## **Fluidomat enters in Strategic Distributor Agreement with Oceanwings – Saudi Arabia – A Subsidiary of Expertise group.**

Fluidomat a leading manufacturer of Fluid Couplings in wide range since 1971 together with Oceanwings will create a strong co-operation to expand Fluidomat Fluid Coupling International market reach.

Saudi Arabia has a wide industrial base in Petrochemical, Mining & Power sector and have future plans to expand its industry base. Presently the Saudi Arabia market is catered only by European Companies thus offers a very high market potential for Fluidomat fluid couplings typically for Scoop Control Variable Speed Couplings which are hitech and value added.

This Strategic Distributorship represents an important milestone in Fluidomat's international growth objectives and is in perfect alignment with its long-term strategy to expand its global presence, specifically among the large global and emerging industrial markets.

Fluidomat offers fluid couplings of various types including variable speed couplings up to power range of 6000 KW. Fluidomat couplings are field proven, reliable and are of high quality of international standard.

### **About Oceanwings Trading Company:**

Oceanwings Trading Company is a subsidiary of the Expertise Group. Oceanwings offers a comprehensive range of high-quality industrial products and specializes in custom supply contracts, long-term partnerships, and global sourcing and also provide tailor made supply solution for industrial plants. Oceanwings is also a leading provider of Maintenance, Repair, and Operating (MRO) materials and have a strong base of technical support for our Fluid Couplings.

### **About Expertise Group:**

Founded in 2008 in Jubail Industrial City, Saudi Arabia, Expertise Group is a leading industrial conglomerate with over 20,000 employees. The Group operates across diverse sectors, including petrochemicals, oil & gas, fertilizers, steel, cement, water treatment, and power generation. With strategically located branch offices, Expertise Group has established itself as one of the largest and most trusted industrial service providers in Saudi Arabia and the Middle East.
