With reference to communication regarding the recent significant movement in the volume of the securities of **Kernex Microsystems (India) Limited ("the Company")**, we wish to clarify as under:

The Company has, from time to time, been making all necessary disclosures of events and information that have a bearing on the operations and performance of the Company in accordance with **Regulation 30** of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Further, **apart from the information already disclosed**, including the recent announcement made on **14 October 2025** regarding the receipt of **RDSO approval for Kavach Version 4.0**, and the cumulative orders aggregating to **₹ 3,346.35 crores (inclusive of GST)**, there is **no other event, information or announcement**, whether pending or otherwise, which in our opinion may have a bearing on the price or volume behavior of the Company's shares.

The movement in the volume of the Company's shares appears to be **market-driven** and attributable to investors' reactions to publicly available information.

The Company remains fully compliant with all regulatory requirements and shall continue to make timely disclosures as and when any event or information requiring disclosure arises.

This is for your information and records.

Thanking you
