URGENT NOTICE: Safety Check Advisory and Rider Self-Inspection

Date of Issue: 15/11/2025

To: All Cosmet Fleet and Cosmic EV Riders in Kolkata and Surrounding Areas

Self-Check for Battery Water Ingress After the Monsoon season of 2025 in and around Kolkata, West Bengal

Dear Rider,
We hope this message finds you and your loved ones safe. During the 2025 monsoon season, heavy flooding occurred in Kolkata and surrounding areas. If your scooter was exposed to floodwater, water may have entered the battery compartment. This can be dangerous, even if the vehicle appears to be working normally.

We are requesting all riders to perform a basic safety check on their vehicle. Please treat this with utmost importance.

You are given a 15-day timeline from the date of this notice to complete the self-check. If you find any sign of damage or are unsure, please inform us immediately.

I. RIDER SELF-CHECK INSTRUCTIONS [FOLLOW EACH STEP CAREFULLY]

- 1. Turn off your vehicle.** Make sure your scooter is turned off and not plugged into a charger.
- 2. Look at the battery casing.** Check all four corners, the charging area, the welding area, areas where screws are present and the underside. Look for water marks as shown in the video, rust marks, or white powder. Do not put your battery on charge.
- 3. Check the sealing tape.** If the sealing tape is completely ripped it indicates past moisture exposure. Do not put your battery on charge.
- 4. Inspect the screws and joints.** Look for rusty or discoloured screws or bolts near the battery. If found, do not put your battery on charge.
- 5. Open the charging port.** Use a mobile torch and check inside. If you notice black marks, rust, or a burnt smell, this may signal water damage. Do not put your battery on charge.
- 6. Tilt your battery gently.** Lay the battery on a flat surface. If any liquid leaks out, it means water ingress has occurred and the battery needs to be brought to the service centre for replacement or repair. Do not put your battery on charge.

II. WHAT TO DO IF YOU SEE DAMAGE?

Please contact our team immediately.

Helpline: 87778 31619, 91474 10235, 91473 96144.

We will guide you on next steps. If your battery or vehicle is found to be water-damaged, we will replace it or repair it free of cost.

III. 15-DAY RESPONSE DEADLINE

You are required to complete this self-check and report findings within 15 days of receiving this notice. After this period, if any damage occurs and no check was done or reported, we may not be able to offer replacement or support on priority. Please do not delay. Your safety is of utmost importance to us.

IV. IMPORTANT ESCALATION CLAUSE

1. Battery overheating or fire
2. Electric shock while charging
3. Fluid leakage from battery
4. Visible smoke or sparking
5. Rider injury or property damage

You must IMMEDIATELY call the Helpline and report the incident. Our technical teams will investigate and assist you with priority. Do not attempt to open the battery or continue using the scooter in such cases. Do not put your battery on charge.

V. FINAL MESSAGE FROM THE CHAIRMAN:

Your safety is our priority. Please note that this is not a routine message.

Please perform this self-check responsibly, and share this notice with anyone in your family or company using the vehicle. Thank you for being a part of the Cosmic & Cosmet family. We're here to support you. Ride Safe, Ride Smart.

Warm regards,
For Cosmet Fleet Pvt Ltd and Cosmic EV Ltd.
