Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

To the Board of Directors of Delta Corp Limited

1. We have reviewed the accompanying statement of standalone unaudited financial results ('the Statement') of **Delta Corp Limited** ('the Company') for the quarter ended **31 December 2025** and the year to date results for the period 01 April 2025 to 31 December 2025, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Delta Corp Limited

Independent Auditor's Review Report on Standalone Unaudited Quarterly Financial Results and Year to Date Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

5. We draw attention to note 3 of the accompanying standalone financial results, which describes the uncertainties relating to show-cause notices received by the Company along with two subsidiary companies and an erstwhile associate Company for alleged short payment of Goods and Service Tax (GST) aggregating Rs. 23,207.30 Crores for the period from 1 July 2017 to 30 November 2022. Based on legal assessment, the management is confident of favourable outcome of the aforesaid matter and accordingly no adjustments have been made to the accompanying financial results. Our conclusion is not modified in respect of this matter.
6. We draw attention to note 5 of the accompanying standalone financial results, which describes the impact of the enactment of the Promotion and Regulation of Online Gaming Act, 2025 by the Government of India, which prohibits the operation of online gaming businesses involving real-money stakes, on the fair valuation of the Company's investments in certain entities carrying on aforesaid business, resulting in Rs. 378.34 Crores recorded as cumulative reduction in the respective fair values through Other Comprehensive Income (OCI) during the current period. Our conclusion is not modified in respect of this matter.

Notes to the standalone financial results:

1. The above results for the quarter and Nine months ended 31st December, 2025 which have been subjected to review by Statutory Auditors of the Company were reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at its meeting held on 15th January, 2026, in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. For the year ended 31st March, 2025 the exceptional items comprise of a gain (net of expenses) of ₹ 57.14 Crores on the sale of 51% equity shares of the erstwhile subsidiary company, Deltatech Gaming Limited and a loss of ₹ 0.15 Crore arising from the strike-off of the wholly owned, non-material foreign subsidiary, Delta Offshore Developers Ltd.
3. On 27th September, 2023 the Company along with its two subsidiary companies received show cause notices from the Directorate General of GST Intelligence, Hyderabad, for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 16,822.98 Crores under Section 74(1) of the CGST Act, 2017 and Goa SGST Act, 2017 for the period from 1st July, 2017 to 31st March, 2022 and Deltatech Gaming Limited ("DGL"), erstwhile associate company, received show cause notice dated 28th October, 2023 for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 6,384.32 Crores for the period from 1st July, 2017 to 30th November, 2022 from Directorate General of GST Intelligence, Kolkata.

By virtue of Share Purchase and Investment Agreement dated 20th February, 2025 read with amended agreement dated 19th March, 2025 between Delta Corp Limited, Deltatech Gaming Limited and Head Digital Works Private Limited, Company's liability in respect of the matter for DGL has been capped up to ₹ 34.80 Crores.

The amounts claimed under the above notices are inter alia based on the gross bet value/ face value of all games played at the casinos/ online platform and short payment of GST on consideration received towards entry to the casino/gross rake amount collected from online platform during the above-mentioned period. The demands made by the authorities on the gross bet value/ face value as against gross gaming revenue/gross rake amount has been an industry issue and multiple representations have been made by the industry participants to the Government in this regard.

The Holding Company / subsidiary companies/ erstwhile associate company, as mentioned above, have filed writ petitions and have obtained stay order from respective High Courts. The Union of India had sought the transfer of all similar writ petitions of the entire Industry pending at various High Courts to the Hon'ble Supreme Court and same has been admitted by the Hon'ble Supreme court. The matter has since been heard in detail, arguments from both sides have been concluded, and the case is presently reserved for judgment.

Without prejudice, the Company, based on legal assessment, is of the view that all the notices and the tax demands are arbitrary in nature and contrary to the provisions of law. The company has challenged such tax demands and initiated necessary legal proceedings.

Further, the Company has made investments in equity shares aggregating to ₹ 650.58 Crores in two subsidiaries who have received notices for alleged short payment of GST aggregating to ₹ 11,439.49 Crores and investment of ₹ 159.08 (net of fair value gain) Crores in erstwhile associate company who have received notices for alleged short payment of GST to ₹ 6,384.32 Crores as mentioned above. In addition to investments in equity shares, the Company has also provided short term loans aggregating ₹ 133.40 Crores to the two subsidiaries. Considering the fact that these subsidiaries and erstwhile associate Company have a good ground to defend against the said show cause notices, the management of the Company believes that until the GST matter gets effectively concluded, no provision for impairment is currently required towards investments made in equity shares of two subsidiary companies and erstwhile associate company (read with note 5) and towards loans given to the two subsidiaries.

