### # Excludes non-controlling interest

a) The audited interim condensed consolidated financial statements for the quarter and nine months ended December 31, 2025 have been taken on record by the Board of Directors at its meeting held on January 14, 2026. The statutory auditors, Deloitte Haskins & Sells LLP have expressed an unmodified audit opinion. The information presented above is extracted from the audited interim condensed consolidated financial statements. Those interim condensed consolidated financial statements are prepared in accordance with the Indian Accounting Standards (Ind-AS) as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules thereafter.

### b) Buyback of equity shares

The shareholders proposed the proposal of buyback of equity shares recommended by the Board of Directors by way of e-voting through postal ballot, the results of which were declared on November 6, 2025. The buyback offer comprised a purchase of 10,00,00,000 equity shares comprising approximately 2.41% of the total paid-up equity share capital of the Company as of June 30, 2025 (on standalone basis) at a price of ₹18,000/- per equity share. The buyback was offered to all eligible equity shareholders (including those who became equity shareholders as on the record date by cancelling American Depository Shares and withdrawing underlying equity shares) of the Company as on the record date (i.e. November 14, 2025) on a proportionate basis through the "Tender offer" route. The tender period for buyback commenced on November 20, 2025 and was open until November 26, 2025. The Company conducted the buyback procedure on December 4, 2025 and 10,00,00,000 equity shares were bought back and extinguished. The buyback resulted in a cash outflow of ₹18,00,00,000 crore (excluding transaction costs). The Company funded the buyback from its free reserves including securities premium as explained in Section 68 of the Companies Act, 2013. In accordance with Section 69 of the Companies Act, 2013, the Company has created a Capital Redemption Reserve of ₹50 crore equal to the nominal value of the shares bought back as an appropriation from the general reserve during the quarter ended December 31, 2025.

### c) Impact of labour codes

On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020, (Labour Codes) which consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during employment and post-employment. The Labour Codes, amongst other things introduce changes, including a uniform definition of wages and enhanced benefits relating to leave. The Company has assessed the financial implications of these changes which have resulted in increase in gratuity liability arising out of past service cost and increase in leave liability. Considering the impact arising out of an enactment of the new legislation is an event of non-recurring nature, the Group has presented this incremental amount as "Impact of labour codes" under "Exceptional item" in the Condensed Standalone and Consolidated Statement of Profit and Loss for the quarter and nine months ended December 31, 2025. The Group continues to monitor the developments pertaining to Labour Codes and will evaluate impact if any on the measurement of liability pertaining to employee benefits.

### d) Update on stock grants
