## Interarch Wins Double Honours at CIDC Vishwakarma Awards 2025

- *Interarch awarded for Best Pre-Engineered Building (Steel & Pre-Cast) for delivering a complex paint manufacturing facility for Grasim Industries (Birla Opus Paint), at Panipat*
- *CEO Manish Garg recognised with the prestigious 'Industry Captain Award' for visionary leadership*
- *Interarch continues to be a pioneer in sustainable and innovation-led steel construction solutions*

**New Delhi, 14<sup>th</sup> April 2025** – Interarch Building Solutions Limited ([BSE](#)) ([NSE](#)), pioneers of Pre-Engineered Buildings (PEB), has been honoured with two major recognitions at the 16th CIDC Vishwakarma Awards. The company won the award for Best Pre-Engineered Building (Steel & Pre-Cast) for designing, manufacturing and executing a technically complex paint manufacturing facility for Grasim Industries Ltd. (Birla Opus Paint) in Panipat, Haryana. Additionally, Interarch's CEO, Mr. Manish Garg, was presented with the Industry Captain Award, one of the highest individual honours in the construction and infrastructure sector.

The awarded project in Panipat stands out for its scale, complexity, and seamless delivery. Built for Grasim Industries (Birla Opus Paint), it reflects Interarch's expertise in engineering precision, speed, and structural excellence for next-generation manufacturing facilities.

**Expressing his gratitude, Mr. Garg said,** *"Winning the award for Best Pre-Engineered Building for our work on the Grasim Industries facility in Panipat is a proud moment for all of us at Interarch. This project reflects our ability to deliver large-scale, complex infrastructure with precision, speed, and engineering excellence. It highlights our continued commitment to redefining what's possible in steel construction in India."*

*Receiving the Industry Captain Award is truly humbling. While it is a personal honour, I see it as a tribute to the incredible team behind Interarch. Our journey has always been guided by the vision of Building India — and as we move toward the Nation Building 2047 goal, we remain committed to creating sustainable, innovation-driven solutions that shape the country's future."*

Organized by the Construction Industry Development Council (CIDC) a body established by NITI Aayog, the Vishwakarma Awards recognize excellence, innovation, and leadership in infrastructure and construction across India. The theme of this year's awards, *"Nation Building 2047"*, perfectly echoes Interarch's long-standing mission of contributing to India's growth story through smart, sustainable infrastructure solutions.

### INTERARCH BUILDING SOLUTIONS LIMITED

(Formerly known as Interarch Building Products Limited)

Corporate Office : B-30, Sector 57, Noida  
- 201301, India. Tel.: +91 120 4170200,

**BUILDING**  
INNOVATORS

Registered Office: Farm No-8, Khasra No. 56/23/2, Dera Mandi Road, Mandi Village, Tehsil Mehrauli, New Delhi - 110047, India.

[info@interarchbuildings.com](mailto:info@interarchbuildings.com) [www.interarchbuildings.com](http://www.interarchbuildings.com)

With these recognitions, Interarch reaffirms its position as a trailblazer in India's construction sector—delivering innovation-led, sustainable steel infrastructure for a rapidly transforming nation.

### **Interarch Pre- Pre-Engineered Buildings**

Interarch Building Solutions Limited commenced its operations in 1983. Today, 40 years later, Interarch is one of the leading turnkey pre-engineered steel construction solution providers in India with integrated facilities for design and engineering, manufacturing, and on-site project management capabilities for the installation and erection of pre-engineered steel buildings.

### **TRACDEK® Metal Roofing & Cladding Systems**

We manufacture world-class pre-engineered roofing and cladding systems designed to meet custom requirements. Our extensive portfolio includes the Hi-Rib Roofing & Cladding System, Klippon Roofing & Cladding System, and SS-2000 Standing Seam Roofing System. Each of these solutions is engineered to provide exceptional performance and durability, ensuring that we meet a wide range of needs with precision and reliability.

### **Trac® Ceilings**

Our TRAC® range of metal ceilings are manufactured from fully recyclable materials and are pre-painted and prefabricated in our factory. The ceiling systems are friendly to handle and will not promote the growth of bacteria and fungi. TRAC® ceilings exhibit excellent corrosion resistance. They can withstand very high humidity (up to 100 %) and are suitable for use in outdoor applications.

### **Interarch Life: Non-Industrial Buildings**

We offer a state-of-the-art solution for non-industrial buildings through our innovative load-bearing wall framing systems, crafted to support lightweight structures. Embracing a hassle-free drywall construction approach, these systems guarantee swift and efficient assembly, simplifying the construction process for our esteemed clients. With a focus on durability and safety, our load-bearing wall framing systems are engineered to be earthquake and termite-proof, providing robust protection for the structure and its occupants.