4. The Board of Directors of the Company at its meeting held on 6th December, 2024 have approved Revised Composite Scheme of Arrangement amongst Delta Corp Limited and Deltin Hotel & Resorts Private Limited and Delta Penland Limited and Deltin Cruises and Entertainment Private Limited and their respective shareholders and creditors under Sections 230 to 232 read with Section 66 and other applicable provisions of the Companies Act, 2013 ("Revised Scheme") and the same was filed with Stock Exchanges under Regulation 37 of Listing Regulation. The Scheme will be effective from 1st April 2025. Approval from NSE and BSE has been received. Pending receipt of approval from Mumbai Bench of the National Company Law Tribunal ('NCLT'), no adjustments have been made in the standalone financial results.

5. On 19th August 2025, the Union Cabinet of India has approved the Promotion and Regulation of Online Gaming Bill, 2025 ("the Bill"), which amongst others proposes a prohibition on online games involving real-money stakes. On 22nd August 2025, the Bill received assent by the President of India making it the Promotion and Regulation of Online Gaming Act, 2025 ("Gaming Act").

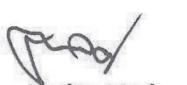

The carrying amount of investments in equity shares of online gaming companies, being, Deltatech Gaming Limited, Head Digital Works Private Limited and Openplay Technologies Private Limited has been reduced to ₹ Nil as at 31st December 2025, as the Gaming Act prohibits such companies' sole line of business resulting in a complete halt in revenue-generating activities. Accordingly, the Company has recorded aggregate of ₹ 378.34 Crores (net of fair value gain), as reduction in the fair value of the said investee companies in Other Comprehensive Income for the period ended 31st December 2025. Impact of the same has been taken in quarter ended 30th September, 2025. Estimated deferred tax assets of ₹ 60 Crores has not been recognised on the provision made for diminution in the value of investment, as at present the Company does not have probability to set off against future taxable Capital Gain.

6. Tax Expenses includes Income Tax and Deferred Tax.

Based on the "management approach" as defined in Ind AS 108 – Operating Segments, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. Accordingly, information has been presented along with Business Segments. The Accounting principles used in the preparation of the financial results are consistently applied to record revenue and expenditure in individual segments.							

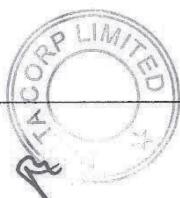

Notes to the consolidated financial results:

1. The above results for the quarter and Nine months ended 31st December, 2025 which have been subjected to review by Statutory Auditors of the Company were reviewed and recommended by the Audit Committee and subsequently approved by the Board of Directors at its meeting held on 15th January, 2026, in terms of Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. The consolidated financial results of the Company, its subsidiaries, its associate and joint ventures (the 'Group') have been prepared in accordance with Ind AS 110 consolidated financial statements and Ind AS 28 Investments in Associates and Joint Ventures.
3. The standalone and consolidated financial results are available on Company's website i.e. www.deltacorp.in and also on the website of the stock exchanges, where shares of the Company are listed i.e. www.bseindia.com and www.nseindia.com.
4. The financial results of an overseas subsidiary and three joint ventures have been consolidated on the basis of un-reviewed financial statements prepared by the management of such respective entities.
5. On 19th August 2025, the Union Cabinet of India has approved the Promotion and Regulation of Online Gaming Bill, 2025 ("the Bill"), which amongst others proposes a prohibition on online games involving real-money stakes. On 22nd August 2025, the Bill received assent by the President of India making it the Promotion and Regulation of Online Gaming Act, 2025 ("Gaming Act").

The carrying amount of investments in equity shares of online gaming companies, being, Deltatech Gaming Limited, Head Digital Works Private Limited and Openplay Technologies Private Limited has been reduced to ₹ Nil as at 31st December 2025, as the Gaming Act prohibits such companies' sole line of business resulting in a complete halt in revenue-generating activities. Accordingly, the Group has recorded aggregate of ₹ 459.52 Crores, as reduction in the fair value of the said investee companies in Other Comprehensive Income for the period ended 31st December 2025. Impact of the same has been taken in quarter ended 30th September, 2025. Estimated deferred tax assets of ₹ 60 Crores has not been recognised on the provision made for diminution in the value of investment, as at present the Holding Company does not have probability to set off against future taxable Capital Gain.

