Wipro Gallagher Solutions and Mercury Network to Jointly Offer Loan Appraisal Management Platform

Leveraging this platform, LOS customers can now manage their appraisals from one system

Bangalore, India and Oklahoma City, USA - September 14, 2018: Wipro Limited (NYSE: WIT, BSE: 507685, NSF: WIPRO), a leading global information technology, consulting and business

Wipro Gallagher Solutions is fueling the future lender. We provide retail, wholesale, correspondent, and consumer lenders with a powerful origination platform that drives profitable lending anytime, anywhere. Moving beyond a system of record to a system of opportunity, the NetOxygen platform elevates the borrower experience with front-to-back workflow, compliance automation, and paperless processing while leaving room for innovation through configurable workflow, third party integrations, and web services/APIs. Wipro Gallagher Solutions is a Wipro Limited company. For more information about Wipro Gallagher Solutions, visit www.wiprogalagher.com

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. A company recognized globally for its comprehensive portfolio of services, strong commitment to sustainability and good corporate citizenship, we have over 160,000 dedicated employees serving clients across six continents. Together, we discover ideas and connect the dots to build a better and a bold new future.

About Mercury Network

Mercury Network, now a part of CoreLogic, serves nearly 1,000 lenders and AMCs with six core valuation technology solutions, including two leading appraisal management platforms, as well as add-on modules for commercial appraisal, appraisal quality control, alternative valuations, and additional closing services such as flood certificates and income verification. For more information about the company, visit www.mercuryvmp.com.

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include

focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
