ICAI, balances with respect to banks for validating outstanding balances during the year are subject to confirmation. Accordingly, we have not received bank statements of 4 bank accounts to validate the transactions conducted in the same and having closing balances amounting to INR 88,675.76/- as on December 31, 2024 as per Books of accounts. Hence, we are unable to comment on the completeness and valuation of these transactions and balances in respect of the quarter ended December 31, 2024.
4. The company did not have an effective interface and systems in places related to various functional software of Sales/Revenue, Inventory Management, accounting software and other key areas of the organization resulting in accounting entries and inventory registers being made manually on for the quarter ended December 31, 2024, which might lead to risk of misstatement.
5. The Company has not taken into consideration the implication of additions on account of Section 43B(h) of the Income Tax Act specifically covers any sum payable by the assesses to micro or small enterprises (MSEs). This section ensures that MSEs receive timely payments within the stipulated time as determined by the Micro, Small and Medium Enterprises Development (MSMED) Act, 2006 hence we are unable to comment on the impact of the same on the income tax provision.
6. During the Q1FY25 quarter, the company created a provision of INR 67.66 crores against its outstanding financial assets, including INR 57.04 crores against loans and advances and INR 10.62 crores against trade receivables. In the Q2FY25 quarter, the company reassessed the recoverability of these financial assets and determined that a significant portion was not payable against creditors and borrowings. Based on this assessment, management considered the non-payment to these creditors and borrowings and consequently reversed an Expected Credit Loss (ECL) provision of INR 53.15 crores. However, we have not received sufficient and appropriate audit evidence to substantiate the basis of the provision reversal, the recoverability assessment for the non-payment to creditors and borrowings. In the absence of adequate supporting

documentation for future non payment of these liabilities, we are unable to determine the appropriateness of the reported financial position and its impact on the company's profit and loss for the period under audit.

Material Uncertainty Related to Going Concern

The company has unpaid income tax liability to the tune of INR 4.15 crores including interest outstanding since last 2 year which the Company has not been able to service and also has a negative net worth. The Company has not developed any business during the current quarter which gives any new sign of payment of such previous outstanding liabilities. The above factors indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Qualified Conclusion

Based on our review conducted as above, except for the possible effects of the matters as described in the "Basis of Qualified Conclusion" section above, nothing has come to our attention that causes us to believe that the accompanying Statement of unaudited consolidated financial results prepared in accordance with the recognition and measurement principal laid down in the aforesaid Accounting Standards specified under Section 133 of the Companies Act, 2013 as amended, read with the relevant rules issued thereunder and other recognized accounting practices and policies generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.
