Disclaimer

This Annual Report pertains to a period prior to the acquisition of the Company by the present management pursuant to the Resolution Plan approved under the Insolvency and Bankruptcy Code, 2016 ("IBC"). The Corporate Insolvency Resolution Process ("CIRP") was initiated against the Company, being admitted vide an order of Hon'ble National Company Law Tribunal, New Delhi Bench ("NCLT") dated November 25, 2022. The Company was acquired in terms of the Resolution Plan, as submitted by JTL Industries Limited, the Successful Resolution Applicant (SRA), which has been approved by the NCLT vide its order dated October 9, 2025. Please note that, the Directors of the Reconstituted Board were not in office for the period to which this report primarily pertains. During the CIRP period (i.e. November 25, 2022 to October 9, 2025), the Resolution Professional was entrusted with the management of the Company. Prior to the Insolvency Commencement date, the erstwhile Board of Directors had the oversight on the management of the affairs of the Company.

Accordingly, the new management states and clarifies as follows:

1. In terms of Section 17(2)(e) of the IBC, the Resolution Professional shall be responsible for complying with the requirements under any law for the time being in force on behalf of the Corporate Debtor during the Corporate Insolvency Resolution Process. Accordingly, all statutory compliances, filings, disclosures, maintenance of books of account and adherence to applicable laws for the period during which the Corporate Debtor was under CIRP were the sole and exclusive responsibility of the Resolution Professional.
2. The present management/Resolution Applicant had no role, involvement or control whatsoever in the operations, financial reporting, accounting policies, statutory compliances, filings, decision-making or governance of the Company during CIRP period. Further the present management / Resolution Applicant had no role, control or involvement in such compliances during the CIRP period and therefore cannot be held responsible or liable for any non-compliance, omission, delay or default relating to such period.
3. As mentioned in Section 17(2)(e) of the IBC, **the responsibility for completion of statutory filings and compliances for the CIRP period squarely rests with the Resolution Professional**. The entire responsibility for ensuring statutory and regulatory compliances for the CIRP Period rested exclusively with the Resolution Professional.
4. The new management is **not responsible or liable** for:
 - any non-compliances, irregularities, omissions, defaults, penalties, interest, or regulatory actions relating to the said period;
 - the accuracy, completeness or reliability of records, financial statements, data or annexures pertaining to the said period;
 - any past liabilities, claims, demands, litigation, disputes or contingent liabilities arising out of the operations of the Company for the aforesaid period.

5. The present management has taken over the Company post approval and implementation of the Resolution Plan, on a “clean slate” basis, as recognised under settled judicial precedents.
6. This Annual Report has been prepared **solely on the basis of the limited documents made available by the Resolution Professional**, including the audited financial statements handed over post-acquisition. The new management has **not independently verified** the historical information and accordingly expresses **no assurance or opinion** on the same. The new management makes no representation or warranty regarding the accuracy, completeness, correctness, or reliability of any information, numbers, disclosures, reports, annexures, or statements relating to the CIRP period included in this Annual Report.

This Annual Report is being prepared and filed only to meet the requirements of the Companies Act, 2013 and other applicable laws, in order to regularize pending filings and avoid technical non-compliance and should not be construed as a confirmation or adoption of past acts, omissions or representations.

However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

INDEPENDENT AUDITOR'S REPORT

To the Suspended Board of Directors/ Resolution Professional (RP) of RCI Industries and Technologies Limited

Report on the Audit of the Standalone Financial Statements

Corporate Insolvency Proceedings as per Insolvency and Bankruptcy Code, 2016 (IBC)

The Application was filed by the Standard Chartered Bank (Singapore) Limited (Operational Creditor) under section 9 of the Insolvency and Bankruptcy Code, 2016 (Code) for commencement of Corporate Insolvency Resolution Process (CIRP) in the matter of RCI Industries & Technologies Limited ("Corporate Debtor" or "Company"). Hon'ble National Company Law Tribunal (NCLT) New Delhi vide its order dated November 25, 2022 in C.P (IB) No. 2688 of 2019, commenced the CIRP in the matter of Corporate Debtor and appointed Mr. Brijesh Singh Bhadauriya as Interim Resolution Professional (IRP) subsequently confirming him as the Resolution Professional ("RP") under the provisions of the Code. The said order was uploaded on the website and available to the RP on November 30, 2022.

We have been informed by RP, the directors, Statutory auditors and compliance officer of the company were not cooperative in providing the desired information and documents promptly to the RP, The RP was forced to filing of Intervention application under section 19(2) of the IBC, 2016 before the Hon'ble NCLT-the adjudicating authority (being IA No: 1396/2023 on 03.03.2023) to provide necessary direction to the directors, auditors and compliance officer of the company to provide the desired information and documents to the RP.

Qualified Opinion

We have audited the accompanying standalone financial statements of RCI Industries and Technologies Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us except for the effects of the matters described in the Basis for Qualified opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- A. The Company has not maintained a proper Fixed Asset Register. Major details such as cost of assets, accumulated depreciation of previous years, actual purchase dates, invoice numbers, vendor names, and appropriate descriptions of assets are not available in the depreciation chart provided to us.

Further, during our audit, we observed the following:

- Significant discrepancies were noted in the depreciation chart, including non-availability of certain assets, existence of assets not recorded, mismatches in descriptions/models, absence of asset tags, and weak internal controls.
- As per the report of the independent Chartered Engineer appointed by the Resolution Professional, certain items of Plant & Machinery were found to be idle, non-functional, redundant, and materially overstated. Further, the Chartered Engineer has also reported that various items of Plant & Machinery were missing as on the CIRP date. Also, machinery purchased from Devi Metals was overstated by 40–50%, second-hand machinery by 40–50%, and new machinery by 30–35%.
- Supporting documents such as invoices, purchase orders, and ownership proofs for major items of Plant & Machinery were not made available to us. Accordingly, we were unable to verify capitalization, ownership, and valuation of such assets.
- Certain vehicles recorded in the books are registered in the names of third parties, raising doubt over the Company's ownership rights in respect of such assets.
- Scrap and redundant assets were identified; however, no provision or write-off has been recognized in the financial statements.
- As per the Forensic Audit Report dated 16.08.2023, the Corporate Debtor has manipulated asset classification by routing transactions through accounts such as "*Creation of Fixed Assets*" and "*Creation of Assets*", thereby converting fixed assets into current assets and vice versa. These practices, carried out at periodic intervals, appear to have been adopted to manipulate financial ratios and facilitate submissions made to lenders against credit exposures. Such irregular accounting treatment indicates potential misstatement of financial statements and non-compliance with applicable accounting standards.

Because of the significance of the matters described above, we were unable to obtain sufficient appropriate audit evidence to verify the existence, ownership, valuation, and completeness of the balance of Property, Plant and Equipment (PPE) and depreciation reported in the financial statements.

- B. As per the report of the independent Chartered Engineer appointed by the Resolution Professional, certain items recorded under Capital Work-in-Progress (CWIP) in the books of account and the depreciation register provided by the erstwhile management were not physically available at the Plant as on the date of commencement of the Corporate Insolvency Resolution Process (CIRP).

The financial impact of these discrepancies has not been quantified or recognized in the accompanying financial statements. Accordingly, we were unable to obtain sufficient appropriate audit evidence regarding the existence and valuation of CWIP as reported in the financial statements.

- C. The Company holds equity investments in certain group companies. In accordance with Ind AS 109 "*Financial Instruments*", such investments are required to be measured at fair value through profit or loss as at the balance sheet date and the resulting gain/loss should be recognized in the financial statements. However, no such fair valuation has been carried out by the management.

Further, we have not been provided with agreements relating to these investments, nor have we been provided with the financial statements of the investee companies. In the absence of fair valuation and sufficient appropriate audit evidence, we are unable to determine the correctness of the carrying value of these investments and the consequential impact on the financial statements, including the Statement of Profit and Loss and related disclosures.

