Rampur Barrel Blush and Asava strike Gold at The Fifty Best World Whisky Tasting 2025

New Delhi, January 19, 2026 – Rampur Barrel Blush Indian Single Malt Whisky and Rampur Asava Indian Whisky from the house of Radico Khaitan, one of India's largest and most respected spirits companies, won top honours at The Fifty Best World Whisky Tasting 2025. They were awarded Gold medals by an international jury through a blind tasting process, affirming Rampur's growing standing in the world whisky category.

Held in New York, The Fifty Best World Whisky Tasting is a respected international benchmark in spirits evaluation, bringing together a pre-qualified panel of journalists, spirits professionals, retailers, and mixologists for a rigorous blind tasting. Whiskies are assessed on professional criteria and scored individually, with medals awarded based purely on the judges' impressions. The double Gold places Rampur among a select group of world whiskies recognised for excellence in craftsmanship, quality, and character.

Commenting on the achievement, **Mr. Abhishek Khaitan, Managing Director, Radico Khaitan**, said, *“Winning Gold at The Fifty Best World Whisky Tasting is a proud moment for us and a strong validation of the journey we are building for Rampur globally. It reinforces our belief that Indian single malts today stand shoulder-to-shoulder with the world’s finest. This recognition reflects the long-term commitment of our teams to craft, consistency, and creating spirits that can carry Indian provenance with global credibility.”*

Rampur Indian Single Malt is crafted in India and shaped by a distinctive terroir that lends depth and complexity to its profile. Over the years, the brand has steadily built a presence across key international markets, gaining appreciation among whisky experts, premium retailers, and connoisseurs worldwide.

Mr. Sanjeev Banga, President – International Business, Radico Khaitan, added, *“Global blind tastings like The Fifty Best carry enormous significance because they are driven purely by the liquid and expert judgment. Gold medals for Rampur Barrel Blush and Rampur Asava underline the strength of our portfolio and the growing international appetite for Indian single malts. As we continue to expand our global footprint, our focus remains on strengthening distribution, deepening brand storytelling, and building Rampur as a long-term player in the world whisky category.”*

The latest recognition further strengthens Radico Khaitan's premiumisation and international expansion strategy, and underscores the rising acceptance of Indian single malts on the global stage.
