The existing name of your Company, “Synthiko Foils Limited”, does not adequately reflect the present business profile, strategic direction, and expanded objects of the Company. Over time, your Company has diversified its operations and aligned its activities towards engineering, fabrication, industrial solutions, data centre infrastructure, energy systems, and allied manufacturing and EPC activities, either directly or through its subsidiaries.

The proposed name reflects the Company’s focus on robust industrial and infrastructure solutions, advanced manufacturing, automation, data centre infrastructure, and energy systems. The inclusion of the word “India” signifies the Company’s identity as an Indian enterprise with a national and global outlook, in alignment with initiatives such as “Make in India”.

The proposed change of name is in consonance with the Company’s business activities and does not involve any change in the ownership, management, or legal status of the Company. The rights and obligations of the Company and its shareholders shall remain unaffected by the proposed change.

Considering the above facts the Board of Directors of the Company, vide resolution dated **13th January, 2026**, authorized and approved the reservation of the proposed name “**BELDING INDIA LIMITED**” and directed the filing of **Form RUN (Reserve Unique Name)** with the Central Registration Centre (CRC), Ministry of Corporate Affairs. The application was duly filed with CRC and was approved on **15th January, 2026**, resulting to reservation of the proposed name for a period of **60 (sixty) days** pursuant to Section 4(5) of the Companies Act, 2013.