- D. Company faces a material uncertainty related to Going Concern because of heavy losses incurred during the current and previous periods. Further, the net worth of the Company has been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern. In our opinion, the financial statement however have been prepared by the management on a going concern basis for the reason as stated. Based on the information available, the Company is presently under the Corporate Insolvency Resolution Process (CIRP) initiated pursuant to the order of the Hon'ble National Company Law Tribunal (NCLT), New Delhi dated November 25, 2022. The Resolution Professional (RP) has invited and evaluated Resolution Plans, and the plan has been approved by the Committee of Creditors (CoC) and is pending approval before the Hon'ble NCLT. In view of the ongoing CIRP and the likelihood of resolution through the approval of a Resolution Plan, the financial statements of the Company have been prepared on a going concern basis. Accordingly, we conclude that the use of the going concern assumption in the preparation of the accompanying financial statements is appropriate under the given circumstances.
- E. The Company's net worth has been fully eroded and it is under severe financial stress. Based on the information and explanations given to us, and on the basis of financial ratios, ageing and expected realization of financial assets, payment schedules of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors'/Resolution Professional's plans, and our examination of the evidence supporting the assumption, there exists a material uncertainty indicating that the Company is not capable of meeting its liabilities existing as at the balance sheet date as and when they fall due within a period of one year from the balance sheet date.
- F. A Transaction-cum-Forensic Audit was carried out for the period April 01, 2017 to November 25, 2022 (as the books of accounts for the period April 01, 2015 to March 31, 2017 have not been made available by the suspended director till date). The forensic auditor has reported preferential, undervalued, fraudulent, and extortionate transactions aggregating to ₹369.71 crores, covered under Sections 43, 45, 50, and 66 of the Insolvency and Bankruptcy Code, 2016. Applications for reversal of these transactions have been filed before the Hon'ble National Company Law Tribunal (NCLT).

In view of the pending adjudication of these matters before the Hon'ble NCLT and absence of sufficient appropriate audit evidence regarding the recoverability and ultimate impact of such transactions on the financial statements, we are unable to comment on the adjustments, if any, that may be required in the accompanying financial results.

- G. We draw attention to the findings reported in the Forensic Audit carried out by an independent forensic auditor appointed by the Resolution Professional. As per the forensic audit report, the Corporate Debtor had sold land situated at Nalagarh on 31st December 2019, originally purchased for ₹2.29 crores, to M/s AKJ Metals Private Limited for ₹2.30 crores, resulting in a nominal gain of ₹1 lakh.

The forensic auditor has observed that the fair market value of the said land, as per the Valuation Report dated 15th May 2023, was ₹9.06 crores. Based on reverse calculation using the Cost of Inflation Index, the indexed cost was worked out at ₹7.52 crores, resulting in an imputed loss/fraud of approximately ₹5.22 crores, which has neither been recognized in the books of account nor appropriately disclosed in the financial statements.

Email: ashwani.bansal@rbansalco.com, Website: www.rbansalco.com, Mob. No. +91-9815724299

Branches: Chandigarh, New Delhi, Ahmedabad, Bathinda

Further, it has been noted that the transaction involved related parties and entities having influence over the Corporate Debtor, indicating that the transaction may be prejudicial to the interests of the Company and its stakeholders.

- H. The Company has received regulatory notices and summons from various government authorities, including the Serious Fraud Investigation Office (SFIO), Enforcement Directorate (ED), Directorate General of GST Intelligence (DGGST), and the Income Tax Department. Investigations by DGGST allege fraudulent availment of fake Input Tax Credit (ITC) amounting to approximately ₹214 crores through paper invoices, dummy companies, and other contrived arrangements, purportedly under the direction of the erstwhile Managing Director.

Pending conclusion of the said investigations and proceedings, the management/Resolution Professional has not made any adjustments or disclosures of possible financial implications in the accompanying financial results. In the absence of sufficient appropriate audit evidence to evaluate the possible financial impact of such regulatory actions on the financial statements, we are unable to determine whether any adjustments are required to the carrying amounts of assets, liabilities, expenses and disclosures.

- I. The Company has received notices and is subject to investigations by various agencies, including **FIR No. 182/2022** registered by the Economic Offence Wing, New Delhi, and **FIR No. 615/2023** registered by Police Station Madhav Nagar, Katni, M.P., in relation to allegations of fraud, misappropriation, and non-return of job work material. These matters are presently under investigation.

Pending the outcome of such investigations and in the absence of sufficient appropriate audit evidence, no adjustments have been made in the accompanying financial statements for any potential financial implications arising therefrom. Accordingly, we are unable to determine whether any adjustments are required to the carrying values of assets, liabilities, expenses, or disclosures.

- J. Company borrowings were declared as non performing asset (NPA) during the year ended March 31, 2020. Due to this, we have not been provided with any document confirming balances, as at March 31, 2025, for loans granted by financial institutions and banks, BG Invocation liability towards banks, bill discounting liability towards banks, certain current accounts and fixed deposits held by the Company. In the absence of such document, we cannot comment on the accuracy and completeness of these balances. The Company has not recognized interest expenses in its financial statement on its outstanding borrowings.

- K. The Company has received multiple notices from the Income Tax Department, including:

- **Notice under Section 221(1)** dated July 31, 2025, from the Assistant Commissioner of Income Tax, Central Circle 32, Delhi, indicating substantial outstanding tax demands across several assessment years. The Company has been directed to show cause why penalty should not be levied for non-payment of these demands.
- **Notice under Section 148A(3)** dated June 28, 2025, for Assessment Year 2019–20, wherein the Income Tax Department has alleged that the Company engaged in **bogus sale-purchase transactions** and claimed **fraudulent Input Tax Credit (ITC)** amounting to ₹214.34 crores during FY 2017–18 and FY 2018–19. The corresponding **fake purchase transactions** are estimated at ₹1,190.78 crores. The notice further states that the Company failed to provide substantive documentary evidence and that the transactions with various entities were found to be merely on paper, with no actual movement of goods. As a result, income aggregating to ₹915.00 crores is considered to have **escaped assessment** under Section 147 of the Act.

The Company has responded to the notices citing the moratorium under Section 14 of the Insolvency and Bankruptcy Code, 2016, due to its ongoing Corporate Insolvency Resolution Process (CIRP). However, the tax authorities have rejected this contention and proceeded with reopening the assessment.

We also understand that the Income Tax Department has filed claim before the RP as per the IBC, 2016 in respect of their claim as on the CIRP commencement date for Rs. 79,37,03,360/- raised till 12.12.2022 upto the Assessment Year 2020-21 and the said claim would be dealt with as per the Resolution Plan to be approved by the Hon'ble NCLT in due course.

In the absence of sufficient and appropriate audit evidence regarding the resolution of these matters, the potential financial impact of penalties, tax liabilities, and adjustments arising from these proceedings cannot be reliably estimated. Accordingly, we are unable to determine the consequential effect, if any, on the financial statements for the year ended March 31, 2025.

This matter was also reported in the Independent Auditors' Report on the standalone financial statements of the Company for the year ended March 31, 2024 in previous year: - Refer All Paragraph of basis of qualified opinion above.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter:

We draw attention to the following matters in the Notes to the standalone financial statements:

- a) The Company has incurred continuous losses, its current liabilities exceed current assets, and it has defaulted in repayment of borrowings as well as in payment of certain regulatory and statutory dues. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern.
- b) The accounts, however, have been prepared by the management on a going concern basis, considering the reasons stated in the financial results and the approval of a resolution plan submitted by M/s JTL Industries Limited, the approval of a resolution plan submitted by M/s JTL Industries, which was approved by the Committee of Creditors in the 22nd Adjourned meeting held on 05th June, 2025 and Voting concluded on 17 August 2024.
- c) The said resolution plan is pending approval by the Hon'ble National Company Law Tribunal (NCLT). Pending such approval, we are unable to obtain sufficient appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the standalone financial statements.
- d) In view of the ongoing Corporate Insolvency Resolution Process (CIRP) and various matters pending before regulatory authorities, the outcome of which cannot presently be ascertained, a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern.