6. On 27th September, 2023 the Holding Company and its two subsidiary companies received show cause notices from the Directorate General of GST Intelligence, Hyderabad, for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 16,822.98 Crores under Section 74(1) of the CGST Act, 2017 and Goa SGST Act, 2017 for the period from 1st July, 2017 to 31st March, 2022 and Deltatech Gaming Limited ("DGL") erstwhile associate Company, received show cause notice dated 28th October, 2023 for alleged short payment of Goods and Service Tax (GST) aggregating ₹ 6,384.32 Crores for the period 1st July, 2017 to 30th November, 2022 from Director General of GST Intelligence, Kolkata. However, by virtue of Share Purchase and Investment Agreement dated 20th February, 2025 read with amended agreement dated 19th March, 2025 between Delta Corp Limited, Deltatech Gaming Limited and Head Digital Works Private Limited, Holding Company's liability in respect of the matter for DGL has been capped up to ₹ 34.80 Crores.

The amounts claimed under the above notices are inter-alia based on the gross bet/ face value of all games played at the casinos/online platform and short payment of GST on consideration received towards entry to the casino / gross rake amount collected from online platform during the above-mentioned period. The demands made by the authorities on the gross bet value/ face value as against gross gaming revenue /gross rake amount has been an industry issue and multiple representations have been made by the industry participants to the Government in this regard.

Holding Company / subsidiary company / erstwhile associate company, have filed writ petitions and have obtained stay orders from the respective High Courts. The Union of India had sought the transfer of all similar writ petitions of the entire industry pending at various High Courts to the Hon'ble Supreme Court and same has been admitted by the Hon'ble Supreme court. The matter has since been heard in detail, arguments from both sides have been concluded, and the case is presently reserved for judgment.

Without prejudice, the Holding Company, its two subsidiaries and its erstwhile associate company, based on their respective legal assessment, are of the view that all the above notices and the tax demands are arbitrary in nature and contrary to the provisions of law. The respective companies have challenged such tax demands and initiated necessary legal proceedings.

The Holding Company carries Goodwill amounting to ₹ 93.51 Crores arising out of consolidation of subsidiaries, which has been recognised in the earlier years and has investment in erstwhile associate company amounting to ₹ 240.26 Crores. Considering the fact that the Holding, subsidiary companies and the erstwhile associate Company have a good ground to defend against the said show cause notices, the management believes that until the GST matter gets effectively concluded, no provision for impairment is currently required towards Goodwill and other assets related to the two subsidiaries and towards Investment in erstwhile associate (read with note 5), as reflected in the consolidated financial results.

- For the year ended 31st March, 2025, the exceptional item comprises of a gain (net of expenses) of ₹ 130.49 Crores on the sale of 51% equity shares of the subsidiary company, Deltatech Gaming Limited ("DGL"). As a result, DGL ceased to be a subsidiary company and was accounted as an associate company under the equity method as at 31st March, 2025. The balance 49% stake in DGL is accounted at fair value and a gain of ₹ 81.65 Crores have been recognised under exceptional items. Further, a gain of ₹ 1.08 Crores is arising from the strike-off of the wholly owned, non-material foreign subsidiary, Delta Offshore Developers Ltd. which is classified as an exceptional item. For all the reported period, operational performance of DGL is shown under discontinued operation.
- The Board of Directors of the Holding Company at its meeting held on 6th December, 2024 have approved Revised Composite Scheme of Arrangement amongst Delta Corp Limited and Deltin Hotel & Resorts Private Limited and Delta Penland Limited and Deltin Cruises and Entertainment Private Limited and their respective shareholders and creditors under Sections 230 to 232 read with Section 66 and other applicable provisions of the Companies Act, 2013 ("Revised Scheme") and the same was filed with Stock Exchanges under Regulation 37 of Listing Regulation. The Scheme will be effective from 1st April, 2025. Approval from NSE and BSE has been received. Pending receipt of approval from Mumbai Bench of the National Company Law Tribunal ('NCLT'), no adjustments have been made in the consolidated financial results.
- Tax Expenses includes Income Tax and Deferred Tax.
