Dear Sir,

Reg.30

Sub: Submission of Newspaper clipping of Financial Results.

We are enclosing herewith newspaper clipping of the financial results approved in the Board meeting on August 14, 2021 and published on August 15, 2021 in two newspapers namely "Arthiklipi", a Bengali daily, and "The Eco of India" an English daily.

Please take a note of the same.

Thanking you.

Yours faithfully

For The Phosphate Co. Ltd.

Negative RT-PCR report or full vaccination must for entering Punjab from Monday

CHANDIGARH, AUG 14 /- / The Punjab government Saturday announced that from Monday the state will allow entry to only those who are either fully vaccinated against coronavirus or have a negative RT-PCR report.

The directions, issued after Chief Minister Amarinder Singh held a Covid review meeting here, also said there will be strict monitoring of people coming from Himachal Pradesh and Jammu. According to an official statement, Singh expressed concern about the positivity rate in Himachal Pradesh and other parts of the country, which probably also pushed Punjab's positivity rate marginally up to 0.2 per cent in the last week with reproduction number going up to 1.05 per cent. A Cambridge study has also predicted that cases are likely to double in the next 64 days, he warned, announcing new restrictions in addition to those already in force.

These will apply to all those entering Punjab by road, rail or air, the chief minister said, adding if a person does not fulfil either of the criteria, he/she will have to undergo RAT (rapid antigen test) unless they recently recovered from Covid. Amid reports of Covid cases from schools, the CM also directed that only fully vaccinated teaching and non-teaching staff, or those recently recovered from Covid, physically teach in schools and colleges. Online learning option will remain available to all children, he said. Since August 9, as many as 41 students and one staff member in government schools have tested positive.

He further ordered prioritisation of teachers and non-teaching staff for vaccination, with special camps to be held to ensure that all are covered with the first dose within this month and those due for their second also be given due attention. Health Minister Balbir Singh Sidhu suggested reducing the gap between the two doses to expeditiously administer the second dose to teachers and other school staff. The CM also ordered at least 10,000 test samples of students and staff from schools be collected every day. Districts where positivity is above 0.2 per cent have been asked to shut down physical education for up to class 4 until the situation improves. The CM said that intensive testing has shown that the positivity rate among school students is 0.1 per cent against the overall positivity of 0.2 per cent recorded in the past one week.(PTI)

4. The above unaudited financial results have been approved and taken on record by the Board of Directors at their meeting held on 13th August 2021.					
5. Number of Investors complaints during the Quarter: Nil, Resolved Nil, Disposed Nil and Pending Nil.					

NEW DELHI, AUG 14 /- / Security has been scaled up across the capital ahead of Independence Day with thousands of personnel keeping strict vigil at strategic locations, including the Delhi borders where farmers have been on a sit-in for over eight months to protest the centre's new agri laws, officials said on Saturday. According to the

police, a multi-layered security cover has been put at the Red Fort from where Prime Minister Narendra Modi will address the nation on the 75nd Independence Day. Multi-layered security arrangements are also in place with heavy barricading and extra picket deployments at vital installations across the city, including the Indira Gandhi

International Airport, railway stations and bus terminals along with border areas to thwart any untoward incident. Anti-sabotage checks are being carried out and patrolling has been intensified across the city, including on the Yamuna river where patrolling is being conducted on motor boats by the Delhi Police. Anti-terrorist measures are

being carried out in view of threat perception and intelligence inputs, they said. Chinmo Biswal, Delhi Police PRO said, "In view of Independence day, elaborate security arrangements have been made in coordination with other security agencies at and around Red Fort in a coordinated manner. Arrangements have been made to combat hostile elements. No aerial objects,

balloons are allowed this Independence Day."

At the Mughal-era fort, a security ring, including NSG snipers, elite SWAT commandos and kite catchers, have been placed, while anti drone systems have also been installed there in view of recent terror attack at IAF station in Jammu airport, officials said. Policemen in civil dress would be deployed at

strategic locations across the capital with extra focus in and around the Red Fort. As part of the anti-terror measures, enhanced police presence, intensive checking at vulnerable points, checking of hotels and guest houses, SIM card and second hand car dealers, sensitisation of cyber cafe owners and verification of tenant and servant drives have been intensively carried out by all the police stations, officials said.