Our opinion is not modified in respect of these matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the year ended March 31, 2025. We have determined that there are no key audit matters to communicate in our report.

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the Standalone Financial Statements.

Other Matters:

- (a) Attention is drawn to the fact that the figures for the quarter ended March 31, 2025 and corresponding quarter ended in previous year as reported in these standalone financial results are the balancing figures between audited figures in respect of the full financial year and published year-to-date figures upto the end of the third quarter of the current and previous financial year respectively. Also, the figures upto the end of the third quarter for the current and previous financial year had only been reviewed as required by the Listing Regulations.
- (b) We were not the statutory auditors of the Company for the year ended March 31, 2022 and accordingly did not audit or express an opinion on the standalone financial statements of the Company for that year. Further, the standalone financial results for the quarters ended June 30, 2022 and September 30, 2022 were reviewed by the predecessor auditor.

We have been appointed by the Resolution Professional during the Corporate Insolvency Resolution Process (CIRP) to undertake the quarterly reviews of the remaining quarters of FY 2022-23, FY 2023-24 and FY 2024-25, and to conduct the statutory audits of the standalone and consolidated financial statements of the Company for the years ended March 31, 2023, March 31, 2024 and March 31, 2025.

- (c) The forensic audit has reported that the Corporate Debtor has an outstanding balance with M/s Shilpi Cable Technologies Limited, amounting to ₹48.36 crores, pertaining to transactions of earlier years. As per external investigations, including those by the Central Bureau of Investigation (CBI), M/s Shilpi Cable Technologies Limited and its promoters have been accused of allegedly cheating a consortium of banks to the extent of ₹1,000 crores, involving misuse of Letters of Credit, diversion of funds, and excess payments. The Company's books of account reflect no sales to this party, though payments were received in earlier years and adjusted against London Metal Exchange (LME) differences.
- (d) The forensic audit has further reported that, as per the sanction letter issued by Union Bank of India dated October 29, 2018, an industrial land and building located at 108, HPSIDC, Baddi, Himachal Pradesh – 173005, was to be mortgaged with the bank as prime security. However, the property has been alleged to have been sold by the Corporate Debtor to M/s AKJ Metals Private Limited, resulting in a total loss of ₹10.12 crores.
- (e) The forensic audit has also observed that despite regular purchases of Plant and Machinery aggregating to ₹6.60 crores during FY 2017-18 to FY 2020-21, no value addition in turnover was noticed; instead, turnover reduced drastically by 96% (from ₹1,737.11 crores in FY 2017-18 to ₹70.80 crores in FY 2020-21). In the absence of satisfactory explanations or supporting documents, the forensic audit has opined that these substantial payments towards machinery purchases, and additional expenses of ₹77.42 lakhs booked under Repairs & Maintenance, indicate possible siphoning of funds by the Corporate Debtor.

Email: ashwani.bansal@rbansalco.com, Website: www.rbansalco.com, Mob. No. +91-9815724299

Branches: Chandigarh, New Delhi, Ahmedabad, Bathinda

- (f) The forensic audit has further reported that the Corporate Debtor sold goods and job work services aggregating to ₹13.88 crores during earlier periods to parties including M/s R N International (₹12.39 crores) and M/s H H Metals (₹1.49 crores) without realizing any consideration. Subsequently, such balances were written off in full in FY 2021-22. The forensic audit has opined that these transactions were in the nature of fraud, as stock was removed from the books by recording sales for which no money was received.
- (g) In addition to the above matters, the forensic audit report has also highlighted instances of fake sales and purchase transactions entered into by the Corporate Debtor, indicating further irregularities in the books of accounts.

Our opinion is not modified in respect of these matters.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's/ Resolution Professional's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

The Resolution Professional (RP), who had taken over the management and control of the Company pursuant to the order dated 25.11.2022 of the Hon'ble NCLT, had appointed a Chartered Engineer during the FY 2022-23 to physically verify the plant and machineries lying in the plant at Baddi, who had submitted his report dated 02.06.2023. As per the said report, certain items of Plant & Machinery were found to be idle, non-functional, redundant, and materially overstated apart from various discrepancies and items missing as on the CIRP date. The material discrepancies so identified are yet to be properly dealt with in the books of account during FY 2024-25 as well.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the standalone financial statements, are held in the name of the Company.
- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) during the year. The Company does not have any intangible assets. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. - ii. (a) The Management has not conducted physical verification of the inventory during the year. Accordingly, we are unable to comment on the appropriateness of the coverage and procedure of physical verification. Further, discrepancies, if any, could not be ascertained and therefore, we are

unable to comment on whether such discrepancies have been properly dealt with in the books of account.

- (b) During any point of time of the year, the Company has not been sanctioned working capital limits from Banks on the basis of security of current assets. - The details of such loans, advances, guarantee or security(ies) to subsidiaries, Joint Ventures and Associates are as follows:

	Loans	Advances in the nature of loans
Aggregate amount granted/provided during the year		NIL
- Associates		Metalrod Private Limited
Balance Outstanding as at balance sheet date in respect of above cases		1,27,70,189
- Associates		

- (b) According to the information and explanations given to us and based on the audit procedures performed, we report that the guarantees provided and the terms and conditions of loans granted by the Company to its associates (total loan amount granted during FY 2024-25 is NIL and balance outstanding as at the balance sheet date ₹1,27,70,189) are prejudicial to the interest of the Company, for the following reasons:

- the loans have been provided without obtaining the requisite approvals as required under Section 186 of the Companies Act, 2013;
- the loans have been granted either interest free, which is significantly lower than the cost of funds to the Company and also lower than the prevailing yield of Government securities closest to the tenor of the loan; and in certain cases, no repayment terms have been stipulated.

Further, we observed that investments in the equity shares of related entities amounting to ₹1,08,70,302/- were recognized only during FY 2019-20 and revalued to ₹11,86,16,395/- as at 31.03.2020, despite evidence suggesting that such shares had been acquired much earlier (in or prior to FY 2005-06). Such belated recognition and subsequent revaluation, without adequate supporting evidence such as valuation reports or audited financials of the investee entities, resulted in inflation of the net worth of the Company by 90.84%, which in our opinion is prejudicial to the interest of the Company.

We have audited the internal financial controls with reference to standalone financial statements of RCI Industries and Technologies Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Qualified Opinion

In our opinion, except for the effects/possible effects of the material weaknesses described in Basis for Qualified Opinion Section below on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls with reference to standalone financial statements as of March 31, 2025 and such internal financial controls with reference to standalone financial statements were operating effectively as of March 31, 2025, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI).

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended March 31, 2025, and Owing to the significance of the matters described therein, the said material weaknesses have also impacted our audit opinion on the standalone financial statements of the Company.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2025:

- a) The Company is under the Corporate Insolvency Resolution Process (“CIRP”) pursuant to the provisions of the Insolvency and Bankruptcy Code, 2016. The suspended management has not maintained / provided Standard Operating Procedures (SOPs) and Risk Control Matrices (RCMs) in respect of internal financial controls with reference to standalone financial statements to the Resolution Professional. In the absence of such documentation, the adequacy and design of controls could not be independently established.
- b) Due to non-availability of requisite data, information, and supporting documentation with the Resolution Professional, we were unable to perform our planned testing procedures on the design and operating effectiveness of internal financial controls with reference to standalone financial statements. Consequently, we could not obtain sufficient appropriate audit evidence to determine whether the Company had established and maintained adequate and effective internal financial controls as at March 31, 2025.

