Respected Sir,

We are in receipt of your e-mail dated September 16, 2021 (Ref: No. L/SURV/ONL/PV/PD/ 2021-2022 / 671) on the above referred subject.

With reference to the captioned subject, we hereby clarify that there is no event/information which is required to be disclosed to the Stock Exchanges under Regulation 30 of SEBI (Listing Obligations and disclosure Requirements) Regulations, 2015 that have a bearing on the operation/performance of the Company which include any price sensitive information.

Further, the Company has not withheld any material information/event that in our opinion would have a bearing on the volume behaviour of our shares. However, it is understood that the start of unlock in various states could be the reason behind spurt in volume, which is purely market driven. It is reiterated that we have been strictly following all the listing norms for disclosures and the Company in no way, directly or indirectly, is involved in any increase of the volume of its shares across exchange.

Kindly take the same on record.

Thanking you,
