Report on review of Financial Results for the Quarter ended 30th September 2017

To
Board of Directors of "Innovation Software Exports Limited",
Chennai – 83.

We have reviewed the accompanying statement of audited financial results of Innovation Software Exports Limited for the quarter ended 30.09.2017. These financial statements are the responsibility of the Company's Management and have been approved by the Board of Directors. Our responsibility is to issue report on these financial statements based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the audit to obtain moderate assurance as to whether the financial results are free of material misstatement(s). A Review of interim financial information consists of making enquiries, primarily of persons responsible for financial and accounting matters and analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly we do not express an opinion.

Based on our review nothing has come to our attention that causes us to believe that the accompanying statement of audited financial results has not been prepared in accordance with the applicable accounting standards and the recognised accounting practices and policies and has not disclosed the information required to be disclosed in terms of regulation 52 of the Listing Regulations; including the manner in which it is to be disclosed or that it contains any material misstatement.