Management’s and Board of Director’s Responsibilities for Internal Financial Controls

The Company’s Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and

completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control

26.2.1 Deferred tax assets and deferred tax liabilities have been offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority.

26.2.2 In assessing the realizability of deferred tax assets, management considers whether some portion or all of the deferred tax assets will not be realized. The ultimate realization of deferred tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

The Company is required to determine and disclose its liability towards defined benefit plans in accordance with the requirements of Ind AS 19 – *Employee Benefits*. However, the actuarial valuation for the defined benefit obligations (such as gratuity and/or leave encashment) has not been carried out as at March 31, 2025. Note-43 Observations of Resolution Professional on Qualified Audit Report

1. The Application was filed by the Standard Chartered Bank (Singapore) Limited (Operational Creditor) under section 9 of the Insolvency and Bankruptcy Code, 2016 (Code) for commencement of Corporate Insolvency Resolution Process (CIRP) in the matter of RCI Industries & Technologies Limited (“Corporate Debtor” or “Company”). Hon’ble National Company Law Tribunal (NCLT) New Delhi vide its order dated November 25, 2022 in C.P (IB) No. 2688 of 2019, commenced the CIRP in the matter of Corporate Debtor and appointed Mr. Brijesh Singh Bhadauriya as Interim Resolution Professional (IRP) subsequently confirming him as the Resolution Professional ("RP") under the provisions of the Code. The said order was uploaded on the website and available to the RP on November 30, 2022. The RP had invited Expression of Interest (EoI) from prospective Resolution Applicants (PRAs) to submit the Resolution Plan for the Company. Final plans received were placed, put to vote in the 22nd Committee of Creditor (CoC) (adjourned) meeting held on 5th June 2024. The resolution plan submitted by the JTL Industries Ltd. was approved by CoC and submitted to the Hon’ble NCLT for its approval vide Application No: A51/2024 on 7th September 2024, which is in process of consideration.
2. Due to absence of Chief Financial Officer (CFO, Company Secretary and other officials who were primarily responsible for the book-keeping and closure process and financial reporting, the RP and the remaining employees has made all practical and reasonable efforts to prepare these quarterly financial results for the period ended 31st December 2022. These results have been prepared with the same 'Basis of Preparation' as adopted by the erstwhile board of directors as prescribed under the Companies Act, 2013 and related regulations. The Statutory Auditors have carried out a limited review of the above results.
3. Post commencement of CIRP i.e. 25.11.2022, operations of the Company were temporarily discontinued for various reasons including temporary disconnection of the Electricity connection on 29.11.2022 and was reconnected on 8.12.2022. Further, there were no financial transactions during the month of December 2022 as RP was not recognised by the Vaish Cooperative Bank to allow the Account Operations. As a result of this temporary halt, all the revenues and its related expenses have been impacted and revenue and expenses cannot be compared on quarterly basis. Expenses incurred (post initiation of CIRP) for preserving the value of assets of the company and carry out the Corporate Insolvency Resolution Process were

duly approved by the Committee of Creditors (as required under the provisions of the Code from time to time.

4. After taking over the management and affairs of the company pursuant to the order dated 25.11.2022 of Hon'ble National Company Law Tribunal (NCLT), the RP requested the Directors (powers suspended), Auditors and Compliance officer of the company for handing over the books of accounts and financials of the company. The RP discovered that the CFO of the company had already resigned and left the Company before the commencement of the CIRP and the compliance officer also resigned after commencement of CIRP, leading to delay and difficulties in preparation of the financial results. Further, the RP also simultaneously followed up with the then Statutory Auditors of the company as well to explore preparation and compilation of financial information of the company, however without any success. In fact, the directors (powers suspended) did not hand over the books of accounts, among others and Fixed Assets Register (FAR) of the company. The RP also took this issue with the then Statutory Auditors to provide copy of the Fixed Assets Register (FAR) as they might have obtained and retained the same in their audit working papers. However, even the then Statutory auditors did not provide the copy of FAR to the RP. In fact, they have provided the depreciation chart (maintained in excel sheet) to the RP for the period ended September 30, 2022.
5. After various interaction and persuasion with the director (Power suspended), the RP received the accounting data maintained in books of accounts (maintained in Tally Accounting Software) duly signed by Mr. Rajeev Gupta, the Managing Director (power suspended), through his representative, vide email dated May 22, 2023 details of the same are as follows:
 - a. Un-audited standalone statements of Profit & Loss for period ending November 30th, 2022
 - b. Un-audited standalone balance sheet as at November 30th, 2022
 - c. Notes forming part of unaudited standalone financial statements for the period ended November 30th, 2022.
6. That after scrutiny the aforesaid financial statements, it was noticed that the signed financial results received over email forming part of the above financial results do not contain "Notes No. 1 to 3". As this is very critical observation therefore the same is being reproduced as follows:
 - **Note No. 1:** We could not make as to what could be in Note No 1. As seen from the previous financial statements, the information in Note No 1 should pertain to Corporate Information and Significant Accounting Policies of the Company.
 - **Note No 2:** Schedule pertaining to details of property, plant and equipment and capital work in progress

- **Note No 3:** Schedule pertaining to details of Intangible Assets

7. As the directors, Statutory auditors and compliance officer of the company were not cooperative in providing the desired information and documents promptly to the RP, the RP was forced to filing of Intervention application under section 19(2) of the IBC, 2016 before the Hon'ble NCLT-the adjudicating authority (being IA No: 1396/2023 on 03.03.2023) to provide necessary direction to the directors, auditors and compliance officer of the company to provide the desired information and documents to the RP. The same is still in process of consideration.
8. That the RP took up the issue of reduction in Remuneration with the then Statutory Auditors to bring it to a reasonably fair amount commensurate with the Turnover of the Company, which had reduced substantially recently, as their professional fees was considerably higher for Limited Review Auditor Report during the financial year 2022-23 and at the same time requested them to complete the Limited Review of the Financial Results for the quarter ended 31st December 2022 expeditiously. However, the then Statutory Auditors did not agree for reduction to a reasonable amount of Fees and also submitted their resignation vide email dated 8.08.2023. Thereafter, the new Statutory Auditors were appointed with the approval of the CoC in its meeting held on December 12, 2023.
9. That the was Mr. Rajeev Gupta, the suspended director, was requested to provide duly signed statement of financials upto the CIRP date ie 25.11.2022. As the order of the Hon'ble NCLT was received on 30.11.2022 by the RP, therefore it was agreed with the suspended director to provide the financials upto 30.11.2022 as the Management and affairs of the Corporate Debtor were effectively under control of Mr. Rajeev Gupta, the Managing Director, powers suspended. After receipt of the Order of the Hon'ble NCLT on 30.11.2022, the RP immediately sent formal information to all the Directors of the Corporate Debtor intimating commencement of the CIRP and request for handing over the Management and control and records of the Corporate Debtor. had first meeting with Mr. Rajeev Gupta, the Managing Director (power suspended). This was followed by personal meeting at the registered office of the Corporate Debtor in Delhi in the afternoon on 1.12.2022. In the said meeting, Mr. Rajeev Gupta, the Managing Director (power suspended) informed that the Electricity in the plant has been disconnected by the Electricity Department, therefore, no purpose would be served by visiting the Plant in Baddi, unless there is Electricity connection resumption. The Electricity was re-connected by the Department on 8/12/2022 at 1:50PM. As the Operations in the plant in Baddi continue to operate as a "*going concern*", therefore, certain dispatches of good took place under the guidance of the previous

management till 2.11.2022 under the then existing GST Registration Number No: 02AAACR5727Q2Z3.

