This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**4. Response to Qualified Conclusions in our previous reports**

- A. The Review is limited to the Profitability figures.
- B. However, we draw attention to the fact that the company -after the completion of the CIRP Process - is to complete the following:

  - Physical verification of all Assets and Stocks as inherited after the CIRP Process
  - Management has represented that these activities are planned to be undertaken during Q4 of the current financial year. Accordingly, no adjustments have been made to the carrying value of PPE during the period under review.

After the completion of the above activities by the Company, their impact on the financials shall be quantified.

- C. The Company holds equity investments in certain companies related to the erstwhile promoters. In accordance with Ind AS 109 "*Financial Instruments*", the company shall provide the Fair Value of such investments by the 31<sup>st</sup> of March, 2026

Management has represented that the necessary information, fair valuation, and consequential accounting adjustments in respect of these investments will be carried out and appropriately accounted for in the quarter ending 31 March (Q4). Thereafter, the impact on the financial statements for the year ending on 31<sup>st</sup> March, 2026 will be ascertained and reported.
