Press Release

Tejas announces Q1FY26 results

Bengaluru, July 14, 2025: Tejas Networks [BSE: 540595, NSE: TEJASNET] today reported its financial results for the first quarter ended June 30, 2025. Tejas Networks designs, develops, manufactures and sells high-performance telecom and networking products, which are used to build high-speed communication networks.

	Amount in Rs. Cr		
	Q1-FY26	Q1-FY25	FY25
Net Revenue	202	1,563	8,923
PBT	(297)	122	698
PAT	(194)	77	447

Mr. Arnob Roy, COO of Tejas Networks said, "In Q1 FY26, we signed strategic partnerships with Rakuten Symphony for developing O-RAN solutions, and with Intel and some mobile phone manufacturers for adopting our D2M chipsets. These partnerships enhance our Go-to-Market initiatives in international markets. We won orders for our Routers for Bharatnet-phase 3 and Optical equipment from private operators in India. Our shortfall in revenue was due to delays in the receipt of a few purchase orders, including the expansion order from BSNL."

Mr. Sumit Dhingra, CFO said, "In Q1 FY26 we had a revenue of Rs. 202 Cr and a net loss of Rs. 194 Cr, largely due to lower revenue. We ended the quarter with an order book of Rs. 1,241 Cr, representing a QoQ growth of 22%. With the award of the expansion order of 18,685 sites of BSNL 4G to TCS, we expect to receive the corresponding PO for supply of RAN equipment worth Rs. 1,526 Cr."

A handwritten signature in blue ink, appearing to be "S", located below the CFO's statement.