INDEPENDENT AUDITOR'S REPORT

To the Suspended Board of Directors/ Resolution Professional (RP) of RCI Industries and Technologies Limited

Report on the Audit of the Consolidated Statements

Corporate Insolvency Proceedings as per Insolvency and Bankruptcy Code, 2016 (IBC)

The Application was filed by the Standard Chartered Bank (Singapore) Limited (Operational Creditor) under section 9 of the Insolvency and Bankruptcy Code, 2016 (Code) for commencement of Corporate Insolvency Resolution Process (CIRP) in the matter of RCI Industries & Technologies Limited ("Corporate Debtor" or "Company"). Hon'ble National Company Law Tribunal (NCLT) New Delhi vide its order dated November 25, 2022 in C.P (IB) No. 2688 of 2019, commenced the CIRP in the matter of Corporate Debtor and appointed Mr. Brijesh Singh Bhadauriya as Interim Resolution Professional (IRP) subsequently confirming him as the Resolution Professional ("RP") under the provisions of the Code. The said order was uploaded on the website and available to the RP on November 30, 2022.

We have been informed by RP, the directors, Statutory auditors and compliance officer of the Parent company were not cooperative in providing the desired information and documents promptly to the RP, The RP was forced to filing of Intervention application under section 19(2) of the IBC, 2016 before the Hon'ble NCLT-the adjudicating authority (being IA No: 1396/2023 on 03.03.2023) to provide necessary direction to the directors, auditors and compliance officer of the company to provide the desired information and documents to the RP.

Qualified Opinion

We have audited the accompanying consolidated financial statements of RCI Industries and Technologies Limited ("hereinafter referred to as the Parent Company") and its subsidiary (Parent Company and its subsidiary together referred to as "the Group"), which comprise the Balance Sheet as at March 31, 2025, and the Statement of Profit and Loss, including Other Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us except for the effects of the matters described in the Basis for Qualified opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a. The Parent Company has not maintained a proper Fixed Asset Register. Major details such as cost of assets, accumulated depreciation of previous years, actual purchase dates, invoice numbers, vendor names, and appropriate descriptions of assets are not available in the depreciation chart provided to us.

Further, during our audit, we observed the following:

- Significant discrepancies were noted in the depreciation chart, including non-availability of certain assets, existence of assets not recorded, mismatches in descriptions/models, absence of asset tags, and weak internal controls.
- As per the report of the independent Chartered Engineer appointed by the Resolution Professional, certain items of Plant & Machinery were found to be idle, non-functional, redundant, and materially overstated. Further, the Chartered Engineer has also reported that various items of Plant & Machinery were missing as on the CIRP date. Also, machinery purchased from Devi Metals was overstated by 40–50%, second-hand machinery by 40–50%, and new machinery by 30–35%.
- Supporting documents such as invoices, purchase orders, and ownership proofs for major items of Plant & Machinery were not made available to us. Accordingly, we were unable to verify capitalization, ownership, and valuation of such assets.
- Certain vehicles recorded in the books are registered in the names of third parties, raising doubt over the Parent Company's ownership rights in respect of such assets.
- Scrap and redundant assets were identified; however, no provision or write-off has been recognized in the financial statements.
- As per the Forensic Audit Report dated 16.08.2023, the Corporate Debtor has manipulated asset classification by routing transactions through accounts such as "*Creation of Fixed Assets*" and "*Creation of Assets*", thereby converting fixed assets into current assets and vice versa. These practices, carried out at periodic intervals, appear to have been adopted to manipulate financial ratios and facilitate submissions made to lenders against credit exposures. Such irregular accounting treatment indicates potential misstatement of financial statements and non-compliance with applicable accounting standards.

Because of the significance of the matters described above, we were unable to obtain sufficient appropriate audit evidence to verify the existence, ownership, valuation, and completeness of the balance of Property, Plant and Equipment (PPE) and Depreciation reported in the financial statements.

- b. As per the report of the independent Chartered Engineer appointed by the Resolution Professional, certain items recorded under Capital Work-in-Progress (CWIP) in the books of account and the depreciation register provided by the erstwhile management were not physically available at the Plant as on the date of commencement of the Corporate Insolvency Resolution Process (CIRP).

The financial impact of these discrepancies has not been quantified or recognized in the accompanying financial statements. Accordingly, we were unable to obtain sufficient appropriate audit evidence regarding the existence and valuation of CWIP as reported in the financial statements.

- c. The Parent Company holds equity investments in certain group companies. In accordance with Ind AS 109 "*Financial Instruments*", such investments are required to be measured at fair value through profit or loss as at the balance sheet date and the resulting gain/loss should be recognized in the financial statements. However, no such fair valuation has been carried out by the management.

Further, we have not been provided with agreements relating to these investments, nor have we been provided with the financial statements of the investee companies. In the absence of fair valuation and sufficient appropriate audit evidence, we are unable to determine the correctness of the carrying value of these investments and the consequential impact on the financial statements, including the Statement of Profit and Loss and related disclosures.

- d. Parent Company faces a material uncertainty related to Going Concern because of heavy losses incurred during the current and previous periods. Further, the net worth of the Parent Company has been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Parent Company's

ability to continue as a going concern. In our opinion, the financial statement however have been prepared by the management on a going concern basis for the reason as stated. Based on the information available, the Parent Company is presently under the Corporate Insolvency Resolution Process (CIRP) initiated pursuant to the order of the Hon'ble National Company Law Tribunal (NCLT), New Delhi dated November 25, 2022. The Resolution Professional (RP) has invited and evaluated Resolution Plans, and the plan has been approved by the Committee of Creditors (CoC) and is pending approval before the Hon'ble NCLT. In view of the ongoing CIRP and the likelihood of resolution through the approval of a Resolution Plan, the financial statements of the Parent Company have been prepared on a going concern basis. Accordingly, we conclude that the use of the going concern assumption in the preparation of the accompanying financial statements is appropriate under the given circumstances.

- e. The Parent Company's net worth has been fully eroded and it is under severe financial stress. Based on the information and explanations given to us, and on the basis of financial ratios, ageing and expected realization of financial assets, payment schedules of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors'/Resolution Professional's plans, and our examination of the evidence supporting the assumption, there exists a material uncertainty indicating that the Parent Company is not capable of meeting its liabilities existing as at the balance sheet date as and when they fall due within a period of one year from the balance sheet date.
- f. A Transaction-cum-Forensic Audit was carried out for the period April 01, 2017 to November 25, 2022 (as the books of accounts for the period April 01, 2015 to March 31, 2017 have not been made available by the suspended director till date). The forensic auditor has reported preferential, undervalued, fraudulent, and extortionate transactions aggregating to ₹369.71 crores, covered under Sections 43, 45, 50, and 66 of the Insolvency and Bankruptcy Code, 2016. Applications for reversal of these transactions have been filed before the Hon'ble National Company Law Tribunal (NCLT).

In view of the pending adjudication of these matters before the Hon'ble NCLT and absence of sufficient appropriate audit evidence regarding the recoverability and ultimate impact of such transactions on the financial statements, we are unable to comment on the adjustments, if any, that may be required in the accompanying financial results.

- g. We draw attention to the findings reported in the Forensic Audit carried out by an independent forensic auditor appointed by the Resolution Professional. As per the forensic audit report, the Corporate Debtor had sold land situated at Nalagarh on 31st December 2019, originally purchased for ₹2.29 crores, to M/s AKJ Metals Private Limited for ₹2.30 crores, resulting in a nominal gain of ₹1 lakh.

The forensic auditor has observed that the fair market value of the said land, as per the Valuation Report dated 15th May 2023, was ₹9.06 crores. Based on reverse calculation using the Cost of Inflation Index, the indexed cost was worked out at ₹7.52 crores, resulting in an imputed loss/fraud of approximately ₹5.22 crores, which has neither been recognized in the books of account nor appropriately disclosed in the financial statements.

Further, it has been noted that the transaction involved related parties and entities having influence over the Corporate Debtor, indicating that the transaction may be prejudicial to the interests of the Company and its stakeholders.

