## Aurionpro wins major CSB bank mandate, expands presence in India's banking sector

Cash management solution chosen as the preferred platform by Catholic Syrian Bank (CSB), a leading private sector bank, further expanding Aurionpro's footprint across India's financial sector.

**Mumbai, India- Jan 19, 2026:** Aurionpro Solutions, a global leader in banking technology, today announced a significant win to implement its next-generation cash management platform for CSB Bank. This multi-year, multi-million-dollar engagement includes software licensing, full implementation, and an extended annual maintenance contract (AMC).

The cash management solution is a key component of Aurionpro's comprehensive, AI-native transaction banking platform, designed to transform and elevate the banking experience for the bank's corporate customers. The win adds to Aurionpro's recent projects with several major public sector banks and solidifies its position as a trusted partner among leading banks in India and globally, delivering scalable, future-ready corporate banking solutions.

Through this strategic engagement, CSB bank will modernize its cash management services, enhance customer experience, and strengthen its competitive edge in the rapidly evolving digital banking landscape. Aurionpro's advanced cash management platform is designed to provide corporates and institutions with seamless digital solutions, offering features such as Collections, Dividend Warrants Management, and Mandate Management.

**Pralay Mondal, CSB Bank MD & CEO, said:**

"We are pleased to join hands with Aurionpro Solutions to accelerate CSB Bank's digital transformation journey. Our commitment to innovation, operational excellence, and customer-centricity drives every initiative at CSB Bank. This partnership further strengthens our mission to provide seamless and secure digital experiences for our corporate banking & SME clients, as we scale new heights in technology adoption and service delivery.

By leveraging Aurionpro's advanced cash management platform, we are confident of enhancing efficiency, driving sustainable growth, and setting new standards for our stakeholders across India's financial sector."

**Ashish Rai, Group CEO, Aurionpro Solutions, commented:**

"We are proud to partner with CSB Bank, one of India's premier public sector banks, in their effort to modernize cash management operations. India is reshaping global banking innovation, redefining how corporate transactions are handled today. This win underscores the trust leading banks place in Aurionpro's technology and expertise, and highlights the growing demand for AI-native solutions tailored to evolving corporate banking needs. With our proven track record of delivering large scale implementations for major banks, Aurionpro is well positioned to capture a significant share of this expanding market opportunity."
