- The information in this document is being provided by the **Company** and is subject to change without notice. The Company relies on information obtained from sources believed to be reliable but does not guarantee its accuracy or completeness.
- This document contains statements about future events and expectations that are forward-looking statements.
- These statements typically contain words such as "*expects*" and "*anticipates*" and words of similar import.
- Any statement in this document that is not a statement of historical fact is a forward looking statement that involves known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. None of the future projections, expectations, estimates or prospects in this document should be taken as forecasts or promises nor should they be taken as implying any indication, assurance or guarantee that the assumptions on which such future projections, expectations, estimates or prospects have been prepared are correct or exhaustive or, in the case of the assumptions, fully stated in the document.
- The **Company** assumes no obligations to update the forward-looking statements contained herein to reflect actual results, changes in assumptions or changes in factors affecting these statements.
- You acknowledge that you will be solely responsible for your own assessment of the market and the market position of the **Company** and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the business of the **Company**.

Company Structure and Business Verticals

Q2 FY 26 performance of Group entities

Automotive

Increase in Sales Volume and better sales mix improved sales revenue and margins

Regular monitoring of Commodity and Forex resulted in planning for inventory

Metals

Sales revenue growth and volume growth year-on-year

With the trend of increasing commodity rates, a few customers depleted their RM inventory and ordered less from market

Climate Control

Sluggish sales volume in the quarter, due to higher market inventory/ weather conditions

Climate Controls posted loss due to unabsorbed fixed cost

Q2 FY 26 Income Statement- Stand Alone

INR cr	Q2 FY 26	Q2 FY 25	Variance
Sales Revenue	105.69	95.12	10.57
