Independent Auditor's Review Report on the Quarterly & Year to Date Unaudited Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To,

Board of Directors of

Yuvraaj Hygiene Products Limited

Limited Review Report on Unaudited Financial Results

1. We have reviewed the accompanying statement of unaudited financial results of Yuvraaj Hygiene Products Limited (the "Company") for the quarter and six months ended September 30, 2025 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, ("Ind AS 34") "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying

analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above and procedures performed as stated in paragraph 3, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

5. We draw attention to Note no. 4 of the un-audited financial results, which describes that the Company has reported a positive net worth as at March 31, 2025, indicating an improvement from earlier years when the net worth was fully eroded. The Management has informed that this turnaround is the result of strategic initiatives undertaken during the year, and further efforts are being made to sustain profitability, including identification of alternative business plans and engagement with strategic business partners.

The Promoters, Mr. Vishal Kampani and Mrs. Benu Kampani, have reiterated their ongoing commitment to support the Company in meeting any temporary cash flow requirements, as demonstrated in the past. Based on these factors, including past instances of financial support, Management is confident of the Company's ability to continue as a going concern and has accordingly prepared the financial statements on a going concern basis.

While the improvement in net worth is a positive development, considering the historical trend of accumulated losses and the need to establish consistent operating profitability, a material uncertainty remains that may cast significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Other Matter

6. Balances in respect of loans and advances, deposits, trade receivables, trade payables, etc. are subject to confirmation from respective parties. However, in the opinion of the Management all the Current Assets are approximately of the value stated in books, if realized in the ordinary course of business.

Our report is not modified in respect of above matter.

Note 2 : For the purpose of calculating segment results for quarterly reporting, the Material Consumption Cost has been allocated to the respective operating segments based on the annual ratio of material consumed by each segment. This methodology has been adopted to ensure consistent representation across reporting periods.							
Note 3 : The Assets and Liabilities are used interchangeably amongst segments. Allocation of such assets and liabilities is not practicable and any forced allocation would not result in any meaningful segregation. Hence, assets and liabilities have not been identified to any of the reportable segment.