- h. The Parent Company has received regulatory notices and summons from various government authorities, including the Serious Fraud Investigation Office (SFIO), Enforcement Directorate (ED), Directorate General of GST Intelligence (DGGST), and the Income Tax Department. Investigations by DGGST allege fraudulent

availment of fake Input Tax Credit (ITC) amounting to approximately ₹214 crores through paper invoices, dummy companies, and other contrived arrangements, purportedly under the direction of the erstwhile Managing Director.

Pending conclusion of the said investigations and proceedings, the management/Resolution Professional has not made any adjustments or disclosures of possible financial implications in the accompanying financial results. In the absence of sufficient appropriate audit evidence to evaluate the possible financial impact of such regulatory actions on the financial statements, we are unable to determine whether any adjustments are required to the carrying amounts of assets, liabilities, expenses and disclosures.

- i. The Parent Company has received notices and is subject to investigations by various agencies, including **FIR No. 182/2022** registered by the Economic Offence Wing, New Delhi, and **FIR No. 615/2023** registered by Police Station Madhav Nagar, Katni, M.P., in relation to allegations of fraud, misappropriation, and non-return of job work material. These matters are presently under investigation.

Pending the outcome of such investigations and in the absence of sufficient appropriate audit evidence, no adjustments have been made in the accompanying financial statements for any potential financial implications arising therefrom. Accordingly, we are unable to determine whether any adjustments are required to the carrying values of assets, liabilities, expenses, or disclosures.

- j. Parent Company borrowings were declared as nonperforming asset (NPA) during the year ended March 31, 2020. Due to this, we have not been provided with any document confirming balances, as at March 31, 2025 for loans granted by financial institutions and banks, BG Invocation liability towards banks, bill discounting liability towards banks, certain current accounts and fixed deposits held by the Company. In the absence of such document, we cannot comment on the accuracy and completeness of these balances. The Company has not recognized interest expenses in its financial statement on its outstanding borrowings.

- k. The Parent Company has received multiple notices from the Income Tax Department, including:

- **Notice under Section 221(1)** dated July 31, 2025, from the Assistant Commissioner of Income Tax, Central Circle 32, Delhi, indicating substantial outstanding tax demands across several assessment years. The Company has been directed to show cause why penalty should not be levied for non-payment of these demands.
- **Notice under Section 148A(3)** dated June 28, 2025, for Assessment Year 2019–20, wherein the Income Tax Department has alleged that the Company engaged in **bogus sale-purchase transactions** and claimed **fraudulent Input Tax Credit (ITC)** amounting to ₹214.34 crores during FY 2017–18 and FY 2018–19. The corresponding **fake purchase transactions** are estimated at ₹1,190.78 crores. The notice further states that the Company failed to provide substantive documentary evidence and that the transactions with various entities were found to be merely on paper, with no actual movement of goods. As a result, income aggregating to ₹915.00 crores is considered to have **escaped assessment** under Section 147 of the Act.

The Parent Company has responded to the notices citing the moratorium under Section 14 of the Insolvency and Bankruptcy Code, 2016, due to its ongoing Corporate Insolvency Resolution Process (CIRP). However, the tax authorities have rejected this contention and proceeded with reopening the assessment.

We also understand that the Income Tax Department has filed claim before the RP as per the IBC, 2016 in respect of their claim as on the CIRP commencement date for Rs. 79,37,03,360/- raised till 12.12.2022 upto the Assessment Year 2020-21 and the said claim would be dealt with as per the Resolution Plan to be approved by the Hon'ble NCLT in due course.

In the absence of sufficient and appropriate audit evidence regarding the resolution of these matters, the potential financial impact of penalties, tax liabilities, and adjustments arising from these proceedings cannot be reliably estimated. Accordingly, we are unable to determine the consequential effect, if any, on the financial statements for the year ended March 31, 2025.

This matter was also reported in the Independent Auditors' Report on the standalone financial statements of the Company for the year ended March 31, 2024 in previous year: - Refer All Paragraph of basis of qualified opinion above.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter:

We draw attention to the following matters in the Notes to the consolidated financial statements:

- a) The Parent Company has incurred continuous losses, its current liabilities exceed current assets, and it has defaulted in repayment of borrowings as well as in payment of certain regulatory and statutory dues. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Parent Company's ability to continue as a going concern.
- b) The accounts, however, have been prepared by the management on a going concern basis, considering the reasons stated in the financial results and the approval of a resolution plan submitted by M/s JTL Industries Limited, the approval of a resolution plan submitted by M/s JTL Industries, which was approved by the Committee of Creditors in the 22nd Adjourned meeting held on 05th June, 2025 and Voting concluded on 17 August 2024.
- c) The said resolution plan is pending approval by the Hon'ble National Company Law Tribunal (NCLT). Pending such approval, we are unable to obtain sufficient appropriate audit evidence regarding management's use of the going concern basis of accounting in the preparation of the consolidated financial statements.
- d) In view of the ongoing Corporate Insolvency Resolution Process (CIRP) and various matters pending before regulatory authorities, the outcome of which cannot presently be ascertained, a material uncertainty exists that may cast significant doubt on the Parent Company's ability to continue as a going concern.

Our opinion is not modified in respect of these matter.

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

We give in "Annexure A" a detailed description of Auditor's responsibilities for Audit of the consolidated Financial Statements.

Other Matters:

- a) The financial statements of the subsidiary & associates have not been provided by the suspended management to the Resolution Professional. Accordingly, the balances relating to such subsidiaries have not been considered while preparing the consolidated financial statements.
- b) Attention is drawn to the fact that the figures for the quarter ended March 31, 2025 and corresponding quarter ended in previous year as reported in these consolidated financial results are the balancing figures between audited figures in respect of the full financial year and published year-to-date figures upto the end of the third quarter of the current and previous financial year respectively. Also the figures upto the end of the third quarter for the current and previous financial year had only been reviewed as required by the Listing Regulations.
- c) We were not the statutory auditors of the Parent Company for the year ended March 31, 2022 and accordingly did not audit or express an opinion on the standalone and consolidated financial statements of the Company for that year. Further, the standalone and consolidated financial results for the quarters ended June 30, 2022 and September 30, 2022 were reviewed by the predecessor auditor.

We have been appointed by the Resolution Professional during the Corporate Insolvency Resolution Process (CIRP) to undertake the quarterly reviews of the remaining quarters of FY 2022-23, FY 2023-24 and FY 2024-25, and to conduct the statutory audits of the standalone and consolidated financial statements of the Company for the years ended March 31, 2023, March 31, 2024 and March 31, 2025.

- d) The forensic audit has reported that the Corporate Debtor has an outstanding balance with M/s Shilpi Cable Technologies Limited, amounting to ₹48.36 crores, pertaining to transactions of earlier years. As per external investigations, including those by the Central Bureau of Investigation (CBI), M/s Shilpi Cable Technologies Limited and its promoters have been accused of allegedly cheating a consortium of banks to the extent of ₹1,000 crores, involving misuse of Letters of Credit, diversion of funds, and excess payments. The Company's books of account reflect no sales to this party, though payments were received in earlier years and adjusted against London Metal Exchange (LME) differences.
- e) The forensic audit has further reported that, as per the sanction letter issued by Union Bank of India dated October 29, 2018, an industrial land and building located at 108, HPSIDC, Baddi, Himachal Pradesh – 173005, was to be mortgaged with the bank as prime security. However, the property has been alleged to have been sold by the Corporate Debtor to M/s AKJ Metals Private Limited, resulting in a total loss of ₹10.12 crores.
- f) The forensic audit has also observed that despite regular purchases of Plant and Machinery aggregating to ₹6.60 crores during FY 2017-18 to FY 2020-21, no value addition in turnover was noticed; instead, turnover reduced

drastically by 96% (from ₹1,737.11 crores in FY 2017-18 to ₹70.80 crores in FY 2020-21). In the absence of satisfactory explanations or supporting documents, the forensic audit has opined that these substantial payments towards machinery purchases, and additional expenses of ₹77.42 lakhs booked under Repairs & Maintenance, indicate possible siphoning of funds by the Corporate Debtor.

