**Subject: Investor Disclosure – Discussion on Impact of US Trump Tariff Policies and Company's Strategy for Australia and UK**

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, please find below an update for the information of the investors and the public at large:

The Top Management of the Company has been actively evaluating the implications of the recent U.S. Trump Tariff Policies and formulating strategic responses to convert potential challenges into growth opportunities. The Company is realigning its export strategy towards Australia and the United Kingdom to strengthen market presence and ensure business resilience.

This strategic shift is expected to benefit Investors through diversified revenue streams, improved profitability stability, and enhanced long-term value creation, Strengthen Position in Australia and the UK Markets by leveraging favorable trade terms, expanding brand footprint, and capturing new consumer segments in premium food categories and to Mitigate U.S. Tariff Risks by reducing dependency on tariff-impacted markets and tapping into growth-friendly economies.

The Board deliberated on strategic measures and policy responses to mitigate possible risks and leverage emerging opportunities in the Australia and United Kingdom markets. The management has been directed to monitor further developments closely and align business strategy accordingly.

This is for the information of all stakeholders and investors.
