3. In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contractor and the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years.

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 406 crores (QAR 166 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group, consortium partner and the Bank. All parties including the Group had filed their respective appeals before the Court of Appeal (Qatar) which had remanded the matter back to the Court appointed experts for a fresh review of the objections raised by the respective parties including the bank. As per latest development, the Court appointed experts have submitted the report to the Court of Appeal (Qatar) determining the Group and its consortium partner liable to certain costs. The Group has submitted its comments on the report to the Court of Appeal (Qatar) at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to succeed in the matter and defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise.

4. The Board of Directors of the Company at its Meeting held on 13th March 2025, approved transfer of overseas branches of the Company at Dubai and Abu Dhabi in UAE to Universal MEP Contracting L.L.C. ("UMCL"), Dubai, UAE, a step-down subsidiary of the Company on a slump sale basis through Business Transfer Agreements ("BTAs"). The BTAs between the Company and UMCL have been executed on 20th August 2025. The transaction is expected to be consummated by 31st March 2026 or such other date as mutually agreed between the Company and UMCL. This transaction has no impact on consolidated results.

5. The Statutory Auditors of the Company have conducted a "Limited Review" of the aforesaid financial results.