- g) The forensic audit has further reported that the Corporate Debtor sold goods and job work services aggregating to ₹13.88 crores during earlier periods to parties including M/s R N International (₹12.39 crores) and M/s H H Metals (₹1.49 crores) without realizing any consideration. Subsequently, such balances were written off in full in FY 2021-22. The forensic audit has opined that these transactions were in the nature of fraud, as stock was removed from the books by recording sales for which no money was received.
- h) In addition to the above matters, the forensic audit report has also highlighted instances of fake sales and purchase transactions entered into by the Corporate Debtor, indicating further irregularities in the books of accounts.

Our opinion is not modified in respect of these matters.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF RCI INDUSTRIES AND TECHNOLOGIES LIMITED

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and Board of Directors.
- Conclude on the appropriateness of management and Board of Director's/ Resolution Professional's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

- i. (a)
 - The Company has not maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment as the fixed assets register has not been provided and handed over to the Resolution Professional after taking over the control and management of the Company consequent upon the order dated 25.11.2022 of the Hon'ble NCLT.

- (b) All the Property, Plant and Equipment of the Company have not been physically verified by the management during the year. The Resolution Professional (RP), who had taken over the management and control of the Company pursuant to the order dated 25.11.2022 of the Hon'ble NCLT, had appointed a Chartered Engineer during the FY 2022-23 to physically verify the plant and machineries lying in the plant at Baddi, who had submitted his report dated 02.06.2023. As per the said report, certain items of Plant & Machinery were found to be idle, non-functional, redundant, and materially overstated apart from various discrepancies and items missing as on the CIRP date. The material discrepancies so identified are yet to be properly dealt with in the books of account during FY 2024-25 as well.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the standalone financial statements, are held in the name of the Company.
- (d) According to the information and explanations given to us, the Company has not revalued its property, plant and Equipment (including Right of Use assets) during the year. The Company does not have any intangible assets. Accordingly, the provisions stated under clause 3(i)(d) of the Order are not applicable to the Company.
- (e) According to the information and explanations given to us, no proceeding has been initiated or pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988, as amended and rules made thereunder. Accordingly, the provisions stated under clause 3(i)(e) of the Order are not applicable to the Company.
- ii. (a) The Management has not conducted physical verification of the inventory during the year. Accordingly, we are unable to comment on the appropriateness of the coverage and procedure of physical verification. Further, discrepancies, if any, could not be ascertained and therefore, we are

unable to comment on whether such discrepancies have been properly dealt with in the books of account.

- (b) During any point of time of the year, the Company has not been sanctioned working capital limits from Banks on the basis of security of current assets. Accordingly, the provisions stated under clause 3(ii)(b) of the Order is not applicable to the Company. However, Company has existing limits from various banks and financial institutions. As the Company borrowings has been declared as non-performing asset (NPA) by the lenders, Company is not submitting any quarterly return or statement with the lenders.
- iii. (a) According to the information and explanations provided to us, the Company has not provided loans, advances in the nature of loans, stood guarantee, and/or provided security(ies) to other entities during the year ended 31.03.2025.
- The details of such loans, advances, guarantee or security(ies) to subsidiaries, Joint Ventures and Associates are as follows:

	Loans	Advances in the nature of loans
Aggregate amount granted/provided during the year		NIL
- Associates		Metalrod Private Limited
Balance Outstanding as at balance sheet date in respect of above cases		1,27,70,189
- Associates		

- (b) According to the information and explanations given to us and based on the audit procedures performed, we report that the guarantees provided and the terms and conditions of loans granted by the Company to its associates (total loan amount granted during FY 2024-25 is NIL and balance outstanding as at the balance sheet date ₹1,27,70,189) are prejudicial to the interest of the Company, for the following reasons:

- the loans have been provided without obtaining the requisite approvals as required under Section 186 of the Companies Act, 2013;
- the loans have been granted either interest free, which is significantly lower than the cost of funds to the Company and also lower than the prevailing yield of Government securities closest to the tenor of the loan; and in certain cases, no repayment terms have been stipulated.

Further, we observed that investments in the equity shares of related entities amounting to ₹1,08,70,302/- were recognized only during FY 2019-20 and revalued to ₹11,86,16,395/- as at 31.03.2020, despite evidence suggesting that such shares had been acquired much earlier (in or prior to FY 2005-06). Such belated recognition and subsequent revaluation, without adequate supporting evidence such as valuation reports or audited financials of the investee entities, resulted in inflation of the net worth of the Company by 90.84%, which in our opinion is prejudicial to the interest of the Company.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the advance is repayable on demand. Consequently, clause (iii)(c) of the Order is not applicable to the Company.

[Referred to in paragraph 2(g) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date to the Members of RCI Industries And Technologies Limited on the Financial Statements for the year ended March 31, 2025]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of RCI Industries and Technologies Limited ("the Company") as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Qualified Opinion

In our opinion, except for the effects/possible effects of the material weaknesses described in Basis for Qualified Opinion Section below on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls with reference to standalone financial statements as of March 31, 2025 and such internal financial controls with reference to standalone financial statements were operating effectively as of March 31, 2025, based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI).

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended March 31, 2025, and Owing to the significance of the matters described therein, the said material weaknesses have also impacted our audit opinion on the standalone financial statements of the Company.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2025:

- a) The Company is under the Corporate Insolvency Resolution Process ("CIRP") pursuant to the provisions of the Insolvency and Bankruptcy Code, 2016. The suspended management has not maintained / provided Standard Operating Procedures (SOPs) and Risk Control Matrices (RCMs) in respect of internal financial controls with reference to standalone financial statements to the Resolution Professional. In the absence of such documentation, the adequacy and design of controls could not be independently established.
- b) Due to non-availability of requisite data, information, and supporting documentation with the Resolution Professional, we were unable to perform our planned testing procedures on the design and operating effectiveness of internal financial controls with reference to standalone financial statements. Consequently, we could not obtain sufficient appropriate audit evidence to determine whether the Company had established and maintained adequate and effective internal financial controls as at March 31, 2025.

Managements and Board of Director's Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

CHARTERED ACCOUNTANTS

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Pursuant to Companies Act, 2013, the company depreciates its assets by the estimated useful life of the fixed assets on written down value as prescribed under Schedule II of the Companies Act, 2013.

K Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

1) Financial assets**Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets measured at fair value

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through profit or loss.

RCI INDUSTRIES & TECHNOLOGIES LTD**CIN : L74900DL1992PLC047055****NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025****Impairment of financial assets**

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

Loss allowance equal to the lifetime expected credit losses is recognised if the credit risk on the financial instruments has significantly increased since initial recognition. For financial instruments whose credit risk has not significantly increased since initial recognition, loss allowance equal to twelve months expected credit losses is recognised.

Derecognition of financial assets

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the assets and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing of the proceeds received.

2) Financial liabilities and equity instruments**Classification as debt or equity**

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, using the effective interest rate method.

Interest-bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in accordance with the Company's accounting policy for borrowing costs.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

3) Derivative financial instruments and hedge accounting

In the ordinary course of business, the Company uses certain derivative financial instruments to reduce market risks

Derivatives are initially accounted for and measured at fair value from the date the derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period.

L. Revenue recognition**Company applies Ind AS 115 for revenue recognition**

- a) Sale of goods is recognised at its transaction price when the company has satisfies its performance obligation under the contract. Sales include amounts recovered towards excise duty and exclude sales tax/value added tax/ GST.
- b) Income from services rendered is recognised based on the agreements/arrangements with the concerned parties and when services are rendered.
- c) Export benefits are accounted for on accrual basis.

