HCG REDEFINES THE DYNAMICS OF CANCER CARE

~ Mumbai's First Private Comprehensive Centre dedicated to Cancer care offers multidisciplinary approach to oncology treatments ~

Mumbai, December 16th, 2019: Healthcare Global Enterprises Ltd. (HCG), India's leading provider of cancer care, today announced the launch of the first private comprehensive centre dedicated to Cancer care in Borivali, Mumbai. The 105 bedded centres with dedicated team of specialists in oncology will provide comprehensive diagnosis, radiation, medical and surgical oncology services under one roof. The centre was inaugurated by cancer winner and actor **Ms. Manisha Koirala** along with **Dr. BS Ajaikumar, Chairman & CEO, HCG**.

Speaking on the occasion, **Dr. BS Ajaikumar** said, "With the launch of HCG's cancer centre in Borivalli, we shall step up to providing comprehensive oncology services focused on delivering specialized outcome based treatments with a multi-disciplinary clinical approach in Mumbai. For years, HCG has been defining and redefining the future of cancer care with a steadfast vision towards patient centricity and being at par with global standards. The Centre offers stereotactic radio-surgery (SRS), Bone Marrow Transplant Unit, Nuclear Medicine department among others, and an experienced team of oncology specialists who are dedicated to deliver the highest quality of care and outcomes while catering to diverse segments of the society. HCG is best known for its outcomes in cancer care and the same has been testified by [Harvard business review](#)."

Present at the inauguration, **Ms. Manisha Koirala** said, "Being a cancer winner myself, I would take this opportunity to laud HCG's dedication towards cancer care. I have undertaken the fight against cancer few years back and I strongly believe that 'Hope' is the most important formula that has helped me win over cancer. Ignorance and denial will only result in diagnosis and treatment delays, which could prove fatal in many cases. Cancer did change my life, but only to a better and positive person who is now a bastion of hope for the many undergoing the journey

PRESS RELEASE

right now. I would urge each and every one to take their health a little more serious and be well informed of its warning signs.”

To address the growing need for expertise and quality medical services in the region, HCG Cancer Centre will be offering holistic cancer care with multi-disciplinary approach through specialist doctors in Medical, Surgical and Radiation Oncology. The cancer center is equipped with the advanced radiation machine, Elekta HD-Versa, which provides faster and accurate treatment for a wider range of cancers. The Centre is also equipped with PET CT for planning and diagnosing along with a 24 hours Pathology Lab. It also has a Bone Marrow Transplant Unit with 6 beds and a state-of-the-art facility that has advanced ICU and dedicated isolation rooms.

Offering comprehensive services across diagnosis and treatment, the centre would effectively be raising the bar for cancer care in the region and will follow internationally proven quality protocols and processes.

About HCG

Healthcare Global Enterprises Ltd (HCG), headquartered out of Bangalore, is the largest provider of cancer care in India. Through its network of 24 centres spread across India, HCG has brought advanced cancer care to the doorstep of millions of people. HCG’s comprehensive cancer centres provide expertise and latest technologies in diagnosis and treatment of cancer under one roof. HCG has pioneered introduction and adoption of several technologies in the country and is amongst the first to introduce high-intensity flattening filter free mode radiotherapy, stereotactic radiosurgery and robotic radiosurgery, in the treatment of cancer in India.
