Subject: Correction in Operational Review of Nihar Info Global Limited – Incorrect Mention of Half Year Ended Figures as Q2 Figures

Dear Sir/Madam,

We wish to bring to your kind notice that an inadvertent error occurred in the Operational Review submitted for **Nihar Info Global Limited**. In the document, the financial performance of the Company—both Standalone and Consolidated—was mistakenly presented as **Q2 figures**, whereas the figures actually represented the **Half Year Ended** performance.

Since Half Year figures cannot be compared with **Q1 figures**, the comparison presented in the Operational Review stands incorrect.

Accordingly, the correct Q2 figures to be considered are as follows:

1. Standalone Performance

Particulars	Standalone Q2	Standalone Q1	% of Increase
Turnover	4,29,38,269	2,08,21,724	106.2%
Net Profit	10,32,133	5,68,547	81.5%

2. Consolidated Performance

(Improvement in performance of Nihar Info Global Limited, Life 108 Healthcare & Beastbells)

Particulars	Consolidated Q2	Consolidated Q1	% of Increase
Turnover	5,91,55,604	3,31,40,890.54	78.5%
Net Profit	20,44,221	6,25,000	227.1%

We request you to kindly **update the operational performance** of the Company in your records, as the previously uploaded Operational Review carried Half Year Ended figures inadvertently mentioned under Q2.

We sincerely regret the inconvenience caused due to this oversight.

Thanking you,

Yours faithfully,

For Nihar Info Global Limited

Divyesh Nihar Boda
