1. These results have been prepared on the basis of the audited condensed standalone and consolidated interim financial statements which are prepared in accordance with the Indian Accounting Standard (referred to as "IndAS") 34 - Interim Financial Reporting prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules 2015 and relevant amendment rules thereafter. The quarterly and nine months period ended financial results have been reviewed by the Audit Committee and have been approved and taken on record by the Board of Directors in its meeting held on January 16, 2026.
2. The Auditors have issued an unmodified opinion on the audited standalone and consolidated interim financial results and have invited attention to a matter (Emphasis of Matter). The Emphasis of Matter is on account of the financial irregularities committed by the promoters of erstwhile Satyam Computer Services Limited (SCSL) before it was acquired by the Company. SCSL was amalgamated with the Company in June 2013. The Emphasis of Matter and the Management Response on the same is available as part of the detailed Regulation 33 formats posted on the Stock Exchange websites (www.nseindia.com/www.bseindia.com) and the Company's website (www.techmahindra.com).
3. On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws, collectively referred to as the 'New Labour Codes'. The Group has assessed and disclosed the incremental impact of these changes, taking into consideration the best information available read with the FAQs released by Ministry of Labour & Employment and Institute of Chartered Accountants of India. Considering the materiality and regulatory driven, non-recurring nature of this impact, the Group and the Company has presented incremental impact of Rs. 2,724 Million and Rs. 2,452 Million related to Employee Benefit Obligations under 'Exceptional item' in the consolidated and standalone interim financial results for quarter and nine months ended December 31, 2025 respectively. The Group continues to monitor developments on the rules to be notified by regulatory authorities, including clarifications/ additional guidance from authorities and will continue to assess the accounting implications basis such developments/guidance.