M. Foreign Currency Transactions

Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of transactions or the rate that approximates the actual rate at the date of the transaction. Monetary items denominated in foreign currencies at the year end are restated at year end rates. Any income or expense on account of exchange difference either on settlement or on translation is recognized in the profit and loss account.

RCI INDUSTRIES & TECHNOLOGIES LTD**CIN : L74900DL1992PLC047055****NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENT FOR THE YEAR ENDED MARCH 31, 2025****N. Provision for Current and Deferred Tax**

Tax expense comprising current tax and deferred tax are recognized in statement of profit and loss account for the year. Current tax is the amount of income tax determined to be payable in respect of taxable income as computed under the tax laws. Deferred tax is recognized on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. The effect on deferred tax assets and liabilities due to change in such assets/liabilities as at the end of accounting period as compared to that at the beginning of the period due to a change in tax rates are recognized in the income statement for the period.

O. Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Other contingent liabilities to the extent management is aware is disclosed by way of notes on financial statement.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements.

Note-43 Observations of Resolution Professional on Qualified Audit Report

1. The Application was filed by the Standard Chartered Bank (Singapore) Limited (Operational Creditor) under section 9 of the Insolvency and Bankruptcy Code, 2016 (Code) for commencement of Corporate Insolvency Resolution Process (CIRP) in the matter of RCI Industries & Technologies Limited ("Corporate Debtor" or "Company"). Hon'ble National Company Law Tribunal (NCLT) New Delhi vide its order dated November 25, 2022 in C.P (IB) No. 2688 of 2019, commenced the CIRP in the matter of Corporate Debtor and appointed Mr. Brijesh Singh Bhadauriya as Interim Resolution Professional (IRP) subsequently confirming him as the Resolution Professional ("RP") under the provisions of the Code. The said order was uploaded on the website and available to the RP on November 30, 2022. The RP had invited Expression of Interest (EoI) from prospective Resolution Applicants (PRAs) to submit the Resolution Plan for the Company. Final plans received were placed, put to vote in the 22nd Committee of Creditor (CoC) (adjourned) meeting held on 5th June 2024. The resolution plan submitted by the JTL Industries Ltd. was approved by CoC and submitted to the Hon'ble NCLT for its approval vide Application No: A51/2024 on 7th September 2024, which is in process of consideration.
2. Due to absence of Chief Financial Officer (CFO, Company Secretary and other officials who were primarily responsible for the book-keeping and closure process and financial reporting, the RP and the remaining employees has made all practical and reasonable efforts to prepare these quarterly financial results for the period ended 31st December 2022. These results have been prepared with the same 'Basis of Preparation' as adopted by the erstwhile board of directors as prescribed under the Companies Act, 2013 and related regulations. The Statutory Auditors have carried out a limited review of the above results.
3. Post commencement of CIRP i.e. 25.11.2022, operations of the Company were temporarily discontinued for various reasons including temporary disconnection of the Electricity connection on 29.11.2022 and was reconnected on 8.12.2022. Further, there were no financial transactions during the month of December 2022 as RP was not recognised by the Vaish Cooperative Bank to allow the Account Operations. As a result of this temporary halt, all the revenues and its related expenses have been impacted and revenue and expenses cannot be compared on quarterly basis. Expenses incurred (post initiation of CIRP) for preserving the value of assets of the company and carry out the Corporate Insolvency Resolution Process were

duly approved by the Committee of Creditors (as required under the provisions of the Code from time to time.

4. After taking over the management and affairs of the company pursuant to the order dated 25.11.2022 of Hon'ble National Company Law Tribunal (NCLT), the RP requested the Directors (powers suspended), Auditors and Compliance officer of the company for handing over the books of accounts and financials of the company. The RP discovered that the CFO of the company had already resigned and left the Company before the commencement of the CIRP and the compliance officer also resigned after commencement of CIRP, leading to delay and difficulties in preparation of the financial results. Further, the RP also simultaneously followed up with the then Statutory Auditors of the company as well to explore preparation and compilation of financial information of the company, however without any success. In fact, the directors (powers suspended) did not hand over the books of accounts, among others and Fixed Assets Register (FAR) of the company. The RP also took this issue with the then Statutory Auditors to provide copy of the Fixed Assets Register (FAR) as they might have obtained and retained the same in their audit working papers. However, even the then Statutory auditors did not provide the copy of FAR to the RP. In fact, they have provided the depreciation chart (maintained in excel sheet) to the RP for the period ended September 30, 2022.
5. After various interaction and persuasion with the director (Power suspended), the RP received the accounting data maintained in books of accounts (maintained in Tally Accounting Software) duly signed by Mr. Rajeev Gupta, the Managing Director (power suspended), through his representative, vide email dated May 22, 2023 details of the same are as follows:
 - a. Un-audited standalone statements of Profit & Loss for period ending November 30th, 2022
 - b. Un-audited standalone balance sheet as at November 30th, 2022
 - c. Notes forming part of unaudited standalone financial statements for the period ended November 30th, 2022.
6. That after scrutiny the aforesaid financial statements, it was noticed that the signed financial results received over email forming part of the above financial results do not contain "Notes No. 1 to 3". As this is very critical observation therefore the same is being reproduced as follows:
 - **Note No. 1:** We could not make as to what could be in Note No 1. As seen from the previous financial statements, the information in Note No 1 should pertain to Corporate Information and Significant Accounting Policies of the Company.
 - **Note No 2:** Schedule pertaining to details of property, plant and equipment and capital work in progress

- **Note No 3:** Schedule pertaining to details of Intangible Assets

7. As the directors, Statutory auditors and compliance officer of the company were not cooperative in providing the desired information and documents promptly to the RP, the RP was forced to filing of Intervention application under section 19(2) of the IBC, 2016 before the Hon'ble NCLT-the adjudicating authority (being IA No: 1396/2023 on 03.03.2023) to provide necessary direction to the directors, auditors and compliance officer of the company to provide the desired information and documents to the RP. The same is still in process of consideration.
8. That the RP took up the issue of reduction in Remuneration with the then Statutory Auditors to bring it to a reasonably fair amount commensurate with the Turnover of the Company, which had reduced substantially recently, as their professional fees was considerably higher for Limited Review Auditor Report during the financial year 2022-23 and at the same time requested them to complete the Limited Review of the Financial Results for the quarter ended 31st December 2022 expeditiously. However, the then Statutory Auditors did not agree for reduction to a reasonable amount of Fees and also submitted their resignation vide email dated 8.08.2023. Thereafter, the new Statutory Auditors were appointed with the approval of the CoC in its meeting held on December 12, 2023.
9. That the was Mr. Rajeev Gupta, the suspended director, was requested to provide duly signed statement of financials upto the CIRP date ie 25.11.2022. As the order of the Hon'ble NCLT was received on 30.11.2022 by the RP, therefore it was agreed with the suspended director to provide the financials upto 30.11.2022 as the Management and affairs of the Corporate Debtor were effectively under control of Mr. Rajeev Gupta, the Managing Director, powers suspended. After receipt of the Order of the Hon'ble NCLT on 30.11.2022, the RP immediately sent formal information to all the Directors of the Corporate Debtor intimating commencement of the CIRP and request for handing over the Management and control and records of the Corporate Debtor. had first meeting with Mr. Rajeev Gupta, the Managing Director (power suspended). This was followed by personal meeting at the registered office of the Corporate Debtor in Delhi in the afternoon on 1.12.2022. In the said meeting, Mr. Rajeev Gupta, the Managing Director (power suspended) informed that the Electricity in the plant has been disconnected by the Electricity Department, therefore, no purpose would be served by visiting the Plant in Baddi, unless there is Electricity connection resumption. The Electricity was re-connected by the Department on 8/12/2022 at 1:50PM. As the Operations in the plant in Baddi continue to operate as a "*going concern*", therefore, certain dispatches of good took place under the guidance of the previous
